1. Background

Warwick District Council ("the Council") has an agreed vision for Warwick District. This is encapsulated by the following statement:

Warwick District, a great place to live work and visit, where we aspire to build sustainable, safe, stronger and healthier communities".

The Council believes that the licensing of sex establishments supports and contributes to this vision and helps to create and maintain safe strong and healthy communities for people to live and work in.

The Council adopted Schedule 3 of the Local Government (Miscellaneous Provisions) Act 1982 ("the Act") in July 1982. This enabled the Council to regulate premises classed as sex shops and sex cinemas. In September 2010 the Council re-adopted Schedule 3 of the Act following amendments made by section 27 of the Policing and Crime Act 2009. This amendment to the Act made provision for the licensing of sexual entertainment venues (for example venues which provide pole dancing, lap dancing and strip clubs or similar). The Council can prescribe terms, conditions or restrictions on licences and charge a fee for the licence application. Sex shops, sex cinemas and sexual entertainment venues are collectively known as sex establishments.

The Act also enables the Council to refuse a licence where it considers that the number of sex establishments or sex establishments of a particular kind is equal to or exceeds the number that the Council considers is appropriate for that locality. In March 2014 the Council carried out a public consultation in relation to the number of sexual entertainment venues that the public believed were appropriate in various localities within Warwick District. The consultation focused on the town centre areas of Royal Leamington Spa, Warwick, Kenilworth and Whitnash as these are areas most associated with the night time economy and believed most likely to attract applications for sexual entertainment venue licences. A majority of respondents stated that they believed that a nil limit would be appropriate for these areas of the District.

A public consultation has taken place prior to the adoption of this policy.

2. Statement of General Principles

- 2.1 Any person who wishes to use any premises, vehicle, vessel or stall as a sex establishment within Warwick District must obtain a licence from the Council. In addition any person who wishes to renew, vary, or transfer an existing sex establishment licence must apply to the Council.

- 2.2 This Statement of Licensing Policy ("the Policy") aims to provide clear guidance for applicants, existing license holders, those who want to object to an application and Members of the Licensing and Regulatory Committee when making a determination. This Policy replaces all previous sex establishment policies issued by the Council and it is intended that it will apply to all applications for sex establishments received after the date on which it is approved by the Council. The Policy will be reviewed every three years.
- 2.3 The Council does not take a moral stance in adopting this policy and recognises that Parliament has made it lawful to operate sex establishments and that such businesses are a legitimate part of the retail and leisure industries. It is the Council's role as Licensing Authority to regulate such premises in accordance with the law.
- 2.4 In adopting this policy the Council has had regard to the Regulators Code. The Code stresses the need for regulation and its enforcement to be proportionate and flexible. The policy aims to help and encourage regulated sex establishments to understand and meet the regulatory requirements.
- 2.5 Policy making and licensing decisions under the Act are made by the Council with regard to the relevant provisions of the following legislation:
- **The Crime and Disorder Act 1998**: The Council must use its powers as a licensing authority to do all that it can to reasonably prevent crime and disorder, anti-social behaviour and the misuse of drugs and other substances.
 - **Provision of Services Regulations 2009**: The refusal of a licence or the imposition of any condition on a licence must be non-discriminatory, necessary and proportionate. The Council will apply these three tests when refusing a licence or imposing conditions.
 - **Equality Act 2010**: This policy is underpinned by an Equality Impact Assessment. When making decisions the Council will consider and give due weight to the views and needs of protected groups with the aim of eliminating discrimination, harassment and victimisation and advancing equality of opportunity and fostering good relations between different people.
 - **Human Rights Act 1998**: The rights that are potentially engaged in sex establishment licensing are likely to include Article 10, the right to freedom of expression and Article 1, the protection of property. These rights, together with any other that may apply, will be considered by the decision maker.
- 2.6 The Council will work in partnership with neighbouring authorities, the Police, South Warwickshire Community Safety Partnership (CWCS), Warwickshire Safeguarding Children Board (WSCB) and those involved with protecting adults from the risk of harm to promote the common objectives of safeguarding vulnerable people.
- 2.7 The Act permits the Council to set a reasonable fee for each application. Fees are reviewed annually and set at a level appropriate to recover the

costs of carrying out the licensing functions under the Act. In setting fees the Council has regard to legislation, any relevant guidance and case law.

