The Cabinet is required to vote on this because it forms a recommendation to it.

The Overview & Scrutiny Committee did not scrutinise this report at the meeting but made comments to Cabinet.

Members were keen to see maximum attendance at training sessions so asked that these, where possible, avoided holiday periods. However, to mitigate for this, the Committee requested that training sessions should be recorded (whilst also appreciating that external trainers might not be open to this request).

The Committee also requested that when HRA reports were to be considered in future, this should always be accompanied by a briefing to Members in advance.

The committee intends to add this report to the Overview & Scrutiny workplan in line with dates for further training.

14 Annual Governance Statement 2022/23

The Overview & Scrutiny Committee did not scrutinise this report at the meeting but made comments to Cabinet.

The Committee expressed concern about the lateness in signing off the AGS which the Head of Finance explained was linked to the delay in signing off the Council's Statement of Account and he explained how this would be overcome in the future with a backstop date being agreed.

The Committee requested that the AGS should be produced sooner in order to support a strong focus on governance.
