

Planning Committee

Minutes of the meeting held on Tuesday 21 July 2015 in the Town Hall, Royal Leamington Spa at 6.00 pm.

Present: Councillor Cooke (Chairman); Councillors Ashford, Boad, Mrs Bunker, Cain, Heath, Mrs Hill, Mrs Knight, Morris, Stevens and Weed.

26. **Substitutes**

Councillor Heath substituted for Councillor Mrs Falp.

27. **Declarations of Interest**

Minute Number 32 – W15/0594 – Leamington Lawn Tennis and Croquet Club, Guys Cliffe Avenue, Royal Leamington Spa

Councillor Weed declared an interest because the applicant was now a Warwick District Councillor.

Minute Number 37 – W15/0777 – 59 Albert Street, Warwick

Councillor Morris declared an interest because the application site was in his Ward and both objectors were known to him. He stated that he felt able to approach the matter with an open mind.

28. **Site Visits**

To assist with decision making, Councillors Ashford, Boad, Mrs Bunker, Cain, Cooke, Heath, Mrs Hill, Mrs Knight, Stevens and Weed had visited the following application sites on Saturday 18 July 2015:

W15/0936 – 1 Lancaster Place, Kenilworth

W15/0939 – 12 Coventry Road, Baginton

W15/0822 – Westfield House, Rugby Road, Weston under Wetherley

W15/0851 – Grove Farm, Harbury Lane, Bishop's Tachbrook

W15/0646 – Opus 40, Birmingham Road, Warwick

29. **Minutes**

The minutes of the meeting held on 23 June 2015 were agreed and signed by the Chairman as a correct record.

30. **W15/0851 – Grove Farm, Harbury Lane, Bishop's Tachbrook**

The Committee considered an outline application from A C Lloyd Ltd for residential development for (approximately) 520 dwellings together with two new accesses onto Harbury Lane, land for a Country Park, open space (including areas of formal and informal open space, allotments, structural landscaping and drainage works including surface water attenuation ponds as part of a Sustainable Drainage System), demolition of existing buildings, car parking and associated infrastructure.

PLANNING COMMITTEE MINUTES (Continued)

The application was presented to Committee because of the number of objections received, including one from Warwick Town Council.

The officer considered the following policies to be relevant:

The Current Local Plan

RAP1 - Directing New Housing (Warwick District Local Plan 1996 - 2011)
DP1 - Layout and Design (Warwick District Local Plan 1996 - 2011)
DP2 - Amenity (Warwick District Local Plan 1996 - 2011)
DP3 - Natural and Historic Environment and Landscape (Warwick District Local Plan 1996 - 2011)
DP4 - Archaeology (Warwick District Local Plan 1996 - 2011)
DP5 - Density (Warwick District Local Plan 1996 - 2011)
DP6 - Access (Warwick District Local Plan 1996 - 2011)
DP7 - Traffic Generation (Warwick District Local Plan 1996 - 2011)
DP8 - Parking (Warwick District Local Plan 1996 - 2011)
DP9 - Pollution Control (Warwick District Local Plan 1996 - 2011)
DP11 - Drainage (Warwick District Local Plan 1996 - 2011)
DP12 - Energy Efficiency (Warwick District Local Plan 1996 - 2011)
DP13 - Renewable Energy Developments (Warwick District Local Plan 1996 - 2011)
DP14 - Crime Prevention (Warwick District Local Plan 1996 - 2011)
SC1 - Securing a Greater Choice of Housing (Warwick District Local Plan 1996 - 2011)
SC4 - Supporting Cycle and Pedestrian Facilities (Warwick District Local Plan 1996 - 2011)
SC11 - Affordable Housing (Warwick District Local Plan 1996 - 2011)
SC12 - Sustainable Transport Improvements (Warwick District Local Plan 1996 - 2011)
SC13 - Open Space and Recreation Improvements (Warwick District Local Plan 1996 - 2011)
SC14 - Community Facilities (Warwick District Local Plan 1996 - 2011)
DAP3 - Protecting Nature Conservation and Geology (Warwick District Local Plan 1996 - 2011)

The Emerging Local Plan

DS2 - Providing the Homes the District Needs (Warwick District Local Plan 2011-2029 - Publication Draft April 2014)
DS5 - Presumption in Favour of Sustainable Development (Warwick District Local Plan 2011-2029 - Publication Draft April 2014)
DS6 - Level of Housing Growth (Warwick District Local Plan 2011-2029 - Publication Draft April 2014)
DS7 - Meeting the Housing Requirement (Warwick District Local Plan 2011-2029 - Publication Draft April 2014)
H0 - Housing (Warwick District Local Plan 2011-2029 Publication Draft April 2014)
DS11 - Allocated Housing Sites (Warwick District Local Plan 2011-2029 - Publication Draft April 2014)
DS13 - Allocation of Land for a Country Park (Warwick District Local Plan 2011-2029 - Publication Draft April 2014)
H2 - Affordable Housing (Warwick District Local Plan 2011-2029 Publication Draft April 2014)
H4 - Securing a Mix of Housing (Warwick District Local Plan 2011-2029 Publication Draft April 2014)

PLANNING COMMITTEE MINUTES (Continued)