- 2.8 The grant of an application under the Act does not constitute approval under any other acts (for example Town and Country Planning Act 1990). The applicant must ensure that all the necessary consents and approvals are obtained prior to operation.
- 2.9 Each application will be dealt with on its own merits. The Council will not apply rigid rules to its decision making although regard will be had to this document, Home Office guidance and to the relevant legislation and case law in reaching any decision.
- 2.10 The Council will give full and clear reasons for its decisions.

3. Types of Sex Establishments

- 3.1 Sex Establishments can be a premises, vehicle, vessel or a stall. A private dwelling to which there is no public admission would not be classed as a Sex Establishment.
- 3.2 There are three types of Sex Establishment defined in the Act. These are a Sexual Entertainment Venue, a Sex Shop and a Sex Cinema.

Sexual Entertainment Venues

- 3.3 Sexual Entertainment Venues are defined as “any premises at which relevant entertainment is provided before a live audience for the financial gain of the organiser or the entertainer”.
- 3.4 “Relevant entertainment” is defined as “any live performance or live display of nudity which is of such a nature that, ignoring financial gain, it must reasonably be assumed to be provided solely or principally for the purpose of sexually stimulating any member of an audience (whether by verbal or other means)”. An audience can consist of just one person.
- 3.5 The Council considers that the following forms of entertainment will generally be deemed to fall within the definition of relevant entertainment:
 - Lap dancing
 - Pole dancing
 - Table dancing
 - Strip Shows
 - Peep Shows
 - Live sex shows
 - Burlesque shows
 - Exhibition of sexual activity
 - Other types of sexual recreational venues or activities

The above list is not exhaustive and decisions as to whether entertainment or an activity would fall within the definition of relevant entertainment will be made by the Council on a case by case basis and shall depend upon the nature and content of the entertainment and not the name it is given.

- 3.6 Premises which provide relevant entertainment on no more than 11 occasions in any 12 month period, with each occasion lasting no more than 24 hours and separated from another occasion by at least a month are exempt from the need to be licensed as sex establishments.

Sex Shops

- 3.7 Sex shop means any premises, vehicle, vessel, or stall used for a business which consists to a significant degree of selling, hiring, exchanging, lending, displaying or demonstrating sex articles or other things intended for use in connection with, or for the purpose of stimulating or encouraging sexual activity or acts of force or restraint associated therewith. Sex articles are defined at paragraph 4 Schedule 3 of the Act.
- 3.8 The term "significant degree" is not defined in legislation. When deciding whether a business is selling or otherwise dealing in a significant degree of sex articles and requires a licence the Council will consider:
- The ratio of sex articles and associated items to other aspects of the business.
 - The character of the remainder of the business
 - The nature of the displays in the business
 - Turnover generated by sales of sex articles and associated items
 - The nature of literature, publicity or advertising materials
 - Any other factor which appear to be materially relevant.
- 3.9 A licence is not required for the sale supply or demonstration of articles which are manufactured for use primarily for the purposes of birth control or primarily relate to birth control.

Sex Cinemas

- 3.10 Sex cinema means any premises, vehicle, vessel or stall used to a significant degree for the exhibition of moving pictures by whatever means produced which are concerned with the portrayal of, primarily deal with or relate to or are intended to stimulate or encourage sexual activity, acts of force or restraint associated with sexual activity or relate to genital organs or urinary or excretory functions.

