1 **SUMMARY**

- 1.1 Forming part of the evidence for the Annual Governance Statement, this report presents Internal Audit's annual report. The CIPFA Code of Practice for Internal Audit in Local Government in the United Kingdom 2006 requires a report that provides an opinion on the overall adequacy and effectiveness of the organisation's control environment be presented to the committee designated to consider or approve the Annual Governance Statement. Accordingly, this report will be presented to Standards Committee on 12th June 2013 and the Finance and Audit Scrutiny Committee is invited to address its views to that meeting.

2 **RECOMMENDATIONS**

- 2.1 That this Committee considers the Annual Report of Internal Audit for the year ended 31st March 2013, and addresses its views to Standards Committee for its meeting in June.

3 **REASON FOR THE RECOMMENDATIONS**

- 3.1 To comply with the CIPFA Code of Practice for Internal Audit in Local Government in the United Kingdom 2006 that provides the "proper practices" referred to in Regulation 4 of The Accounts and Audit (England) Regulations 2011 in respect of production of an annual governance statement.
- 3.2 The CIPFA Code of Practice states that: "The Head of Internal Audit must provide a written report to those charged with governance timed to support the Annual Governance Statement."

4 **ALTERNATIVE OPTION(S) CONSIDERED**

- 4.1 This report is not concerned with recommending a particular option in preference to others so this section is not applicable.

5 **BUDGETARY FRAMEWORK**

- 5.1 Although there are no direct budgetary implications arising from this report, Internal Audit provides a view on all aspects of governance including that of the Budgetary Framework. An effective control framework ensures that the Authority manages its resources and achieves its objectives economically, efficiently and effectively.

6 **POLICY FRAMEWORK**

- 6.1 Although there are no direct policy implications, Internal Audit provides a view on all aspects of governance and will take into account the Policy Framework, Community Plan and the Council's policies.

7 **BACKGROUND TO THE ANNUAL GOVERNANCE STATEMENT & REQUIREMENT FOR INTERNAL AUDIT ANNUAL REPORT**

- 7.1 Regulation 4 of The Accounts and Audit (England) Regulations 2011 states:

Responsibility for financial management

4.—(1) The relevant body is responsible for ensuring that the financial management of the body is adequate and effective and that the body has a sound system of internal control which facilitates the effective exercise of that body's functions and which includes arrangements for the management of risk.

(2) The relevant body must conduct a review at least once in a year of the effectiveness of its system of internal control.

(3) The findings of the review referred to in paragraph (2) must be considered—

(a) in the case of a larger relevant body, by the members of the body meeting as a whole or by a committee, and

(b) in the case of a smaller relevant body, by the members of the body meeting as a whole, and

following the review, the body or committee must approve an annual governance statement, prepared in accordance with proper practices in relation to internal control.

(4) The relevant body must ensure that the statement referred to in paragraph (3) accompanies—

(a) any statement of accounts it is obliged to prepare in accordance with regulation 7, or

(b) any accounting statement it is obliged to prepare in accordance with regulation 12.

7.1 The CIPFA Code of Practice for Internal Audit in Local Government in the United Kingdom 2006 forms part of the "proper practices" referred to in Regulation 4 of the Accounts and audit Regulations 2011, set out above. The CIPFA Code of Practice states that: "The Head of Internal Audit must provide a written report to those charged with governance timed to support the Annual Governance Statement."

7.2 The Head of Internal Audit's annual report must:

- (a) include an opinion on the overall adequacy and effectiveness of the organisation's control environment
- (b) disclose any qualifications to that opinion, together with the reasons for the qualification
- (c) present a summary of the audit work from which the opinion is derived, including reliance placed on work by other assurance bodies
- (d) draw attention to any issues the Head of Internal Audit judges particularly relevant to the preparation of the Annual Governance Statement.
- (e) compare the work actually undertaken with the work that was planned and summarise the performance of the internal audit function against its performance measures and targets

(f) comment on compliance with these standards and communicate the results of the internal audit quality-assurance programme.

