Dear Sirs

Reference; Peeping Tom – Full Variation of Licence

I would like to submit an objection to the full variation of licence application by Hickory's under the 'prevention of crime and disorder' and the 'prevention of public nuisance' for the following reasons.

I have no objection against the 09:00 opening hours, my objection is against the extended hours after midnight.

It is well recognised that there is a direct link with crime and disorder and alcohol consumption. What may start as a pleasant evening out can and does escalate out of control. As these licencing hours exceed other relatively local establishments hardy drinkers would see this as an opportunity to further their drinking sessions. This opens up the possibility to nuisance as they forget those around them and any noise/disturbance they may cause. With the Peeping Tom being in a semi-rural position this also raises concerns about drink-driving due to accessibility.

I understand that there will also be an 'Entertainment's Room', and I'm aware that other Hickory sites have Hen Parties, 18<sup>th</sup> Birthday Parties etc. which again gives rise to noise upon them arriving, during and leaving. There is significant amount of TV coverage which regularly show how these types of events can get "out of control". The effect upon a semi-rural community will be felt far more than in a active city centre.

There is also the potential for Hickory's to get a reputation as being an unsavoury place to visit furthering the criminal fraternity to frequent it as others would prefer not to be associated with it. I do not believe I'm taking this to extremes and I do not think all unsavoury clubs/bars/pubs started out that way....circumstance just provided the environment. The Peeping Tom would be off the radar...away from prying eyes.

Recently Warwick District Council advised that the population of Burton Green was made up of a majority of older people, or words to that effect, and that they wanted to encourage younger people to the area. If the noise pollution from revellers and traffic affects young children sleeping are they really going to want to reside in the area?

If visitors cannot get public transport or taxi's to take them home, and they don't have transport after closing time, they will try and walk to a more convenient place giving rise to

noise and disturbance as they leave. Private property can become a portal for their frustration.

My last point on this topic is how the Police (with numbers reducing significantly) will be able to deal with any disturbances that do get out of control or drink-driving? The Police & Crime Commissioner Warwickshire states on his website “We are proud of our record in reducing crime .... improving the quality of life for Warwickshire residents.” – please see attachments. The extension of the licencing hours will not improve the quality of these, ‘Burton Green’, Warwickshire residents.

Yours faithfully,

Pippa Gardner

Evidence to the above text

**Police & Crime Prevention Commissioner Warwickshire**

Warwickshire Police <http://www.warwickshire-pcc.gov.uk/wp-content/uploads/2014/10/CSA-PCP-for-SWPB-1.pdf>

“I am very pleased to introduce the Warwickshire Community Safety Agreement for 2014-15, aligned for the first time this year to the Police and Crime Commissioner’s Police and Crime Plan.

We are proud of our record in reducing crime .... improving the quality of life for Warwickshire residents. There were 78 crimes recorded per day in 2013/14, ..... resulting in **fewer victims and less harm to communities.**

Effective partnership working is key to our ongoing success **in reducing crime and anti-social behaviour in Warwickshire**.....to address the priorities set out in this agreement.”

---

**Institution of Alcohol Studies**

<http://www.ias.org.uk/Alcohol-knowledge-centre/Crime-and-social-impacts/Factsheets/UK-alcohol-related-crime-statistics.aspx>

**UK alcohol-related crime statistics**

‘Alcohol-related crime’ is a popular rather than a legal term. Normally, it is used to refer to 2 main categories of offences:

- Alcohol-defined offences such as drunkenness offences or driving with excess alcohol
- Offences in which the consumption of alcohol is thought to have played a role of some kind in the committing of the offence, usually in the sense that the offender was under the influence of alcohol at the time. Examples of offences often committed by people under the influence are assault, breach of the peace, criminal damage and other public order offences

It has been estimated that in a community of 100,000 people each year, 1,000 people will be a victim of alcohol-related violent crime.

You're here: [Home](#) / [News](#) / 2016 / 22 April 2016 – Emergency service leaders call for lower drink-drive limit

## News

### Emergency service leaders call for lower drink-drive limit

Representatives from the Police, Paramedic and Fire Services have today written to the Transport Secretary, Patrick McLoughlin, calling on him to lower the legal drink-drive limit.

