## **1: INTRODUCTION**

### **Objectives of the policy**

- 1.1 The purpose of the policy is to provide clear guidance for officers and Councillors on what matters should be taken into account when determining applications for House to House collections. It also sets out the reasonable expectations of applicants for charitable collections within Warwick District.
- 1.2 Central to the Council's policy are a number of key objectives which are:
  - To ensure members of the public know which charity they are donating to and to ensure all goods/monies collected are given to the correct charity.
  - To ensure all goods/monies collected are given to registered charities and unregistered organisations who prove their charitable purposes.
  - To facilitate well organised collections by bona fide charitable institutions and organisations.
  - To prevent unlicensed collections from taking place.

### **Purpose of the policy**

- 1.3 This document states Warwick District Council's policy on the regulation of House to House Collectors.
- 1.4 The policy is intended to ensure that those who wish to donate to charity through house to house collections, are able to do so, in good faith, knowing that a significant amount of the money or products they donate will directly benefit the charity.
- 1.5 This policy seeks to ensure that these objectives are achieved in a consistent, fair and proportionate way. In considering each application for the grant of a house to house collection the guidance provided by this document will be applied.

### **Policy review**

- 1.6 This Policy will be kept under review and a full consultation exercise carried out when major changes are made to it. It is anticipated that major reviews of the Policy will take place every 5 years.
- 1.7 The Policy will be regularly evaluated and may be changed at any time to reflect minor, administrative or legislative changes or to amend any inconsistencies between the legislation and policy without a full consultation process being carried out. Any major changes will be agreed by the Executive Committee.
- 1.8 Examples of 'major changes' are changes that are:
  - likely to have a significant effect on licence holders
  - likely to have a significant procedural effect on licence holders
  - likely to have a significant effect on the community

## **The Law**

- 1.10 House to House Collections are currently regulated by the House to House Collections Act 1939 and the House to House Collections Regulations 1947 (as amended).

### **Definition of a House to House Collection**

- 1.11 A House to House collection is defined as 'the collection of either money or items directly from a person's property'.
- 1.12 They are a vital source of funds for many charities as they offer a positive opportunity for the public to support charities. However, they need to be carried out for the benefit of the charity and in accordance with the law.

### **Exemptions to the Act**

- 1.13 A National Exemption Order is available to charities who have undertaken a high number of collections across local authority areas nationally in the preceding two years. These are issued directly to the charity by the Cabinet Office. A list of current Exemption Order holders can be found on the Gov.uk website.

## **2: LICENCE REQUIREMENTS**

### **Licensed areas**

- 2.1 For the purposes of House to House Collections, Warwick District Council is made up of five distinct areas. Leamington Spa, Whitnash, Warwick, Kenilworth and 'Rural'. Applications can be made for one area or a number of areas.
- 2.2 Warwick District Council will allow only **one collection to take place in any given area per day**. The collection areas are defined as Leamington Spa, Whitnash, Warwick and Kenilworth town centres and 'Rural' is defined as 'any other Village' inside the boundary.
- 2.3 Individual roads can be applied for and these roads will be specified on the collecting licence.
- 2.4 Collections may take place on any day of the week including Public Holidays.
- 2.5 The Licensing Authority may, in granting a licence, limit a collection to such streets or public places or such parts thereof as they think fit.

### **Number of collections**

- 2.6 The Council will only permit one House to House Collection in any one area of the District at any one given time and will only allow an organisation to collect on a maximum of six occasions per calendar year. Separate application forms will need to be completed.
- 2.7 Collections are booked on a first come, first served basis. This is to ensure that all charities whether large or small, have equal access to popular collection dates.
- 2.8 Where more than one organisation applies for a licence for the same date at the same time, then preference will be given to the more local organisation in order for the proceeds to benefit the local communities.

### **Number of collectors**

- 2.9 No persons may assist or take part in any collection without the written authority of the society, committee, or other body to whom a licence has been granted.
- 2.10 Written notice must be provided to us as either part of the application or prior to the collection, confirming details of all person(s) taking part in the collection. You must provide the collectors, name, address and date of birth, this is to enable us to check the suitability of the collectors and for enforcement.
- 2.11 When the agreed collectors change, we are happy to accept amendments to the collectors details prior to the street collection taking place.
- 2.12 Warwick District Council will restrict the number of people collecting monies to six per area.

