I am objecting to the renewal of the Shades SEV Licence on the following grounds:

Many people wishing to attend the Gurdwara have to pass the Sex Club on their way from the residential area in other areas of Leamington Spa. Many of the elderly people travel by bus and have to use the bus stop outside the Sex Club and feel very uncomfortable standing there.

We believe that the character of Leamington Spa is changed by having a Sex Club in one of the most important routes into the town.

Many of our members attend the Hindu Community Centre and their activities are curtailed by the presence of the Sex Club so close to them because people choose to avoid the area.

When members of our community use the railway station they find it distasteful to have to pass the Sex Club and are very unhappy to welcome visitors to Royal Leamington Spa with one of the first buildings visible from the station is a Sex Club.

We have supported the regeneration of Old Town over many years, and we believe that the presence of the Sex Club is holding this back.

We wish to support the Hindu Religious Association in their campaign to have the Sex Club closed down because it is affecting their place of worship.

I wish to add my Objection to the Shades Application for renewal of their Sexual Entertainment Licence in support of the above statements.

The character of Royal Leamington Spa is changed by having a Sex Club in one of the most important routes into the town.

When people go to the railway station they find it distasteful to have to pass the Sex Club and it is most unfortunate that one of the first buildings visitors to Royal Leamington Spa on arriving at the station is a Sex Club.

Many people these days travel by bus and have to use the bus stop outside the Sex Club and feel very uncomfortable standing there.

People who walk home up Tachbrook Road to Kennan Avenue, Bury Road and Kingsway do not like having to pass a Sex Club on their way from the centre of town and in the evenings some people decide to walk the long way round in order to avoid the people standing outside smoking or coming out of the Sex Club.

The Old Town has been the subject of regeneration for the past many years, and the presence of the Sex Club is definitely holding this back.

Businesses in Old Town are suffering, despite the efforts of the Mary Portas funding, because a lot of people will not visit an area where there is a Sex Club.

It is unacceptable that the Hindu Religious Association has their very busy place of worship so close to the Sex Club.

**Objection to application WDCSEL004, 08/08/2013: Shades, 6a High Street, Leamington:**

The objection by the [REDACTED] to this SEV is unchanged since I wrote on three previous occasions. I reiterate the objections I made then:

1. Proximity to residential premises. The only entrance to Shades is in Wise Street, a short vehicular and pedestrian cul-de-sac with a number of residences. It is almost opposite nine flats in Wise Street, with three Victorian dwellings beyond in Wise Terrace; Shades is also close to a terrace of more homes in Tachbrook Road. In addition nearby there is a new block of over 225 student rooms opposite the Railway Station; the entrance to these rooms is less than two minutes on foot to Shades.
2. Harmful to regeneration. Warwick District Council is working to regenerate Old Town by possible relocation of its head-offices from Riverside House to Court Street area in Old Town. At the same time the local business community (the Old Town Business Association) is striving to improve the area. SEVs like Shades do not help the efforts of either WDC or OTBA.
3. Proximity to community facilities. Shades is located immediately next to a charity helping those with Alzheimer's disease and a hockey club many of whose members are teenagers. Cleary's Boxing Club is only yards further along in Wise Terrace.
4. Proximity to Railway Station. The venue is close to Leamington Railway station, used by an average of 5,000 passengers a day (Office of Rail Regulator data). The last passenger trains arrive at and leave the station after midnight.
5. Proximity to places of worship. Shades is close to a place of worship with associated social facilities (the Lord Krishna Temple and Community Centre).

When considering whether a licence should be refused, Section 3.2 of WDC's **Licencing Policy for Premises to be licensed as sex establishments**, states that these are all potential reasons for an application to be refused.

Therefore, if this application is granted, the implication is that none of the above five reasons are relevant. Thus Shades is not near any residential properties, any community facilities, any place of worship. It would be perverse to make such a claim, or deny that Shades might impede regeneration.

We trust the application by Shades will be rejected, as it did on 14 June 2011 and on 15 March 2012.

To quote the WDC Regulatory minute of the June 2011 meeting:

*"Having considered the application, the written representations, submissions from all parties at the hearing on 14 June 2011, the relevant legislation and Council policy the Committee were of*

*the opinion that the application should be refused in line with the Council's Statement of Licensing Policy for "Premises to be licensed as sex establishments" paragraph 3.2 (A) and (D), in line with appendix f 3(d) i. and ii which reflects schedule 3 of the Act, the Committee considers that the granting of the SEL is inappropriate.*

*The Committee had regard particularly to schedule 3 12(d)(i) and (ii) in coming to this decision.*

*The Committee were mindful of the character of the area which includes, in close proximity to the establishment, residential and religious premises and the character of Wise street, being a cul-de-sac, means that residents of Wise Street have to pass the entrance to the premises.*

*The Committee found that the presence of flats in the locality, meant that it was to be characterised as a residential area, together with the WDC SEL policy at para 3.2, and schedule 3 12(d) (i) it was therefore inappropriate for the grant of the license.*

*Further, the presence of a place of worship (Shree Krishna Mandir temple) in close proximity means that the character of the area also makes it inappropriate for the SEL to be granted.*

*In considering (d)(ii), the committee further found that the presence of residential flats and a place of worship made the grant of an SEL so close to be inappropriate.*

*The committee, in considering to refuse the grant of the license has had regard to Article 1, protocol 1, and article 10 of ECHR, and do not find that they carry sufficient weight to overcome the objections to the grant of the SEL. The committee found that it was in the public interest not to grant the SEL.*

...