The letter coincides with the report stage in the House of Lords today of a bill to lower the drink-drive limit. The *Road Traffic Act (Amendment)* bill, introduced by Lord Brooke of Alverthorpe, is aimed at lowering the limit from 80mg alcohol per 100ml blood to 50mg/100ml.

The letter is signed by the Police Federation's Road Policing Lead, Jayne Willetts, the General Secretary of the Fire Brigades Union, Matt Wrack, and the Chair of the College of Paramedics, Andy Newton, who outline the impact of drink-driving on the emergency services, saying:

"Drink-driving places significant pressure on the emergency services, causing thousands of road traffic incidents every year which have to be addressed by police forces, fire services and paramedics. There has been no reduction in drink-driving deaths since 2010, and surveys show that significant numbers of drivers still put themselves, and others, at risk."

England and Wales have one of the most lenient drink-drive limits in Europe, set at 80mg of alcohol per 100ml of blood. Drivers who drink up to this current limit are six times more likely to die in a car crash compared with drivers who have not drunk. Scotland lowered the limit for drink-driving in 2014 to 50mg/100ml and after nine months rates of drink-driving offences fell by 12%. The only other country with a legal limit as high as the UK's is Malta, with every other European country setting its limit at 50mg or lower.

Signatories to today's letter say:

"Reducing the limit to 50mg would ease the burden on our emergency services, freeing up time and resource for other serious incidents. This change is consistently supported by over 70% of the public and, most importantly of all, it would save lives."

The letter puts further pressure on the government to lower the limit, as it follows [previous calls](#) from the Alcohol Health Alliance, medical royal colleges and road safety bodies for the limit to be lowered, and polling which has demonstrated high levels of public support for a lower limit. At the end of 2015, the Alcohol Health Alliance polled 5,000 people across the UK, finding that 77% support a lower limit.

Adapted from Alcohol Health Alliance press release. Please visit the [Alcohol Health Alliance website](#) to read the letter in full.

**To:** Licensing  
**Subject:** Hickory's (ROS) Ltd Application No WDCPREM 00192

I am writing to object to variation of the existing licence for Hickory's Smokehouse (formerly The Peeping Tom )

216,Cromwell Lane  
Burton Green  
CV4 8AP

My objections are that any increased opening hours in what is a residential area will incur further late night disturbance to neighbouring properties.

Longer opening hours will mean more traffic noise late into the night caused by both patrons and staff leaving the premises from 1 am onwards.

Granting of a late night refreshment licence will also contribute considerably to the above.

There may well be problems with parking on the premises which could lead to cars being parked on the road outside thus causing disturbance to neighbouring homes.

Cromwell Lane is a poorly lit road and parked cars could cause an accident risk.

Also opening at 9 am when the road is already congested with commuter traffic,plus in the not to distant future road closures and traffic from the building of HS2,will only serve to create more inconvenience to residents.

Surely the existing licence allows for sufficient trading hours for the business to run profitably without extending the opening times.

Extending the hours will also mean more light pollution/noise disturbing surrounding neighbours.

I hope you will take my objections into account when reviewing the application.

Mrs Frances E Law  
250,Cromwell Lane

PREVIOUSLY THE PEERING TOM WAS A RURAL PUB WITH USUAL CLOSING HOURS OF AROUND 11. PM WITH A 12 PM LICENCE FOR SPECIAL OCCASIONS

THE APPLICANT HAS ADDRESSED THE PROBLEM OF CRIME, DISORDER AND PUBLIC NUISANCE AT THE PUB ITSELF BY VACATING OUTSIDE AREAS BY 11.30

I AM SURE THAT FROM MY DEALINGS WITH HICKORYS THAT POLICING ~~THE~~ ANY DISORDER WILL BE EFFECTIVE.