4. Applying for a Sex Establishment Licence

Applications for grant, renewal or transfer

- 4.1 Applications for the grant, renewal or transfer of a sex establishment licences must be made on the prescribed forms available on the Council's website and submitted to the Council at www.warwickdc.gov.uk/licensing.
- 4.2 A template notice for public advertisement is attached as **Appendix B** or can be obtained via the Council's website.
- 4.3 Applications must be accompanied by the appropriate fee which can be found on the Council's website. The fee must be paid in full at the time of the application and the application fee is non-refundable.
- 4.4 A licence can be granted for a maximum period of 1 year, although the Council may grant a licence for a shorter period where it thinks fit. It may, for example, be appropriate to grant a licence for a shorter period of time where the applicant requires a licence for a specific purpose, for example an exhibition or a trade show. Applicants should note that the fee will remain the same even though the duration of the licence may be reduced.
- 4.5 Provided that an application for the renewal or transfer of a licence is made prior to the date of expiry, the licence is deemed to continue until the application is withdrawn by the applicant or determined by the Council.
- 4.6 Tacit authorisation, the process by which an application is deemed to be granted if an authority fails to determine it within certain time periods does not apply to sex establishment licences. This means that the licence will not be granted, renewed, transferred or varied until the Council makes a determination.

Variation

- 4.7 Sex establishment licences can be varied on application. Applicants can apply to vary the terms, conditions or restrictions on, or subject to which the licence is held. Applicants must complete the prescribed form and follow the guidance notes available on the Council's website. The Council may make such variations as it considers fit. There is no requirement to advertise a variation application so applicants are advised to contact the Council's licensing team to discuss whether a variation is appropriate or whether a new application would be more suitable.

Waivers

- 4.8 The Act contains provisions where a licensing authority can waive the requirement for a sex establishment licence in circumstances where a licence would be unreasonable or inappropriate.

- 4.9 A waiver can be for a specific period that the Council thinks fit or it can be open ended. An open ended waiver can be terminated by the Council with at least 28 days' notice.
- 4.10 Whilst the Council will consider any request for a licence waiver individually and on its own merits it considers that waivers are only likely to be appropriate in exceptional cases. Examples may include cases where the requirement for a licence under the Act is borderline or the activities are a minor or ancillary part of the business and are not carried out for profit.
- 4.11 To apply for a waiver applicants must contact the Council's licensing team who will advise as to the information that should be provided. The application will then be determined by the Licensing and Regulatory Committee. Where a waiver is granted the applicant will be given a waiver notice. Where a waiver is refused the applicant will be notified and invited to apply for a sex establishment licence.
- 4.12 In accordance with legislation the grant of a waiver does not need to be advertised or consulted upon.

Conditions

- 4.13 The Council has prescribed standard conditions that will apply to every licence granted, varied, renewed or transferred unless they have been expressly excluded or amended. The conditions can be found at **Appendix D.**
- 4.14 Applicants who want to exclude or amend any of the standard conditions from a licence must include this request and the reasons for it within their application. It may also be appropriate for the Council to add specific, non-standard conditions to individual licences in some circumstances.

5. Making Objections or Commenting on an Application

- 5.1 The Act permits any person, to make an objection against an application for the grant, renewal, transfer or variation of a sex establishment licence. It is not necessary for the person to live or work in the vicinity of the premises. Objections can be made by a wide range of people or organisations which could include, but are not limited to, individuals, businesses, residents associations, trade associations, statutory authorities (Environmental Health or Planning) Councillors or MP's.
- 5.2 Objections must be made in writing. They can be submitted via email or upon the template form which is available on the Council's website. Objections must be made no later than 28 days after the date of the application to the Council's Licensing Team and should include the following;

- The name and address of the person or organisation making the objection;
 - The premises to which the objection relates;
 - The grounds for making the objection.
- 5.3 The Council will notify the applicant in writing of the general terms of any objections that have been received within the 28 day period. The Council will not disclose the name and addresses to the applicant without the consent of the person(s) making the objection. Persons who are prepared to consent to the disclosure of their name and address to the applicant may wish to indicate this within their objection.
- 5.4 The Council must consider the validity of all objections when determining an application. Objections which are judged to be frivolous or vexatious will be accorded little or no weight. Objections on purely moral grounds will also be accorded little or no weight as these fall outside of the scope of the Act.
- 5.5 The Council is entitled but not obliged to consider comments about an application that are positive or neutral in content. The Council will exercise its discretion in these circumstances but will usually take into account comments that are made in writing and received no later than 28 days after the date of the application. The weight that will be attached to a comment will depend upon the circumstances of each particular case.

