

Local Council Charter 2023 – final draft document April 2024

A Charter for Warwickshire County Council and Borough, District, Parish and Town Councils within Warwickshire. There are currently no Parish and Town Councils in the Nuneaton and Bedworth Borough.

Introduction and background

The overall aim of the Charter is to improve relationships between the tiers of local government in Warwickshire, by improving both consultation and communication about policies and decisions that may affect local communities.

There are three levels of local government in Warwickshire: Warwickshire County Council, the five District and Borough Councils and the Parish and Town Councils. Warwickshire County Council, and the District and Borough Councils who have signed up to this Charter are together referred to as **Principal Councils**. The Parish and Town Councils are referred to as **Local Councils**. This document is a framework to support a mutually beneficially working relationship between these different levels of local government in Warwickshire. Working better in partnership will benefit local people.

Principal Councils deliver a wide range of services across the county. Services are either for everyone (universal), targeted or specialist but all are there to meet people's needs.

Local Councils are the level of government where decisions are made or influenced at the most local level. There are 204 parishes in Warwickshire including 35 Parish Meetings.

The Principal Councils recognise that Local Councils are the grass-roots of local government bringing the voice of their local community into local decision-making. Likewise, the Local Councils understand the strategic role that Principal Councils play in ensuring services are delivered fairly and equitably across their areas. Whilst nothing in this Charter can be used to bind the individual councils where they should be exercising their discretion, the aim is to recognise the value that each tier of local government brings and make a commitment to work together for the benefit of the people of Warwickshire.

All Councils' values and behaviour will adhere to the Nolan Principles in public life - Selflessness, Integrity, Objectivity, Accountability, Openness, Honesty, and Leadership. All of the Councils are required by law to adopt a Member Code of Conduct, which is consistent with these Principles which all Councillors are expected to abide by. Local Councils will work with the Monitoring Officer at the Borough and District Councils to promote and maintain compliance with their adopted Code. When an alleged breach of the Code is reported, members of Borough and District Councils and Local Councils will comply with the procedure set out for dealing with alleged breaches of the Code and assist the Monitoring Officer at the Borough and District Councils in any investigation.

Warwickshire and West Midlands Association of Local Councils (WALC) Ltd is a membership organisation for Local (Parish and Town) Councils.

- WALC offers advice, support, and training to all member Councils.

- WALC's mission is to support Local (Parish and Town) Councils to deliver and improve services in the communities where they live and work.
- WALC works in partnership with all tiers of local Government to support Local (Parish and Town) Councils.
- WALC encourages good working relations, acting as the bridge between the tiers and communicates important information to member Councils and County/Borough/District partners.

County, Borough & District Councils deliver a wide range of services that are either for everyone (universal), targeted or specialist.

Decisions are taken at all levels; Parish and Town Councils are the level of government where decisions are made or influenced at the most local of levels, closest to the residents.

Appendix 1: Principal Councils' Parish Champions Role Profile

Parish Champion – Role Profile

Purpose

The Charter is a framework to support mutually beneficial working relationship between tiers of authority within Warwickshire. Within the Charter is the commitment that each Principal Council will appoint a “Parish Champion” to act as a link with Local Councils . This document identifies the role and the commitment that is expected from this “Parish Champion”.

Main Responsibilities:

- To raise awareness and have regard of issues affecting Local Councils within the Principal Council;
- To respond to invitations from Local Councils to attend meetings of mutual interest;
- The first point of contact for Local Councils should be the local ward/division member, however, in the event of on-going concerns relating to dealings with the Principal Council they should refer to the Parish Champion;
- To ensure that Local Council’s view are taken into account when the Principal Council undertakes consultation;
- To facilitate discussions in relation to the possibility of devolving services to Local Councils;
- To encourage joint training events including Councillors from the Principal Councils and Local Councils
- Where requested to do so, to respond to invitations to attend Warwickshire and West Midlands Association of Local Councils (WALC) Area Meetings;
- To attend other Local Council liaison meetings as appropriate;
- To liaise with the Parish Champions from the other Principal Councils as required.

In order for the role to have a meaningful impact it is suggested that the role should be undertaken by a Member of the Cabinet, or senior Councillor within the Principal Councils.