IF VACATING OUTSIDE AREAS AT 11.30 IS NECESSARY TO PREVENT PUBLIC NUISANCE IT CANNOT BE RIGHT THAT LATE NIGHT REFRESHMENTS ARE SOLD FOR CONSUMPTION OUTSIDE THE PUB UNTIL 12.30 PM

THIS COULD LEAD TO NUISANCE IN THE CAR PARK AT ALL HOURS.

~~THEY NEED THE DATE~~

THE PROPOSED EXTENSION OF LICENCING HOURS TO 12 PM AND 12.30 WILL ONLY MAKE THINGS

**From:** Sue Powell <powellsue3@icloud.com>  
**Sent:** 13 May 2016 17:03  
**To:** Licensing  
**Subject:** Hickory Pub Cromwell Lane

Dear Sirs

Peeping Tom Public House Cromwell Lane Coventry. Application no. WDCPREM00192

Further to the recent application for variation of the license of the above premises I wish to make the following objections:-

Public Safety - I feel I must object strongly to the proposal for earlier and later opening of the pub with a major concern for public safety. Cromwell Lane is a very busy road servicing Westwood Heath and ultimately Warwick University. It is also a very narrow road and my concerns stems from people who will park on the road opposite my house (number 151) as they do now and cause blind spots for drivers leaving the pub. Inevitably, when you turn from the Peeping Tom car park you cannot always see what is coming from either way but if you are turning and heading towards Westwood Heath road there is a danger you will come out too far from the pub car park and this could cause a very nasty accident once on the road. Although they should not overtake along Cromwell Lane, should you do a traffic survey along here you will find this does occur and I feel this would add further weight to my argument.

Public Nuisance - I feel there is no need whatsoever to have a Take Away service offered by the Peeping Tom. Having lived here for 42 years with the Pub in existence there has been no trouble at all, but I feel with larger premises and broader appeal we are heading this way by selling food later at night AND as a takeaway. I feel we would have more people calling in at the pub for takeaway and this would cause much disruption to a relatively peaceful part of the City which is unnecessary at this late hour. My objection regarding public safety also applies here with traffic on the main road. Most other places offering late night food are not placed in the middle and opposite private dwelling houses. Also for the same reasons outlined above, I object to the longer hours of opening at the end of the day into the early hours of the morning. Noise could also add to the problem as we would hear car engines stopping and starting later in the day.

Litter would also be a concern of mine as even in a non residential area, the amount of litter floating around is beyond belief so we do not want this situation to occur so close to our properties.

Yours faithfully

Mr Joseph Geoffrey Powell

**Importance:** High

**HICKORYS SMOKEHOUSE - OBJECTION - WDCPREM 00192**

Dear Sir/Madam

Public Nuisance

Hickory's Smokehouse, also known as the 'Peeping Tom Pub', is set in the quiet semi rural village of Burton Green surrounded to three sides by residential properties. The current premises licence allows for the sale of alcohol on or off the premises 7 days a week up until midnight with a closing time of 00.30 for the premises. It is worth noting that there is no public transport accessible at this time in Burton Green, so generally private vehicles are the prime means of transport. Consequently, even with the current licensing closure time, residents are inevitably subjected at this time of night/morning to loud conversations from leaving customers together with the associated car door slamming, engine revving and car radio playing. Although notices asking for consideration to neighbours at closing time have been posted in the pub the noise and disturbance is almost inevitable.

Hickory's proposal to extend the licence to sell alcohol by a further 30 minutes to 00.30 on a weekend (Friday to Sunday) with an additional 30 minutes on the opening time (1.00 am) will seriously increase the noise, nuisance and disturbance to the residents in the vicinity of the premises. This will be added to as the extension of the premises will bring higher throughput and therefore higher noise and disturbance even closer to the residents.

The licensing situation is further exacerbated by the request for a late night refreshment licence which matches the sale of alcohol extensions on the weekend allowing the sale of both drink and late night refreshments either in house or takeaway. The takeaway service is offered by all other Hickory sites and this was verified by my telephone conversations with them on 29 April 2016. This can and will be used by customers who may have been at other 'cheaper' public houses earlier in the evening, thereby, creating the potential for disorder at Hickory's premises in Burton Green. As large numbers of customers may gather at premises serving late night drink and refreshment this will significantly extend the level of noise, nuisance and disturbance that can be expected.