6. Determining Applications

- 6.1 In all cases, the Council will consider each application on its own merits for all types of applications
- 6.2 When determining applications, the Council will have regard to:
- a) the Local Government (Miscellaneous Provisions) Act 1982;
 - b) other relevant statutory considerations including those specified at paragraph 1.4 above;
 - c) this statement of Licensing Policy;
 - d) any relevant guidance or case law
- 6.3 Where the Council has received valid objections to the grant, renewal, transfer or variation of a licence the application will be determined by the Licensing and Regulatory Committee at a hearing. The hearing will be conducted in accordance with normal hearing procedures for the Committee.
- 6.4 If no valid objections are received then the application will be determined by an Officer of the Council in accordance with delegated powers.

7. Grounds of Refusal

Mandatory Grounds of Refusal for Grant, Renewal or Transfer

- 7.1 Applications for the grant, renewal or transfer of a sex establishment licence must not be granted where one or more of the following apply;
- a) the applicant is under the age of 18 at the date of determination;
 - b) the applicant is for the time being disqualified from holding a sex establishment licence;
 - c) the applicant is not a body corporate, and is not resident or has not been resident in an EEA state for 6 months immediately preceding the date of the application;
 - d) the applicant is a body corporate which is not incorporated in an EEA state;
 - e) the applicant has in the period of 12 months preceding the date of the application been refused the grant or renewal of a licence for the premises, vehicle, vessel or stall in respect of the which the application is made, unless the refusal has been reversed on appeal.

Discretionary Grounds of Refusal for Grant, Renewal or Transfer

- 7.2 Applications for the **grant** or **renewal** of a sex establishment licence may be refused on the following grounds:
- a) the applicant is unsuitable to hold the licence by reason of having been convicted of an offence or for any other reasons;
 - b) if the licence were to be granted, renewed or transferred the business to which it relates would be managed by or carried on for the benefit of a person, other than the applicant, who would be refused the grant, renewal or transfer of such a licence if he/she made the application himself/herself;
 - c) the number of sex establishments, or of sex establishments of a particular kind, in the relevant locality at the time the application is made is equal to or exceeds the number which the authority consider is appropriate for the locality;
 - d) the grant or renewal of the licence would be inappropriate, having regard:
 - (i) to the character of the relevant locality; or
 - (ii) to the use to which any premises in the vicinity are put; or
 - (iii) to the layout, character or condition of the premises, vehicle, vessel or stall in respect of which the application is made.
- 7.3 The only discretionary grounds upon which the Council may refuse an application to **transfer** a sex establishment licence are those stated at 7.2 a) and b) above.

Suitability of an Applicant

- 7.4 When determining whether grounds of refusal at 7.2 a) apply the Council will consider such matters as it considers to be relevant including, but not limited to whether the applicant:
- a) has no criminal conviction of a nature that deem him/her unsuitable
 - b) is honest.
 - c) is qualified by experience to run the type of sex establishment in question or will employ suitable individuals with the relevant experience.
 - d) clearly understands the conditions that may be attached to the license.
 - e) has a suitable management structure and business plan which delivers compliance with the conditions.
 - g) has demonstrated compliance with other regulatory and taxation schemes .
- 7.5 The Council will require an applicant to identify the proposed manager and beneficiary of the business in order to establish whether grounds of refusal at 7.2 b) apply. In considering the suitability of these persons the Council will apply the principles at paragraph 7.4

Appropriate number of Sex Establishments

- 7.6 As set out in 7.2 c) above the Council may refuse an application if it is satisfied that the number of sex establishments or sex establishments of a particular kind in a relevant locality is equal to or exceeds the number which the authority considers is appropriate for that locality.
- 7.7 The term relevant locality is not defined in the Act. The Council will consider it to be the locality where the premises are located or the locality where a vehicle, vessel or stall is to be used as a sex establishment. The relevant locality will be decided by the Council on case by case basis.
- 7.8 When determining applications for **sex shop** or **sex cinema** licences the Council will, once the relevant locality has been established, consider, in each case, what the appropriate number of sex establishments in that particular locality is. In determining this, the Council will have regard to the general character of that locality and any other considerations that are deemed relevant and appropriate. Where the Council decides that granting the application would result in the number of sex establishments equalling or exceeding the number that they deem to be appropriate in that particular locality they may refuse the application.
- 7.9 The Council has determined that a limit of nil is appropriate for the number of **sexual entertainment venues** within localities falling within the areas shown outlined on the maps at **Appendix C**. The Council has not set a limit in relation to sex shops and sex cinemas. This limit has been set following a consultation that focused on the town centre areas of Kenilworth, Leamington Spa, Warwick and Whitnash and in which the

