12/08/2022	Friday	23:18	ABS	Bedroom	Live music and people outside pub at 23:20. Front door still open. Stopping sleep.	Can hear music - to the point of recognising the song. "I wanna dance with someone". Can hear people talking very loudly.
12/08/2022	Friday	23:55	ABS	Bedroom	Still loud talking and shouting from people drinking outside pub. Front door still open. Still can't sleep.	Cant hear any music , however can hear people talking very loudly
13/08/2022	Saturday	21:22	Live Music	Bedroom	Loud, annoying music. Very irritating. Audio with windows open as it's 30 degrees in bedroom.	very clear lady signing, loudly. Can hear the beat to the music, its very high pitched song.
13/08/2022	Saturday	21:38	Live Music	Living Room	Recording from my sofa with the windows open. Can't watch tv or listen to anything without half price Whitney Houston screaming over it. Very, very annoying.	Can hear "I wanna dance with somebody" loudly, can also hear a baby make a noise. It is very clear that it is a Whitney tribute act.
13/08/2022	Saturday	22:02	Live Music	Living Room	Audio with tv on bbc news at 22:00. Tv volume set to 22. Can clearly hear music at pub at all times, distracting and annoying	Can hear the 10pm news, however you can very clearly hear the music in the back ground - lady signing. Not sure what the song is but its loud enough for you to be able to work it out.
26/08/2022	Friday	22:01	Live Music	Bedroom	Very loud music, we're either going out or putting a loud film on, otherwise it's distracting and irritating	Very clear Abba song playing, very loud. "Thank you for the Music" very clear. Very loud.
16/09/2022	Friday	23:06	Live Music	Bedroom	Loud live music all night and loud groups outside shouting all night. Music could be heard over TV and groups were very loud even with windows closed. Live music and crowds outside now (after 11). Front door left open all night and still open now. Noise preventing sleep	Can hear the music, sounds like it could be an elvis tribute act. Can also hear a very large crowd of people talking. Lots of shouting, can hear the words clearly what they are saying. Could be sat with them.
16/09/2022	Friday	23:31	Live Music	Bedroom	Live music still going, bass can be heard in bedroom with windows closed preventing sleep	Very loud male voice signing, sounds a bit countryish. Can also hear male voices talking.
16/09/2022	Friday	23:57	ABS	Bedroom	Very loud bass from music in pub audible around house. Absolutely ridiculous noise preventing sleep.	Very heavy base, deep and repetative. Can recognise the song if is even a song. Can also hear male voice having a conversation. Very loud.
16/09/2022	Friday	23:26	Live Music	Bedroom	8 ⁺ childfndn running amok from pub into road, loyd luvemusuc, loud voices from customers outside	Can hear live music being played - loud and clear, can hear someone running and lots of shouting, people swearing.
17/09/2022	Saturday	00:09	ABS	Bedroom	Bass from loud dance music very loud in bedrooms preventing sleep	Can hear bass music, cant tell the song it is just heavy bass. This is being played after the licence hours of 00:00. This loud. Can also hear ladies talking.

18/09/2022	Sunday	15:27	Live Music	Bedroom	Loud music still going, bass line can be heard over tv with windows closed, incredibly irritating	Can hear people talking, almost someone trainers squeeking on a tiled floor, girls shouting as well as music playing loudly.
18/09/2022	Sunday	17:29	Music	Bedroom	Music playing all afternoon, can clearly hear song and lyrics (currently killing me softly by fugees) in rooms facing pub and bass can be heard in other rooms. Distracting and annoying, hard to concentrate on other things	Can hear people talking, sounds like a canteen and then you can hear "Killing me softly" playing clearly in the back ground.
18/09/2022	Sunday	18:48	Music	Bedroom	Music audible in bedrooms, lounge, conservatory, kitchen and hallway. Pub door left open all day. Music and incredibly annoying and distracting.	Whats Love got to do with it, being played very loud clearly can hear the song the bass
18/09/2022	Sunday	19:11	Music	Other	Music getting worse, I'm getting more stressed. This is absolutely ridiculous.	I don't recognise the song but I can hear it loudly, you can hear the lyrics
18/09/2022	Sunday	19:52	Live Music	Other	Music still loud, still incredibly annoying, still distracting, ruined day. Again.	Queen - bohemiaaa rapasdy very loud. Can also hear a lady shout "give me my phone"
18/09/2022	Sunday	23:27	ABS	Bedroom	Shouting and arguments from drunk people outside pub, bass from music still pounding. Pub front door still open. Bass from music distracting, too loud for sleep	Can hear music Also hear SOMEONE NEARLY GET RUN OVER. Someone shouts to them to get out the road and then you can clearly hear a car drive passed.
18/09/2022	Sunday	14:22	Music	Living Room	Liad reggae tyoe music from pub from 13.30. Doors open.	Very clear loud music, can hear the lyrics to the song as though you were watching it live
18/09/2022	Sunday	14:27	Music	Public Space	Loud music from Holly Bush recorded from Vincent Street which is end of Holly Street. So loud it is impossible to think straight.	Even louder, lyrics can be recognised and you can hear people whooping to the song
18/09/2022	Sunday	19:11	Music	Living Room	Non stop bass beat and singing from 15.30. It is now 21.12 and still going on.	Can hear a lady shouting, the music is very loud, very repetative base line, lyrics can be heard.
23/10/2022	Sunday	00:35	ABS	Bedroom	noise from customers outside Holly Bush at midnight 30.	No music, lots of people talking very loudly, can hear what they are talking about, can hear people shouting, the volume of disson got louder, could have turned into an argument. As there was a lady saying over "did I hear that right" this could have escalated.
30/10/2022	Sunday	22:36	Music	Bedroom	Annoying bass music from the pub audible with windows closed in living room and bedroom. Audible over own music.	Can hear music playing, can also hear people talking. Music isnt as loud, but you can still hear it.
30/10/2022	Sunday	22:59	Music	Bedroom	Loud music still audible in bedroom disrupting sleep	Music is much louder than last recording but not as many people talking out side - this is clearly after they should be closed at 22:30. Can hear men shouting, and a male singing

30/10/2022	Sunday	23:10	Music	Bedroom	Loud music still being played. Pub has closed doors and curtains. Song is What would you do by city high. Now preventing sleep.	Music is more muffled, as though doors and windows closed as suggested, however you can still clearly hear the song and the lyrics. The pub should be closed at 22:30
