#### 14. **Notice of Motion**

To consider a notice of Motion from Councillor Parkins, referred to the Executive by Council on 22 February 2017.

In January 2017, Warwickshire County Council approved the setting up of a 'White Label' not-for-profit energy supply service, known as the Warwickshire Energy Plan, in partnership with a fully licensed energy supplier subject to concluding agreements with the relevant District and Borough councils and registered social landlords in relation to housing stock (particularly voids) which is necessary for this to be a viable proposition. I therefore propose that:

*"Warwick District Council support the Warwickshire Energy Plan in the first instance through the establishment of a municipal not-for-profit energy supply service; to work urgently to conclude agreements with Warwickshire County Council so that supply contracts are put in place in relation to housing stock (particularly voids) and registered social landlords to ensure the success of this important initiative and the benefits it will bring to consumers in Warwick District through market-leading tariffs, support for customers switching from costly pre-payment meters to smart pay-as-you-go meters and provision of consistent high quality customer service."*

#### 15. **Public and Press**

To consider resolving that under Section 100A of the Local Government Act 1972 that the public and press be excluded from the meeting for the following item by reason of the likely disclosure of exempt information within the paragraphs of Schedule 12A of the Local Government Act 1972, following the Local Government (Access to Information) (Variation) Order 2006, as set out below.

16	1	Information relating to an Individual
