

## PARISH PLANS – SUMMARY OF ACTIONS

## Appendix 1

Parish Area	Theme	Proposal	Action	Comments WDC / WCC Officers
<b>Beausale, Haseley, Honiley &amp; Wroxall</b>	Planning/ Development	Consider the proposals in the new Local Plan in-line with the survey findings (new development restricted to one or two dwellings per year).	Ensure future housing and planning applications meet the local wishes for locating development within existing villages and sustainability.	<b>Feedback: Alan Mayes, WDC Planning Dept</b> - Ensure that development within conservation areas and affecting listed buildings is to a high standard of design and respects the local vernacular building style .
	Service and Infrastructure	Improved access to internet services	Actively engage with Internet Service Providers to improve broadband speeds and reliability	<b>Feedback: Leigh Hunt, WCC Economic Development &amp; Resources</b> - The speed achievable will depend on the physical infrastructure that is in place. ie whether there is fibre broadband in the area. CSW Broadband is working to improve the broadband network but at present cannot commit to given speeds in any particular area. For more information see <a href="http://www.cswbroadband.org.uk">http://www.cswbroadband.org.uk</a>
	Highways and transportation	Improve standards of roads surface, surface drainage and maintenance of verges, ditches and hedge maintenance	Actively engage with the County Council to improve standards of roads surface, surface drainage and maintenance of verges, ditches and hedge	<b>Feedback: Peter Hallam, WCC Highways</b> – Issues in respect of the road surfaces and drainage finances allowing. Clearing ditches/ verges and hedges is the responsibility of landowners. WCC will only clear ditches in extreme circumstances for example if a house was in danger of flooding.

		Problem with speeding on A4177/A4141	Pursue the reduction of speed limits on the A4177/A4141 to 40mph in residential areas and 50mph in non-residential areas	<b>Feedback: Chris Lambert, WCC Highways Traffic &amp; Road Safety Group</b> - These roads were reviewed 2 years ago. They did not meet the criteria for these aspirational limits then, and that remains the response now.
		Village speed limits	Pursue the reduction of speed limits to 30mph within the villages and 40mph on the other lanes	<b>Feedback: Chris Lambert, WCC Highways Traffic &amp; Road Safety Group</b> - Further investigation would be required to determine if the criteria can be met. Funding would need to be identified for this purpose.
		Improve public transport	Explore opportunities to improve public transport from the villages to local town centres, especially at week ends	<b>Feedback: Kevin McGovern WCC Highways, Transport</b> - The possibility of providing a Flexibus service from this area to Kenilworth on market day is being investigated
	Environment and local heritage	Fly-tipping	To explore how to obtain “fly-tipping” warning signs erected in key tipping locations to discourage offenders	<b>Feedback: Robert Hoof WDC Contract Services Manager</b> - This is something WDC Contract Services could assist with.
		Rapid response	Work with Warwick District Council to ensure that a rapid response is provided for the removal of any materials which are dumped illegally and ensure that a mechanism is put in place to have roadside litter routinely	<b>Feedback: Robert Hoof WDC Contract Services Manager</b> – These services are already in place and will respond on request. 			collected and appropriately disposed of.	
	Children and young people	Improve access to sports and recreation facilities	Seek opportunities for improvements to sport and recreation facilities for the community including, adventure playground, skate park and tennis courts	<b>Feedback: WDC – Manoj Sonecha Senior Sports Development Officer:</b> WDC are able to offer support and advice on grants/ funding available through links with the National Sports Governing Bodies, County Sports Partnerships and Sport England. In addition WDC Planning Dept are able to provide advice on planning matters <b>Feedback: Hollie Hutchings – WDC Targeted Services for Young People –</b> Advised to undertake Consultation with young people about what they want in the area. What are the issues for them
<b>Parish Area</b>	<b>Theme</b>	<b>Proposal</b>	<b>Action</b>	<b>Comments</b> <b>WDC / WCC Officers</b>
<b>Weston under Wetherley</b>	Environment	Rugby Road	Improve pavements and their maintenance on Rugby Road	<b>Feedback: Tom Mannion, WCC Transport &amp; Highway –</b> Maintenance of pavements will be looked at within existing resources. In addition within the routine maintenance programme there is an opportunity for members of the public to raise specific issues with the WCC.
		Maintenance of hedges and verges	To continue to improve the maintenance of hedges and verges in the village	<b>Feedback: Robert Hoof, WDC Contract Services Manager -</b> This can be discussed with the WDC Area Officer.

		Footpath/ cycle-ways	To explore a new footpath from Sabin Drive/ Alderman Way to Hunningham Road	<b>Feedback: Bernadette Allen WDC Community Partnership Team –</b> They is a possibility for the proposal to introduce a new footpath as part of the transport seminar.
		Community engagement	To arrange a Community Litter Picking Event	<b>Feedback: Bernadette Allen WDC Community Partnership Team –</b> This is something that the CPT can work in partnership with local residents to arrange.
		Improvements to pavements	To improve pavements that adjoin the B4453.	<b>Feedback: Tom Mannion, WCC Transport &amp; Highway –</b> Maintenance pavements will be looked at within existing resources. In addition within the routine in section programme there is an opportunity for members of the public to raise specific issue with the WCC.
		Improved signage	To explore how they can be improved road markings and signage.	<b>Feedback: Chris Lambert, WCC Highways Traffic &amp; Road Safety Group -</b> A route treatment was carried out this year. The road markings and signage are appropriate. If previously installed road markings and signage require attention, this would need to be referred to the County Highways team.
	Planning/ Development	Retention of the greenbelt	For WDC to limit development to infilling within the village with high quality houses, some affordable housing for young couples and some sheltered	<b>Feedback from Alan Mayes, WDC Planning -</b> Ensure that development effecting listed building or the setting of listed buildings is to a high quality of design and respects the local vernacular style

			accommodation for the elderly.	
	Transport and Safety	Pedestrian crossing	To lobby for a pedestrian crossing over the B4453	<b>Feedback: Bernadette Allen WDC Community Partnership Team –</b> They is a possibility for the proposal to introduce a new footpath as part of the transport seminar
	Children and young people	Improve sports facilities	To explore the provision of an all weather pitch	<b>Feedback: Manoj Sonecha WDC Senior Youth Sports Development Officer:</b> WDC are able to offer support and advice on grants/ funding available through links with the National Sports Governing Bodies, County Sports Partnerships and Sport England. In addition WDC Planning Dept are able to provide advice on planning matters <b>Feedback: Hollie Hutchings WCC Targeted Services for Young People –</b> Advice is to check that this is really what young people want and what usage they would have.
		Improve recreational facilities	Improve the maintenance of play area and equipment.	<b>Feedback: Dave Anderson WDC Parks &amp; Open Spaces –</b> Play area is part of an on-going inspection and maintenance programme. Any improvement can be considered as part of the Park Area Improvement Programme, <b>Feedback: Hollie Hutchings WCC Targeted Services for Young People –</b> Advice is to encourage young people to involve younger

				ones and parents to create strong ownership of any new equipment.
