September 2024 meeting:

At O&S 19 September 2023 the Committee requested an update on the Resident Engagement Strategy (report to Cabinet August 2023). The Committee is keen to understand a) how is it going? And b) what are we learning? (include some examples of changes that have been made as a result of the consultation.)

The question that sits behind this is as-to whether this is a good use of the Council’s resources. There are benefits to us as a Council from getting resident feedback and what we’d like to get is visibility of those. This is ‘value for money’ in its broadest sense (No need to come with figures and a ROI.)

Housing is one of the biggest ways that we impact residents’ lives and getting a bit more visibility amongst members of some of the good things we do but also some of the challenges residents face will be valuable.

October 2024 meeting:

At O&S 3 October 2023, the Committee requested that the Corporate Strategy should be reviewed on a yearly basis, in the same way that the annual governance statement comes through scrutiny to make sure the Council is properly governed. More specifically, the Committee would like to see an annual strategy progress update, looking at the big picture and how the Council is working towards its goals and values. For more details, please see 3 October 2023 minutes.
