Warwick District Council

Anti Fraud Policy and Strategy

WARWICK DISTRICT COUNCIL HOUSING & COUNCIL TAX BENEFIT ANTI-FRAUD POLICY

- 1. <u>Statement of Intention</u>
- 1.1 Warwick District Council (the Council) is committed to the delivery of Housing Benefit and Council Tax Benefit to its citizens. Benefits are for those who are most vulnerable in society and should be assessed and paid within Government Guidelines.
- 1.2 The Council is committed to ensuring that claimants get the benefits to which they are entitled and we will ensure that benefits are taken-up by those people who need to access the service.
- 1.3 However, the Council understands that some people will attempt to obtain benefit to which they are not entitled. Sometimes this is done with planning and intention. Where intention and planning is involved, then the Council will consider the circumstances of the individual and, where appropriate, will consider prosecution under the Social Security Administration Act (1992) 111A, The Fraud Act 2007 or The Theft Act 1968.
- 2. <u>Action on Overpayment of Benefit</u>
- 2.1 In some instances, benefits or extra benefits will have been obtained from the Council where there is no entitlement, e.g. due to a change in circumstances. This may have been done without planning, but with knowledge that the changes in personal circumstances may affect benefit entitlement and that the change should have been reported to the Council. Under these circumstances, the Council will consider the particulars of the individual case and, where the claimant could reasonably be expected to know that the failure to report the change in circumstances would cause an overpayment of benefit, the Council will consider prosecution under the Social Security Act 1992 s. 112 or the Theft Act 1968.
- 2.2 Where appropriate, the Council will consider applying an overpayment penalty, or issuing a local authority caution.
- 2.3 In some circumstances, it is not in the public interest to take action against a person who has made either a false claim, or has failed to report a change in circumstances which has resulted in them obtaining benefit to which they were not entitled. Under these circumstances, the Council will seek to recover any overpaid Benefit. It would not be the Council's intention to place the claimant into hardship, but failure to come to a reasonable arrangement for repayment may result in taking civil recovery through the courts.
- 3. <u>Action on Overpayment of Benefit to Landlords</u>
- 3.1 In some circumstances payments of benefit can be made directly to landlords on behalf of the claimant. There may be cases where landlords falsify claims or assist claimants to falsify claims for benefits. Landlords who commit an offence under the Social Security Administration Act 1992 s. 111A or The Fraud Act 2007 will be prosecuted by the Council.

- 3.2 Landlords who are receiving benefit directly are also obliged to report any changes in their tenants' circumstances. The Council makes landlords aware of their duty to report known changes and failure to do so is an offence under the Social Security Administration Act 1992 s.112. Where an offence has been committed, the Council will consider prosecution and will recover any overpaid benefit. The Council will prosecute any persons involved in planned-fraud involving more than person. The Council will use all the powers granted by the Secretary of State for Social Security under the Social Security Administration Act 1997.
- 4. <u>Working in Partnership with Other Organisations</u>
- 4.1 Where necessary, the Council will work in co-operation with other organisations such as the Police, Department for Works and Pensions, Home Office and Her Majesty's Revenue and Customs in order to combat organised benefit fraud.
- 5. <u>The Data Protection Act</u>
- 5.1 The Council will be correctly registered under The Data Protection Act 1998. Where required, the Council will use exemption 29/3, in order to protect those organisations who may have information to supply to the Council in its investigation of fraud.
- 5.2 The Council has issued a Data Protection Policy which governs the conduct of all employees in handling personal data.
- 6. <u>Duties and Considerations of Anti-Fraud Officers</u>
- 6.1 When investigating fraud, council fraud investigators will work within the guidelines of the Police and Criminal Evidence Act and apply the Council's policies on equal opportunities and customer care. The Council's officers will at all times apply appropriate procedures to maintain confidentiality.
- 6.2 It is the duty of the fraud investigators to investigate all referrals of suspected or alleged benefit fraud and to establish the facts of each case.
- 7. <u>Duties and Considerations of all Council Employees.</u>
- 7.1 The Council will require all Council officers involved in the administration of benefits to report to the Benefits Manager details of any property that they are renting to tenants and any claims of benefit to which they have some connection. This may be a claim for benefit where the officer is the landlord, the claimant, a partner, dependent or non-dependent on the application.
- 7.2 Gifts and hospitality offered to Council employees as a consequence of their role as an employee of the Council must be reported to a senior officer and registered in the Register of Gifts and Hospitality in accordance with the Employee Code of Conduct.
- 7.3 Any Council officer found to be involved in an offence under the Social Security Act 1992, or any criminal offence involving claims of benefit either at this Council, any other Council or the department for Works and Pensions will be disciplined under the Council's Disciplinary Procedures, in addition to any prosecution proceedings that may occur.

- 7.4 Where any Council Officer investigating a fraud abuses their powers, an investigation will take place with a view to taking disciplinary action.
- 8. Duties and Considerations of Elected Members
- 8.1 The Council will require all elected Members to report to the Benefits Manager details of any property that they are renting to tenants and any claims of benefit to which they have some connection. This may be a claim for benefit where the Member is the Landlord, the claimant, a partner, dependent or non-dependent on the application.
- 8.2 Interest in a benefit claim must be registered in the Register of Interests in accordance with agreed procedures.
- 9. <u>Whistleblowing Policy</u>
- 9.1 The Council has set out its policy on whistleblowing and Council employees and Elected Members are required to inform the Council of any abuse of power perpetrated by Colleagues. The Council will follow procedures set out in the policy when responding to allegations of abuse.
- 10. Benefit Administration and Counter-Fraud Action
- 10.1 The Council believes that it is important to discourage and prevent fraud from taking place in the first instance. The Council will implement vigorous procedures for the verification of claims. Although claims for benefit will be subject to close scrutiny, the Council is committed to delivering benefit within the official government time scales. Assistance will be given by the Council to claimants of benefits in completing and applying for benefit and to maximise take-up.
- 10.2 The Council's application form for Housing Benefit/Council Tax Benefit will include questions and instructions in plain language giving the customer clear directions to what is required of them. The form will carry warnings and information, so that the claimants will understand the risks to them should they choose to misinform the Council of their personal circumstances.
- 10.3 The Council have in place systems which will allow the customer to request assistance to complete their application form and to inform the Council of changes to their circumstances.
- 10.4 The Council is committed to controls designed to prevent fraud being perpetrated by its own staff. If misrepresentation is found to have occurred on the application form or interview, disciplinary procedures will be considered.
- 11. <u>Monitoring of Performance</u>
- 11.1 The Council will monitor performance of the Anti-Fraud Strategy through its Social Scrutiny Committee which will receive written reports from officers.
- 12. In Summary

The Council is committed to ensuring that people should get all the benefits to which they are entitled.

The Council will act against those people who systematically obtain benefits to which they are not entitled.

Any benefit obtained to which a claimant is not entitled will be repaid in full to the Council. However, the Council will take care not to place anyone into hardship.

The Council will respect the civil liberties of all persons involved in an investigation of alleged fraud.

The Council will monitor performance of the Anti-Fraud Strategy through its Social Scrutiny Committee.