This scenario is supported by the fact that the nearest public house, which interestingly does sell discounted priced alcohol versus the Peeping Tom is the Bell Inn (Station Avenue) in Tile Hill Village which has a premises licence which curtails the sale of alcohol to midnight (7 days a week) in line with the current Peeping Tom licence. Similarly, pubs in nearby Kenilworth such as the 'Green Man' Warwick Road and the Bear and Ragged Staff limit the sale of alcohol to midnight.

It is interesting to note that in the only other premises that Hickory's Smokehouse operate which is in a residential area is in Village Road, West Kirby on the Wirral. The sale of alcohol ceases at 23.30 apart from Friday and Saturday when it is midnight. Closing times are midnight apart from Friday and Saturday when it is set at 00.30.

There are numerous examples of public houses/restaurants in Warwickshire sited in residential areas where the sale of alcohol is restricted to midnight or earlier e.g. the Stag's Head, Offchurch - 23.00, Cricketer's Arms, Leamington - 23.00.

Whilst we want commercial success for Hickory's venture in Burton Green, this is a residential, semi rural location more in keeping with Hickory's site on the Wirral where midnight is the latest time for the sale of alcohol. Extending

the closing times of the current licence is unnecessary and will infringe dramatically on noise disturbance and nuisance at unacceptable, unsociable times of the early morning. Further extending the licensing hours at night will severely affect privacy and result in material harm to the living conditions of the residents. I would therefore suggest that such extensions are inappropriate in a residential area like Burton Green and urge that the licensing times are retained in line with the existing licence for the Peeping Tom.

Finally, the application to extend opening hours at 9.00 am in the morning 7 days a week versus the current opening times of 11.30 am (Monday to Saturday) and 12.00 noon on Sunday will result in a significant increase in traffic in Cromwell Lane which is already heavily congested weekday mornings with traffic heading for Westwood Heath Road and Tile Hill Village. As there are further planned housing developments of over 500 houses in the Burton Green area, plus the impact of HS2 without any transport/road infrastructure improvements, then road congestion will only worsen without adding to it with breakfast traffic from the Hickory premises.

In addition, this early 9.00am opening will result in nearby residents having to contend with incessant noise and disturbance for up to 16 hours a day for 7 days (9 am to 1.00 am). This would be very intrusive for the privacy and living conditions of nearby residents. I would request therefore that the 9.00 am opening is restricted to the weekends only i.e. Saturday and Sunday when traffic is lighter and disturbance and nuisance to the residents would be minimised and limited.

**IN SUMMARY I would ask that the closure times for the sale of alcohol and the late night refreshment licence is kept at midnight for 7 days a week as per the current licence and in addition opening times during the week (Monday to Friday) is 11.00 am.**

<input checked="" type="checkbox"/>	I object to the application being granted in it's current form (If you choose this option remember to tell us in the next section what changes you would like to see)

Our objection is based on the following:
--

You need to complete this box as fully as possible. If you do not then the Committee may not understand why you have objected.

Please attach supporting documents / further pages as necessary - Please number all extra pages

The increase in opening hours at night and the application to service refreshments between 2300-0030 are both objected to.

These will have a high probability of causing public nuisance. The Hickory Smokehouse is located in a quiet residential area with close proximity to housing unlike their other sites. The potential for increased noise after midnight is not in keeping with the nature of the area causing significant inconvenience to local residents through increased noise, at what will be anti-social hours (that is, when most residents will be asleep). There are no other premises in Cromwell Lane that cause noise at night. There are no takeaway food premises within 0.5 miles of the Hickory Smokehouse open so late. Noise will arise from increased cars arriving and leaving the car park to utilise the later opening hours and to buy food and beverages, which can be taken away. There will be increased noise of cars revving, changing gears, and light pollution from headlights shining into resident's houses. People visiting the Smokehouse late at night for food and beverages will likely have already been utilising other licenced premises and maybe already enjoying the alcoholic beverages consumed elsewhere; they might normally have gone home but now with the chance to now enjoy further alcohol and food they will come to the Hickory Smokehouse in Cromwell Lane, a quiet residential area. The appreciation of the beverages is likely to be expressed through shouting and corralling in the car park, which will disturb local residents. There will be a potential for anti-social behaviours such as public urination on the street or even on the properties of local residents.

