Warwick Folk Festival – Premises Licence Land at Castle Park, Stratford Road, Warwick CV34 6AX

I am writing to you to support the application to hold the Folk Festival on Land at Castle Park in 2021.

The Folk Festival brings huge economic benefits to the Town and the community. The event has been held at Warwick School for the last 37 years, without a complaint. The move to Castle Park will enable closer interaction with the Town.

The organisers are very professional ensuring all aspects of the event are considered.