- 2.13 No person under the age of 16 years old shall act or be permitted to act as a collector.

### **Collectors behaviour**

- 2.14 Failure to comply with the House to House Collection Regulations may result in future applications for a licence being refused. A copy of the regulations is attached as Appendix 1.
- 2.15 No collector shall importune any person to the annoyance of such person.
- 2.16 Collectors who are also members of the Public Fundraising Regulatory Association (PFRA) must adhere to the Institute of Fundraising Face to Face Activity Code of Fundraising Practice on face-to-face fundraising and any interpretation of the code made by the PFRA. Failure to comply could result in the refusal of further licences issued by Warwick District Council. This code can be viewed at [www.pfra.co.uk](http://www.pfra.co.uk).

### **Registered charities and charitable organisations**

- 2.17 Warwick District Council will consider applications from registered charities and a registered charity number will need to be provided on the application form.
- 2.18 Should the collection be on behalf of a registered charity then a letter of authority will be required which must accompany the application from the organisation.
- 2.19 Should a non-registered organisation wish to submit an application, then they will have to provide information with regard to the charitable purpose (i.e. Relief of poverty, advancement of health or saving of lives) and show they benefit the public.

### **Exceptions**

- 2.20 Warwick District Council reserves the right to deviate from this policy where it is satisfied that there is sufficient cause for doing so.
- 2.21 Exceptions to this policy may be made for collections such as the Royal British Legion's Poppy Appeal and Santa collections within the District and when natural disasters have occurred such as a tsunami or earthquake.
- 2.22 Collections for Children in Need, Red Nose Day and Sports Relief are discouraged as the organisers themselves prefer sponsored events.

- 3.5 A clear set of returns must also be supplied if the organisation has previously operated house to house collections within the Warwick District.
- 3.6 Applications are to be made in writing **no later than one calendar month** before the house to house collection is due to take place. This period may be reduced if the Council are satisfied that there are exceptional reasons for doing so.
- 3.7 Failure to provide all the necessary information may result in an application being delayed or refused.

#### **Collection licences**

- 3.8 Warwick District Council may, in granting a licence, limit the collection to such streets or areas or such parts thereof as it thinks fit and are specified on the licence.
- 3.9 The Council will only permit one house to house collection in any one area of the District at any one time and will only allow an organisation to collect on a maximum of six occasions per calendar year. Separate application forms will need to be completed for each separate collection.

- 3.10 The maximum duration of any collection will not exceed 4 weeks. No collection shall be made other than in accordance with time period specified on the licence.
- 3.11 No collection shall be made in a manner likely to inconvenience or annoy any person and no collector shall pester any person to the annoyance of such a person. - 3.13 Within one month after the date of any collection, the person to whom a licence has been granted shall forward to the Council:
- A statement in the form set out in the schedule to these regulations, or in a form to the like effect, showing the amount received and the expenses and payments incurred in connection with such collection and certified by that person and a member of the receiving charity in the form of a letter headed response.
  - A list of collectors.
  - A list of the amounts collected in each collecting box.

### **Applicant suitability**

- 3.14 Along with any application for a house to house collection licence, the applicant or the Director of the collection company (if different), will need to submit a recent Basic Disclosure Certificate from the Disclosure and Barring Service (not more than 6 months old).
- 3.15 When granting a licence for a house to house collection, the Council must be satisfied the applicant is a fit and proper person to hold a House to House Collection Licence.
- 3.16 In deciding the applicants fitness and propriety, and where there are convictions/cautions etc. the Council will take into consideration the following:
- Whether the conviction is relevant.
  - The seriousness of the offence.
  - In accordance with the Rehabilitation of Offenders Act 1974, the length of time since the offence occurred.
  - Whether there is a pattern of offending behaviour.
  - Whether that person's circumstances have changed since the offence occurred.
  - The circumstances surrounding the offence and the explanation offered by that person.