The March 2012 meeting rejected another application by the Ransfords for similar reasons.

The reversal of this decision on 14 August 2012 of the third application was inconsistent with the two previous decisions.

Businesses in Old Town are suffering, despite the efforts of the Mary Portas funding, because a lot of people will not visit an area where there is a Sex Club.

It is unacceptable that the Hindu Religious Association has their very busy place of worship so close to the Sex Club.

I wish to add my Objection to the Shades Application for renewal of their Sexual Entertainment Licence in support of the above statements.

I am objecting to the renewal of the Shades SEV Licence on the following grounds:

Many people wishing to attend the Gurdwara have to pass the Sex Club on their way from the residential area in other areas of Leamington Spa.

Many of the elderly people travel by bus and have to use the bus stop outside the Sex Club and feel very uncomfortable standing there.

We believe that the character of Leamington Spa is changed by having a Sex Club in one of the most important routes into the town.

Many of our members attend the Hindu Community Centre and their activities are curtailed by the presence of the Sex Club so close to them because people choose to avoid the area.

When members of our community use the railway station they find it distasteful to have to pass the Sex Club and are very unhappy to welcome visitors to Royal Leamington Spa with one of the first buildings visible from the station is a Sex Club.

We have supported the regeneration of Old Town over many years, and we believe that the presence of the Sex Club is holding this back.

We wish to support the Hindu Religious Association in their campaign to have the Sex Club closed down because it is affecting their place of worship.

I wish to add my Objection to the Shades Application for renewal of their Sexual Entertainment Licence in support of the above statements.

The character of Royal Leamington Spa is changed by having a Sex Club in one of the most important routes into the town.

When people go to the railway station they find it distasteful to have to pass the Sex Club and it is most unfortunate that one of the first buildings visitors to Royal Leamington Spa on arriving at the station is a Sex Club.

Many people these days travel by bus and have to use the bus stop outside the Sex Club and feel very uncomfortable standing there.

People who walk home up Tachbrook Road to Kennan Avenue, Bury Road and Kingsway do not like having to pass a Sex Club on their way from the centre of town and in the evenings some people decide to walk the long way round in order to avoid the people standing outside smoking or coming out of the Sex Club.

The Old Town has been the subject of regeneration for the past many years, and the presence of the Sex Club is definitely holding this back.

Businesses in Old Town are suffering, despite the efforts of the Mary Portas funding, because a lot of people will not visit an area where there is a Sex Club.

It is unacceptable that the Hindu Religious Association has their very busy place of worship so close to the Sex Club.

I wish to add my Objection to the Shades Application for renewal of their Sexual Entertainment Licence in support of the above statements.

I feel this is an inappropriate licence to be given to a club so close to student accommodation. There are several hundred students living in Wise St & Station House.

The female students living in Wise St & Wise Terrace can only enter the accommodation by passing this establishment, I know of several who have raised ~~the~~ their concerns.

I object to the granting of this licence on the basis of close proximity to student accommodation.

I am objecting to the renewal of the Shades SEV Licence on the following grounds:

Many people wishing to attend the Gurdwara have to pass the Sex Club on their way from the residential area in other areas of Leamington Spa.

Many of the elderly people travel by bus and have to use the bus stop outside the Sex Club and feel very uncomfortable standing there.

We believe that the character of Leamington Spa is changed by having a Sex Club in one of the most important routes into the town.

Many of our members attend the Hindu Community Centre and their activities are curtailed by the presence of the Sex Club so close to them because people choose to avoid the area.

When members of our community use the railway station they find it distasteful to have to pass the Sex Club and are very unhappy to welcome visitors to Royal Leamington Spa with one of the first buildings visible from the station is a Sex Club.

We have supported the regeneration of Old Town over many years, and we believe that the presence of the Sex Club is holding this back.

We wish to support the Hindu Religious Association in their campaign to have the Sex Club closed down because it is affecting their place of worship.

I wish to add my Objection to the Shades Application for renewal of their Sexual Entertainment Licence in support of the above statements.

When people go to the railway station they find it distasteful to have to pass the Sex Club and it is most unfortunate that one of the first buildings visitors to Royal Leamington Spa on arriving at the station is a Sex Club.

Many people these days travel by bus and have to use the bus stop outside the Sex Club and feel very uncomfortable standing there.

People who walk home up Tachbrook Road to Kennan Avenue, Bury Road and Kingsway do not like having to pass a Sex Club on their way from the centre of town and in the evenings some people decide to walk the long way round in order to avoid the people standing outside smoking or coming out of the Sex Club.

The Old Town has been the subject of regeneration for the past many years, and the presence of the Sex Club is definitely holding this back.

Businesses in Old Town are suffering, despite the efforts of the Mary Portas funding, because a lot of people will not visit an area where there is a Sex Club.

It is unacceptable that the Hindu Religious Association has their very busy place of worship so close to the Sex Club.

I wish to add my Objection to the Shades Application for renewal of their Sexual Entertainment Licence in support of the above statements.
