

**Summary of Comments made on the Joint Cabinet/Executive Committee
Agenda for Wednesday 7 December 2022**

5 South Warwickshire Local Plan Part 1 – Issues and Options Consultation

1. The way that the reports were published (as one block, rather than as separate documents) created practical problems for Members in reviewing and scrutinising the content. Whilst recognising that the report was a technical topic, it was requested that the report should be better divided and structured to make it easier to manage.
2. Concerns were raised about the robustness of the process of the Sustainability Assessment and therefore the conclusions drawn from this. The Committee looked forward to feedback from the consultants in this regard.
3. Overview & Scrutiny Committee recommended that wording, process and navigation for the consultation is tested using a broad range of people to ensure that the type of responses are what would be expected.

The Joint Cabinet is required to vote on this because it forms a recommendation to it.
