I AM writing in regard to the situation at 25  
 Kingswood St. I have witnessed on several  
 occasions a failure to challenge anyone suspected  
 under ~~age~~ <sup>the</sup> for any form of identification  
 during ~~the~~ <sup>the</sup> purchase of age restricted goods.

I also have first hand accounts from various  
 sources reinforcing the evidence further.

I ~~best~~ believe as ~~professional~~ professionals  
 they are irrefragably possible and should be held  
 accountable for their actions.