## **Grounds for refusal**

3.17 The Council may refuse to grant a licence or, where a licence has been granted, revoke that licence where it appears to the Council that:

- The total amount likely to be given for charitable purposes as the result of the collection (including any amount already given) is inadequate in proportion to the value of the proceeds likely to be received (including any proceeds already received).
- The remuneration by any person is excessive in relation to the total amount received or likely to be received.
- The applicant or the holder of the licence is not a fit and proper person to hold a licence by reason of the fact that he/she has been convicted in the United Kingdom of any of the offences specified in the Schedule to this Act, or has been convicted in any part of Her Majesty's dominions of any offence conviction for which necessarily involved a finding that he acted fraudulently or dishonestly, or of an offence of a kind the commission of which would be likely to be facilitated by the grant of a Licence.
- The applicant or the holder of the Licence, in promoting a collection in respect of which a Licence has been granted to him, has failed to exercise due diligence to secure that persons authorised by him to act as collectors for the purposes of the collection were fit and proper persons, to secure compliance on the part of persons so authorised with the provisions of regulations made under this Act, or to prevent prescribed badges or prescribed certificates of authority being obtained by persons other than persons so authorised.
- The applicant or holder of the licence has refused or neglected to furnish to the authority such information as they may have reasonably required for the purpose of informing themselves as to any of the matters specified in the foregoing paragraphs
- The grant of a licence would be likely to facilitate the commission of an offence under section three of the Vagrancy Act 1824, or that an offence under that section has been committed in connection with the collection.

3.18 In addition, any action taken as a result of non-compliance with the House to House Collections Regulations may also be grounds for refusal.

## **Financial considerations**

3.19 In order for the Council to be confident that the amount being given to charity is proportionate, the financial information provided on the application form and on any returns has to be detailed and accurate. Failure to provide detailed and accurate financial information may result in an application being refused or delayed.

3.20 In deciding whether the amount given to charity is proportionate the Council will use the following as a guideline:

- The Council understands there are costs associated with organising and carrying out a house to house collection; however, the costs associated with any one collection need to be balanced against the perception of the public that all of the items or money they donate will be given to charity. **Therefore, the Council will consider refusing an application where less than 70% of the value of the collection is being donated to the charity named in the application.**
  - It is also common practice for collectors to be paid by organisations to collect money and products. When determining the remuneration and whether it is excessive, the nature of the business and the overheads should be taken into account and balanced against the amount being given to the charity. The salaries received by directors and key employees should also be considered as part of this assessment. **Therefore, the Council will give consideration to refusing an application where the amount of remuneration is greater than 30% of the value of the collection.**
- 3.21 If returns have not been supplied to the Council after previous licensed collections then any further applications are likely to be refused.
- 3.22 Any person aggrieved by the refusal to grant a licence or by the revocation of a licence already granted, may appeal against the decision within fourteen days of the date of the notice of refusal or revocation, as shown on the notice. Any appeal must be made to the relevant Secretary of State.
- 3.23 Warwick District Council reserves the right to defer from this policy where it is satisfied that there is sufficient cause for doing so.

### **Enforcement**

- 3.24 It is recognised that well-directed enforcement activity by the Council benefits not only the public but also the responsible members of the trade.
- 3.25 In pursuing its objective of encouraging responsible businesses, the Council will operate a proportionate enforcement regime in accordance with the Enforcement Policy.
- 3.26 The responsibility for the overall supervision of House to House Collections lies with the Head of Health and Community Protection.

### **Offences and penalties**

- 3.27 No collection shall be promoted without a licence being in place. The promotor will be liable on summary conviction to a fine not exceeding Level 3 on the Standard Scale. (currently £1,000).
- 3.28 No collection shall be made without a licence being in place. Any collector will be liable on summary conviction to a fine not exceeding Level 1 on the Standard Scale. (currently £200)
- 3.29 Any person who acts in contravention of any of the foregoing Regulations will be liable on summary conviction to a fine not exceeding Level 1 on the Standard Scale. (currently £200).

- 3.30 Unauthorised use of a collector's badge or certificate is an offence. Any unauthorised collector will be liable on summary conviction to a fine not exceeding Level 3 on the Standard Scale. (currently £1,000).
- 3.31 It is an offence for any collector to fail to provide their name and address details to a Police Officer on request. The collector will be liable on summary conviction to a fine not exceeding Level 1 on the Standard Scale. (currently £200).
- 3.32 It is an offence to knowingly or recklessly make any false declarations/ statements in connection with any collection. Any promoter/collector will be liable on summary conviction to imprisonment for a term not exceeding 6 months or a fine not exceeding Level 3 on the Standard Scale (currently £1,000) or both.
- 3.33 This document should not be relied upon as an accurate statement of the law, only indicative of the general offences and penalties. You should seek independent legal advice if you are unsure of any information in this document.