Increased noise and public nuisance behaviours will likely continue after the proposed extended closing hours.

Customers will not leave immediately the closing hour comes; there will likely be congregation in the car park with shouting, car door slamming etc

The extended opening hours with availability of alcohol and beverages ate at night in what is a quiet residential area will be completely out of keeping with the local community.

Signed.....Jane Kenney-Herbert.....  
Date...15.5.16.....

## NOTES

- Please complete all information or your objection may not be considered.
- Try to be as specific as possible and give examples e.g. on 1 February I could hear loud music from the premises between 10pm and 1 am I am concerned that if the premises open until 2 am this will cause a nuisance to me and other residents of the street
- Groups may include a Residents Association, Parish or Town Council, District Council Ward Councillor (list residents who have approached you to represent them), trade association
- If you do make a representation you will be invited to attend a meeting of the Licensing Authority's Panel and any subsequent appeal proceeding. If you do not attend, the Panel will consider any representations that you have made and apply any weight to it they deem appropriate
- This form must be returned within 28 days from the day after the application was made. The exact date may be found on the council's website.
- The objection may only relate to one or more of the four licensing objectives.

Please return this form when completed to:

Dear Sir or Madam,

I would like to support Application No. WDCPREM00192

Hickory Smoke House, 216 Cromwell Lane, Burton Green CV4 8AP

Hickory [ROS]Ltd. are giving the Peeping Tom a very much needed face lift and will be providing local employment for the area, particularly for the younger generation.

Looking at the plans and their other branches I feel sure they will provide a place that the community will feel proud to walk to and support. I am very pleased the pond is being reinstated to its former glory and I am sure the whole build will enhance the whole village giving us a good family amenity alongside our Village Hall. Unfortunately the popularity of the Peeping Tom has drooped drastically over the years, lacking a much needed refurbishment in all areas. It is important to a community to have a local good pub who welcome all ages, so many are being lost, I am looking forward to its reopening and being a more frequent user in the future.

I support the change in licensing hours.

Yours faithfully

Deirdre Vernon

Dear Sir or Madam

We wish to support Application No: WDCPREM00192

Hickory Smoke House, 216 Cromwell Lane, Burton Green CV4 8AP

We have lived in Burton Green for 31 years and have seen the former 'The Peeping Tom' pub experience great popularity at times, but in recent years it has become a shadow of its former self.

This venue is one of the few places residents in Burton Green can walk to, however many of us have not visited it for many years due to the general ambience and the tired décor.

The new owners are putting life back into the pub and the village, by providing a focal point for the residents and also in providing much needed local employment, especially for local young people.

The company has worked with the local community and they have kept us informed of their plans for the development of the site. In our view they have acted in a responsible and caring manner throughout. We believe that the conditions agreed with the licensee on this application will mitigate any noise concerns for local residents

It is important to the residents of Burton Green to have a local pub and good quality restaurant which welcomes people of all ages. We look forward to the venue re-opening and we fully expect to be regular customers of this much needed amenity in the village.

We fully support the change in licensing hours.

Dear Sirs

We wish to support the above application for the Hickory Smoke House in Burton Green, and support the change in licensing hours.

Hickory (ROS) Ltd have worked with the residents of Burton green community, kept us informed and listened to and addressed comments.

The refurbishment of the Peeping Tom is transforming from a seedy run down pub to an establishment that we will enhance the status of the village and give us a 'local' to be proud of.

They are employing local people, improving the pond in the gardens and are intent on providing a good restaurant and pub, something that has been lacking here for many years.

We are looking forward to being able to walk to our own 'local' which will most certainly be a focal point for our community.

Mike and Jackie Lynch