majority of respondents supported a nil limit. The Council does not believe that there are any localities within these areas in which it would be appropriate to licence a sexual entertainment venue.

- 7.10 The determination that a nil limit is appropriate within these areas does not prevent any person from applying for or renewing a sexual entertainment venue licence and each application will be considered on its merits.
- 7.11 There are areas of the District which are not subject to the nil limit. This does not mean that the Council considers that these areas are more suitable than the areas specified in Appendix C for the location of sexual entertainment venues. Applications for sexual entertainment venue licences in these areas will be decided on their individual merits.

Character of the Relevant Locality and Use of Premises in the Vicinity

- 7.12 As set out in 7.2 d) above the Council may refuse an application if it is satisfied that granting or renewing a licence would be inappropriate having regard to the character of the relevant locality, or the use to which any other premises in the vicinity are put.
- 7.13 When considering whether an application should be refused on the grounds that it would be inappropriate having regard to the character of the relevant locality the Council will determine the relevant locality in each case and then have regard to the following together with any other factors deemed relevant in assessing the character of the locality;
- a) the number and type of residential premises, including any sheltered housing and accommodation for vulnerable people;
 - b) The number and type of educational establishments and their hours of operation;
 - c) The number and type of places of worship and hours of opening;
 - d) Access routes to and from schools, play areas, children's nurseries, children's centres or other premises catering for vulnerable people and hours of use
 - e) the presence of shopping centres and hours of use;
 - f) the presence of community facilities for example halls and public buildings such as swimming pools, leisure centres, public parks, youth centres/clubs and hours of use
 - g) On-going regeneration of the locality and relevant planning decisions
 - h) the presence of other sex establishments
 - i) the views of residents, owners and occupiers of businesses and other organisations within the locality
 - j) The presence of licensed premises and their activities, uses and hours of operation.
- 7.14 When considering whether an application should be refused on the grounds that it would be inappropriate having regard to the use to which other premises in the vicinity are put the Council will have regard to the following factors together with any others deemed relevant;

- the proximity of premises used as educational establishments, leisure facilities, community centres, places of worship, youth clubs or women's refuges hours of use
- the proximity of residential accommodation and other accommodation for vulnerable people
- evidence of complaints of noise or disturbance from other premises in the vicinity that are either caused by the applicant premises or are likely to increase as a result of granting an application
- the view of the occupiers or owners of premises in the vicinity

7.15 When considering the vicinity, the Council considers the vicinity to be the area immediately surrounding the premises.

8. Refusal of licences

- 8.1 The Council will not refuse to grant, renew or transfer a licence without first giving the applicant the opportunity of appearing and making representations before the Council's Licensing & Regulatory Committee.
- 8.2 Where an application for grant renewal or transfer is refused the Council will give the applicant a statement in writing of the reasons for their decision.

9. Revocation of a licence

- 9.1 The Council can revoke a sex establishment licence at any time on one of the mandatory refusal grounds set out at 7.1 above or on either of the discretionary refusal grounds set out at 7.2 a) and b).
- 9.2 The Council will not revoke a licence without first giving the licensee the opportunity of appearing before and being heard by the Council's Licensing and Regulatory Committee.
- 9.3 Where a licence is revoked, the Council shall give the licensee a statement in writing of the reasons for the decision within 7 days of the decision.
- 9.4 Where a licence is revoked, its holder will be disqualified from holding or obtaining a licence in the area of the Local Authority for a period of 12 months from the date of revocation.
- 9.5 When the authority revokes a licence, the decision does not take effect until the time for bringing an appeal has expired and if an appeal is brought until the determination or abandonment of that appeal.

