1. **Summary**

- 1.1 This report informs the Committee of its work programme for 2015/2016 (Appendix 1) and of the current Forward Plan July to November 2015 (Appendix 2).
- 1.2 Appendix 3 is the Scoping Document agreed by the previous Overview & Scrutiny Committee for a Task & Finish Group to be set up to consider Sales and Letting Board Notices. (See items 2.4 and 8.10 in this report.)

2. **Recommendations**

- 2.1 The report be noted;
- 2.2 Any amendments suggested at the meeting for the Work Programme, be made accordingly;
- 2.3 The Committee to identify any future Executive decisions to be made, or future policies to be adopted, which members wish to have an input into before the Executive take the decision, and either:
 - 1. nominate one member to investigate that future decision/policy and report back to a future meeting of the Overview and Scrutiny Committee, before the final report is submitted to the Executive.
 - 2. request an officer report to be submitted to a future meeting of the Overview and Scrutiny Committee, before the final report is submitted to the Executive.
- 2.4 To agree the way forward on the Task & Finish Group – Sales and Letting Board Notices Scoping Document; and, if approved, for obtaining volunteers for the Task & Finish Group.

3. **Reasons for the Recommendations**

- 3.1 The work programme needed to be updated at each meeting to reflect the work load of the Committee.
- 3.2 Two of the five main roles of overview and scrutiny in local government are to undertake pre-decision scrutiny of executive decisions and to feed into policy development.
- 3.2 If the Committee has an interest in a future decision to be made by the Executive, or policy to be implemented, it is within the Committee's remit to feed into the process.
- 3.3 The Forward Plan is actually the future work programme for the Executive. If a non-executive member highlighted a decision(s) which is to be taken by the Executive which they would like to be involved in, that member(s) could then provide useful background to the Committee when the report is submitted to the Executive and they are passing comment on it.

4. **Policy Framework**

4.1 The work carried out by the Committee helps the Council to improve in line with its priority to manage services openly efficiently and effectively.

5. **Budgetary Framework**

5.1 All work for the Committee has to be carried out within existing resources. Therefore, there is a limit to the time available that officers will have to assist Members, so the Committee may wish to prioritise areas of investigation.

6. **Risks**

6.1 This Committee contributes to the effective minimisation of risk by fulfilling its duties in a timely manner and scrutinising the work undertaken by the Executive.

7. **Alternative Options Considered**

7.1 The only alternative option is not to undertake this aspect of the overview and scrutiny function.

8. **Background**

8.1 There are five main roles of overview and scrutiny in local government. These being:

- Holding to account
- Performance management
- Policy review
- Policy development
- External scrutiny

8.2 The pre-decision scrutiny of Executive decisions falls within the role of 'holding to account'. To feed into the pre-decision scrutiny of Executive decisions, the Committee needs to examine the Council's Forward Plan and identify items which it would like to have an impact upon.

8.3 The Council's Forward Plan is published on a monthly basis and sets out the key decisions to be taken by the Council in the next twelve months. The Council only has a statutory duty to publish key decisions to be taken in the next four months. However, the Forward Plan was expanded to a twelve month period to give a clearer picture of how and when the Council will be making important decisions.

8.4 A key decision is a decision which has a significant impact or effect on two or more wards and/or a budgetary effect of £50,000 or more.

8.5 The Forward Plan also identifies non-key decisions to be made by the Council in the next twelve months, and the Committee, if it wishes, may also pre-scrutinise these decisions.

- 8.6 There may also be policies identified on the Forward Plan, either as key or non-key decisions, which the Committee could pre-scrutinise and have an impact upon how these are formulated.
- 8.7 The Committee should be mindful that any work it wishes to undertake would need to be undertaken without the need to change the timescales as set out within the Forward Plan.
- 8.8 At each meeting, the Committee will consider their work programme and make amendments where necessary, and also make comments on specific Executive items, where notice has been given by 9am on the day of the Overview and Scrutiny Committee meeting. The Committee will also receive a report detailing the response from the Executive, on the comments the Committee made on the Executive agenda in the previous cycle.
- 8.9 The Forward Plan is considered at each meeting and allows the Committee to look at future items and become involved in those Executive decisions to be taken, if members so wish.
- 8.10 Task & Finish (T & F) Group – Sales and Letting Board Notices

On 28 January 2015, a notice of motion was considered by Council on the volume of lettings boards in parts of Leamington, weeks after the properties had been let. As a result of this Full Council recommended that Overview & Scrutiny Committee undertake a Task & Finish group to look into this matter. In March 2015, the previous Overview & Scrutiny Committee agreed the Scoping Document for a Task & Finish Group to be set up, but since the election was imminent, no further work was undertaken.

At the June 2015 meeting of the new Committee, Members requested that the Scoping Document be brought back for consideration. A copy of this Scoping Document is attached as Appendix 3 to this report.

Once the Committee is satisfied with the Scoping Document, the membership of the T & F Group will need deciding. Generally this is done on a voluntary basis through Group; with at least one member also being a current member of the Finance & Scrutiny Audit Committee. If too many volunteers come forward, the Committee decides the T & F Group membership. It should be noted that some of the Councillors who helped write the Scoping Document expressed interest in becoming members of the Task & Finish Group. In seeking volunteers, it may be appropriate to set a minimum and maximum number of Councillors for the T & F Group.

Primarily, officer support will be required from Development Services staff who will be required through the whole project, including providing support on the content and production of the final report.

Officer support will be required from Committee Services staff at the first meeting of the T & F Group to give advice on how Task & Finish Groups are run and the reporting mechanism. It is possible that support will be required further from Committee Services to help with guidance on the "look" of the final report (a particular report template is used for Task & Finish Groups which bears little resemblance to reports produced for Committee meetings).
