1. **Appointment of Chairman** – Councillor Boad was appointed as Chairman for the Panel.
2. **Declarations of Interest** – There were no declarations of interest.
3. **Application for a Street Trading Consent that is contrary to adopted Policy**

Having considered the report from Health and Community Protection and the representations from the applicant, the Panel have resolved to grant the street trading consent in accordance with the report and the application and subject to the general conditions as set out in Appendix 3 of the report, and a condition that the applicant only operates the business in strict accordance with the Covid-19 Risk Assessment submitted by the applicant dated September 2020.

Whilst the panel have concerns about the waste management and hygiene arrangements for the business and in particular the disposal of water waste by the business, the Panel note that the general conditions require that adequate arrangements for the same are put in place. The Panel, however, request that inspections are carried out by the relevant teams within Health and Community Protection at the earliest opportunity to ensure that adequate arrangements have been put in place and that the conditions of the consent are being complied with.