10. Cancellation of a licence

- 10.1 The Council may at the written request of the licence holder cancel the licence. No refund of the fee will be made in these circumstances.

11. Death of the License Holder

- 11.1 If a licence holder dies, the licence will be deemed to have been granted to the licence holder's personal representatives and will remain in force for three months from the date of the licence holder's death, unless previously revoked, and will then expire.
- 11.2 The Council can, however, on the application of the licence holder's personal representatives, extend the three month period if the Council is satisfied that an extension is necessary for the purpose of winding up the late licence holder's estate. The Council will only do so where there are no circumstances that make such an extension undesirable.

12. Right of Appeal

- 12.1 Only the applicant or licensee has the right to appeal the Council's decision to the Magistrates Court and only on limited grounds. There is no right of appeal for persons or statutory authorities who have made objections .
- 12.2 The decisions against which a right of appeal lies are refusals of grants, renewals, variations or transfers, the imposition of conditions and revocation.
- 12.3 Appeals can only be made against refusals or revocations made on the mandatory grounds on the basis that the mandatory ground does not apply to the Appellant. The only discretionary grounds of refusal that can be appealed are those set out at 7.2 a) and b) above which relate to the suitability of the applicant, the manager or the beneficiary of the operation. There is no right of appeal against refusals made on the grounds set out at 7.2 c) and d) above.
- 12.4 Appeals must be made to the Magistrates' Court within 21 days, starting from the date the applicant is notified of the Licensing Authority's decision.

