## 2. Options available to the Panel

- 2.1 Members are asked to consider the information contained in this report and decide whether the Street Trading Consent for Mrs Danielle Pike should be granted.

The following options are available to members:

Option 1 – Grant the consent as requested;

Option 2 – Grant the consent with amended hours and/or added conditions, or;

Option 3 – Refuse the application.

## 3. Details for Consideration

- 3.1 The Council's Street Trading Consent Policy (2016) states (at page 3) that:

*"In considering applications for the grant or renewal of a street trading consent the following factors should be considered:*

*a) Public Safety*

*Whether the proposed activity represents or could present a risk to the public from the point of view of obstruction, fire hazard, unhygienic conditions.*

*b) Public Order*

*Whether the proposed activity presents or could present a risk to public order.*

*c) The Avoidance of Public Nuisance*

*Whether the proposed activity presents or could present a risk of nuisance to the public from noise or misbehaviour, particularly in residential areas.*

*d) Local Area Needs*

*Consideration will be given to the character of the area (e.g. conservation area)"*

- 3.2 The Street Trading Consent Policy also states (at page 5) that:

*'Before a street trading consent is granted or renewed the Licensing Team will consult with the following agencies as considered appropriate:*

- Police*
- Highways Department*
- Environmental Health*

*The Council shall consider any representation made in writing to the Authority in respect of any application. The applicant will be provided with a copy of any representation received and given an opportunity to comment before a final decision is taken.'*

- 3.3 Details of the procedure adopted by the Licensing Committee for Panel Hearings have been supplied to the applicant. The procedure will be explained more fully by one of the Council's Legal Team at the commencement of the hearing.
- 3.4 Anyone who exposes goods for sale within the District needs a Street Trading Consent issued by the Council. Upon receiving the application officers referred to the current Street Trading Consent Policy which permits trading between the hours of 06:00 and 18:00.
- 3.5 Mrs Danielle Pike has applied for a Street Trading Consent to trade from a lay by on Ufton Hill/A425 to sell hot food. The application and photos of the site and trailer are attached as **Appendix 1**.
- 3.6 Warwickshire County Council Highways department and Warwickshire Police have objected to this application. The objections are attached as **Appendix 2**.
- 3.7 There has previously been a static street trader trading from this location from 2020 to 2022. During previous consultation periods there were no objections. The previous trader sold hot food and drink from a trailer throughout the week from 07:00 to 14:30. Licensing did not receive any complaints or concerns regarding this previous Street trader.
- 3.8 Warwickshire County Council were asked as to why there had not been previous objections at the site from 2020 -2022. Their response is within appendix 2.

#### **4. Legal comments**

- 4.1 The relevant legislation relating to street trading is set out in Schedule 4 of the Local Government (Miscellaneous Provisions) Act 1982.
- 4.2 The Council adopted the provisions of this Act in 2007 allowing the regulation and control of Street Trading and the current Street Trading Consent Policy which has been in force since October 2016 is attached at **Appendix 3**.
- 4.3 When granting or renewing a Street Trading Consent the Council may include any conditions that it thinks are reasonably necessary.
- 4.4 Without prejudice to the power of the Council to attach any conditions that they think are reasonably necessary, they may also include conditions specifically to prevent: -
  - a) obstruction of the street or danger to persons using it; or

b) nuisance or annoyance (whether to persons using the street or otherwise).

- 4.5 Every application must be considered on its' merits. What should, and should not, be considered will vary on individual circumstances. Matters to be considered include anything which a reasonable and fair-minded decision maker, acting in good faith, with proper regard to the interests of both the public and the applicant, could properly think it right to rely on.
- 4.6 In exercising discretion, the Panel must have regard to relevant matters and disregard irrelevant matters. If a decision is so unreasonable that no reasonable authority could ever have come to it, then the courts can interfere.
- 4.7 The purpose of the Policy of the Council concerning the grant of consent for street traders, is to try to ensure public order and safety, avoid nuisance and to meet local demand. However, the Policy guides, but does not bind or fetter the discretion of the Council.
- 4.8 Section 6 of the Human Rights Act 1998 states that a public authority cannot act in any way, which is incompatible with the rights enshrined in the European Convention on Human Rights. The relevant Convention rights in this matter, are the 'right to a fair trial' and the 'right to work'. Nonetheless, consent holders must work within the policy for the greater good of public safety."
- 4.9 The Local Government (Miscellaneous Provisions) Act 1982 does not provide any direct right of appeal against a decision made in relation to a Street Trading consent. Therefore, a Consent holder aggrieved by a decision would only be able to challenge any errors in the administrative process resulting in that decision, by making an application to the High Court for a judicial review. The application for judicial review must be made promptly following notice of the decision, and in any event no later than 3 months from the date of the decision.
- 4.10 Alternatively, applicants also have recourse to the Council's complaints procedure if the applicant considers that a Council service has not been properly delivered.
