The Committee received a verbal submission from Mr Brown who highlighted his concerns regarding corporate governance and Members' representation on outside bodies.

He felt that dual standards applied to Members who were not only trying to juggle the difficulties of 'dual-hatting' but also with them gauging whether their allegiance lay with the outside body they were appointed to, or to the Council they were representing.

The Deputy Chief Executive (AJ) advised those present that all Members were given advice as to correct conduct and procedure when they were nominated as Category B directors and dealing with issues at a District and Borough level. He also agreed to circulate the legal advice that was sent to Category B directors for Members information.

Members agreed that this was an issue that needed further consideration to ensure that all Council representatives were fully prepared to avoid putting either the Council or the relevant outside body at risk.

However, this was an issue that he would discuss with the Civic & Committee Services Manager to identify the best way forwards.

The Committee thanked Mr Brown for attending and highlighting the issue to them. It was agreed that public perception was paramount and that further scrutiny was necessary. They also agreed to add Scrutiny of LEP's to their workplan and hoped to be able to tighten up on policy with through training.

Mr Brown thanked the Committee for allowing him to speak and was encouraged with the steps that had been agreed. He also requested that he be written to with any formal outcome of the scrutiny.

6. FORWARD PLAN

The Committee considered a report from Civic and Committee Services informing it of the current Forward Plan, attached as an appendix to the report.

The Forward Plan detailed the future work programme for the Executive. If a non-Executive Member highlighted a decision which was to be taken by the Executive which they would like to be involved in, Members could then provide useful background to the Committee when the report was submitted to the Executive and they were passing comment on it.

Members were pleased to find out that the report regarding a policy for dealing with Houses in Multiple Occupation, would be submitted to the Executive on 19 June 2013.
