

Addendum to Executive July 10th – Adoption of the Custom and Self-build SPD, Item 12

1. Following Member feedback, the following two amendments are proposed to the publication draft of the SPD, presented as Appendix 2 of Item 13.
 - 1.1 Page 3, line 21 - “principle” amended to “principal”
 - 1.2 Page 11 d) iv) - “foul water” amended to “water and foul water”, to bring it in line with the Custom and Self-build Regulations
2. The above amends will ensure clarity and accuracy in the final document.

David Butler, Business Manager Policy & Delivery
