1. Addendum

- 1.1. Under Parking Services, to freeze the 24 hour rate at St Peter’s car park at £8, instead of increasing it to £9. This brings it in line with all other 24 hour rates in the district.
- 1.2. This will reduce the forecast income from this tariff by £23,000. Therefore the total increase in proposed fee & charges income will be £726,000. This remains above the level of £721,000 that was factored into the Medium Term Financial Strategy (MTFS) at Budget Setting in February 2023.