7.3 Finally, in respect of this area, the Code states: "In addition to the annual report, the Head of Internal Audit should make arrangements for interim reporting to the organisation in the course of the year. Such interim reports should address emerging issues in respect of the whole range of areas to be covered in the annual report."

7.4 The Annual Report is set out as Appendix 1.

HEAD OF INTERNAL AUDIT'S ANNUAL REPORT AND PRESENTATION
OF AUDIT OPINION 2012/13

INTRODUCTION

This report is produced to satisfy proper practices under Regulation 4 of The Accounts and Audit (England) Regulations 2011 in respect of production of an annual governance statement. The proper practices are those set out in section 10.4 of the CIPFA Code of Practice for Internal Audit in Local Government in the United Kingdom 2006.

OPINION ON THE OVERALL ADEQUACY AND EFFECTIVENESS OF THE ORGANISATION'S CONTROL ENVIRONMENT

Based on internal audit assignments undertaken as part of the Audit Plan, it must be concluded that the Council has an effective internal control framework to address relevant risks with controls being consistently applied.

There were, however, some instances of non-compliance and these have been detailed in internal audit reports issued during the year and summarised each quarter, where the overall level of assurance was assessed at less than 'substantial', for the Finance and Audit Scrutiny Committee. Action to address these areas has been confirmed by management in all cases, and as a matter of priority for those issues regarded as significant.

There are no qualifications to that opinion, although clearly it is based on the audits undertaken during that year. The Council's external auditors form their own opinion based on their own work and the Annual Governance Statement provides an overall judgement on the control environment, derived from many sources, one of which is this Internal Audit Annual Report.

SUMMARY OF THE AUDIT WORK FROM WHICH THE OPINION IS DERIVED

The audits which form the basis of the opinion are set out as table in Appendix 1A. The results of these audits have been communicated to the Finance and Audit Scrutiny Committee each quarter and are therefore not reproduced here. However, each audit report gives an overall opinion on the level of assurance provided by the controls within the area audited and this is set out in the table . The bands of assurance are set out at the bottom of Appendix 1A.

ISSUES PARTICULARLY RELEVANT TO THE PREPARATION OF THE ANNUAL GOVERNANCE STATEMENT

Issues particularly relevant to the preparation of the Annual Governance Statement (AGS) have been identified from the process involved in its production, including the review of the AGS by the Senior Management Team and by the chairs of the Scrutiny and Standards Committees and by the service assurance statements completed by services. Some of these had been highlighted by Internal Audit during the year.

COMPARISON OF THE WORK ACTUALLY UNDERTAKEN WITH THE WORK THAT WAS PLANNED AND SUMMARISE THE PERFORMANCE OF THE INTERNAL AUDIT FUNCTION AGAINST ITS PERFORMANCE MEASURES AND TARGETS

This is set out as Appendix 1B.

COMMENTARY ON COMPLIANCE WITH CIPFA CODE OF PRACTICE FOR INTERNAL AUDIT AND COMMUNICATION OF THE RESULTS OF THE INTERNAL AUDIT QUALITY ASSURANCE PROGRAMME

Following a review of Internal Audit by the Audit Commission, Internal Audit is fully-compliant with the CIPFA Code of Practice for Internal Audit in Local government in UK.

The Internal Audit quality assurance programme comprises completion by auditees, post audit, of questionnaires for all audits and, biennially, completion of overall client satisfaction surveys by management. Please refer to Appendices 1C and 1D. It includes reviews of audit files by the Audit and Risk Manager before issue of final reports and external audit reviews of Internal Audit's work. It also includes an annual review of the effectiveness of Internal Audit by the Responsible Financial Officer as required by Regulation 6 of the Accounts and Audit Regulations 2011.

The results of the Internal Audit quality assurance programme are used to improve the service provided by Internal Audit.

In terms of the post audit questionnaires the modal overall score from auditees for the year was 5 indicating very broad satisfaction with the audits undertaken. No audits were assessed at less than 4. This is in line with the two previous years' results so the improvement noted in relation to the year before has been maintained.