13. Enforcement and Compliance

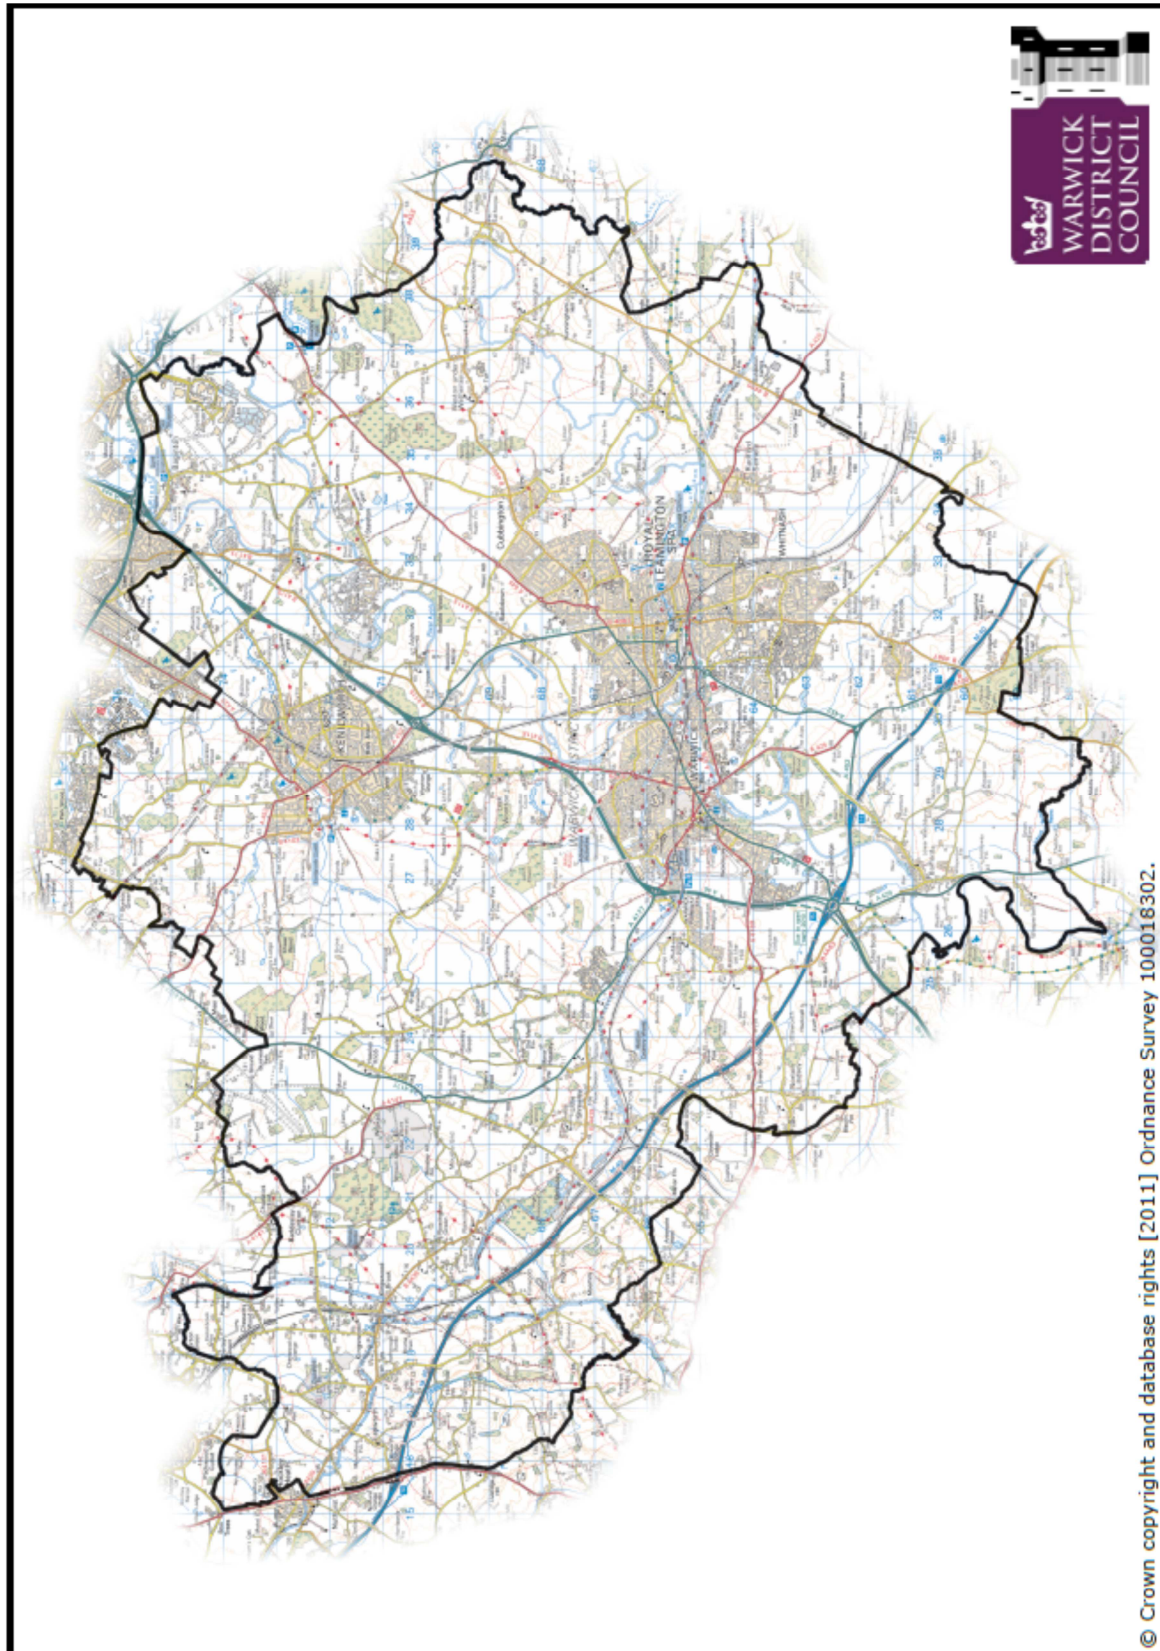

13.1 Compliance inspections of a premises will be carried out on a risk assessed basis.

13.2 There are a number of offences created by the Act in relation to sex establishment licensing. They can be found at paragraphs 20, 21, 22 and 23 of Schedule 3 of the Act.

13.3 Enforcement will be carried out in accordance with the Regulators Code and Council's Enforcement Policy.
