# **Warwick District Council**

Local Development Scheme March 2020

## What is a Local Development Scheme?

- 1.1 This Local Development Scheme (LDS) has been prepared to give the local community and all interested parties information on:
  - the **current planning policies** that are being used for deciding applications within Warwick District; and,
  - the programme for reviewing these policies.
- 1.2 The Council is required to produce a LDS under the terms of the Planning & Compulsory Purchase Act 2004. The LDS is a three-year programme of work and is reviewed regularly.
- 1.3 The Government is committed to seeing LDS's implemented and in particular to ensure the milestones set out are achieved. The Council will ensure that these targets are met through good project management and annual monitoring.

## Warwick District's Local Development Scheme

- 1.4 Development Services within the Council has prepared this LDS. The overall project manager is the Head of Development Services. Day to day management of the LDS will be by Business Manager, Policy & Delivery. In producing this LDS, the Council is committed to the following:
  - to make the LDS as clear as possible to understand; and,
  - to publish the LDS on the Council's web site.
- 1.5 There are a number of commitments within the Local Plan (2011-2029) to review and/or update a variety of Development Planning Documents (DPD) and Supplementary Planning Documents (SPD), and these are detailed in Appendix 1. These commitments are due over the life of the Plan, and therefore the LDS needs to prioritise which to bring forward first, along with bringing forward documents that arise through other need. # **Existing Plans**

2.1 This section provides an overview of the planning documents that cover Warwick District at the present time, including those prepared by other planning authorities.

## **Adopted Plans**

- 2.2 The Warwick District Local Plan 2011-2029 was adopted by Warwick District Council in 2017 and is the principle document guiding planning decisions in the District.
- 2.3 Policy DS19 of the Local Plan commits the Council to "a comprehensive review of national policy, the regional context, updates to the evidence base and monitoring data before 31<sup>st</sup> March 2021 to assess whether a full or partial review of the Plan is required". Therefore, the

review work is programmed into the following work schedule, although the conclusion of that work cannot yet be predicted.

2.4 Warwickshire County Council is responsible for producing minerals and waste plans. These are specific topic-based Development Plan Documents (DPD) that relate to minerals extraction and dealing with waste development including the use of land for landfill and incineration. More information about these can be found at <u>https://www.warwickshire.gov.uk/mwds</u>.

#### **Neighbourhood Plans**

2.4 Neighbourhood Plans are brought forward by local Qualifying Bodies, often Town and Parish Councils. These Plans add further local emphasis to the strategic policies of the adopted Local Plan. Following an independent Examination, Neighbourhood Plans undergo a local referendum to gauge public support. If supported the plan is 'made' and is used alongside the Local Plan and other relevant DPD/SPDs in determining planning applications. An up-todate record of 'made' Neighbourhood Plans is maintained on our website [weblink].

### Authority's Monitoring Report (AMR)

- 2.5 The Council is required to monitor both the implementation of the LDS and the extent to which its planning policies are being implemented. For the purposes of this report, the policies of the adopted Warwick District Local Plan (2011-2029) are monitored.
- 2.6 It should be noted that the AMR is not a Local Development Document (LDD) and therefore is not included within the following workplans. The AMR will, however, be included within the LDF and be published on our website.

#### **Political Management of the Local Development Framework**

2.7 The Council's decision making arrangements are as follows.