BE1 - Layout and Design (Warwick District Local Plan 2011-2029 - Publication Draft April 2014)
BE3 - Amenity (Warwick District Local Plan 2011-2029 - Publication Draft April 2014)
TR1 - Access and Choice (Warwick District Local Plan 2011-2029 - Publication Draft April 2014)
TR2 - Traffic Generation (Warwick District Local Plan 2011-2029 - Publication Draft April 2014)
TR3 - Transport Improvements (Warwick District Local Plan 2011-2029 - Publication Draft April 2014)
TR4 - Parking (Warwick District Local Plan 2011-2029 - Publication Draft April 2014)
NP1 - Neighbourhood Plans (Warwick District Local Plan 2011-2029 - Publication Draft April 2014)
CC2 - Planning for Renewable Energy and Low Carbon Generation (Warwick District Local Plan 2011-2029 - Publication Draft April 2014)
FW4 - Water Supply (Warwick District Local Plan 2011-2029 - Publication Draft April 2014)

Guidance Documents

Affordable Housing (Supplementary Planning Document - January 2008)
Residential Design Guide (Supplementary Planning Guidance - April 2008)
Open Space (Supplementary Planning Document - June 2009)
Vehicle Parking Standards (Supplementary Planning Document)
Warwickshire Landscape Guidelines SPG
Sustainable Buildings (Supplementary Planning Document - December 2008)
Development Management Policy Guidance: Achieving a Mix of Market Housing on new Development Sites (Agreed by Executive - 19th June 2013)
Garden Towns, Villages and Suburbs - A prospectus for Warwick District Council (Consultation document - May 2012)
National Planning Policy Framework

The case officer was of the opinion that the Council's current position was that it could not demonstrate a five year supply of deliverable housing sites against the housing requirement, and Policy RAP1 was considered out-of-date. The scheme would contribute towards helping the Council achieve its five year requirement and granting outline permission for this site would increase the supply of land for housing which carried significant weight in this determination.

Although the examination of the emerging Local Plan was currently being held in abeyance, whatever the outcome and impact upon the District's housing supply requirement, this application site remained an allocated housing site and would contribute to the Council's current housing targets and assist in achieving and maintaining a robust five year housing supply. This was considered to be particularly important in strengthening the Council's ability to resist development on unallocated sites, particularly given the current uncertainty around required housing numbers.

It had been concluded that the matters raised could be satisfactorily addressed through the assessment of reserved matters applications, the provision of new facilities, and the provision of new infrastructure by way

PLANNING COMMITTEE MINUTES (Continued)

of financial contributions. The development would have an impact on the surrounding landscape in terms of the loss of openness and rural character, with a resulting decrease in the separation between the conurbation of Warwick/Royal Leamington Spa and Bishop's Tachbrook settlements, however, there was an opportunity to secure a country park and associated landscaping mitigation scheme so that the visual harm was not significant. The scheme also needed to be balanced against the wider benefits of the development listed above.

The development was considered to comply with other current Local Plan policies and with the policies of the NPPF as a whole. The presumption in favour of sustainable development carried substantial weight, as did the contribution the development would make to the provision of housing to meet the needs of the District.

The approval of this application would strengthen the District's ability to achieve and maintain a robust five year supply at a highly sensitive stage of the emerging Local Plan process. The site was also identified as an allocated housing site within the emerging Local Plan Publication Draft April 2014, which carried weight. It was therefore concluded that the development should be granted.

An addendum circulated at the meeting detailed comments from Warwickshire County Council (WCC) Archaeology, three further objections from local residents and a detailed objection from Councillor Rhead. In addition, there was an objection from Councillor Day and a further one from Bishop's Tachbrook Parish Council.

The following people addressed the Committee:

Councillor Deely, Bishop's Tachbrook Parish Council, objecting; Ms Hodgetts, representing the Conservation Advisory Forum, objecting; Mr Bell, Mr Whitwood and Councillor Rhead, objecting; Mr Clark and Mr Mitchell, applicant and supporter; and Councillor Murphy, Ward Councillor, objecting.

Following consideration of the report, presentation and the representations made at the meeting, the Committee

Resolved that application W15/0851 be granted subject to the following conditions:

- (1) details of the means of access to the building(s) and site, appearance of the building(s), landscaping of the site, layout of the site and its relationship with adjoining development, and the scale of building(s) (hereinafter called 'the reserved matters') shall be submitted to and approved in writing by the local planning authority before any development begins and the development shall be carried out in full accordance with these reserved matters as approved. **Reason:** To comply with Article 4(1) of the Town and Country Planning (Development Management

PLANNING COMMITTEE MINUTES (Continued)

Procedure) Order 2010 (as amended);

- (2) application for approval of the reserved matters shall be made to the local planning authority not later than three years from the date of this permission. **Reason:** To comply with Section 92 of the Town and Country Planning Act 1990 (as amended);
- (3) the development to which this permission relates shall begin within three years of the date of this permission or within two years of the final approval of the reserved matters, whichever is the later. **Reason:** To comply with Section 92 of the Town and Country Planning Act 1990 (as amended);
- (4) the access hereby permitted shall be constructed in strict accordance with the details shown on the site location plan and approved main and secondary access points within drawing(s) ITB8073-GA-008 Rev B and ITB8073-GA-007 Rev C, and specification contained therein, submitted on 21st May 2015. **Reason:** For the avoidance of doubt and to secure a satisfactory form of development in accordance with Policies DP1, DP2 and DP6 of the Warwick District Local Plan 1996-2011;
- (5) no development shall take place under any relevant phase of development until a detailed lighting scheme for that phase has been submitted to and agreed in writing by the local planning authority. In discharging this condition the local planning authority expects lighting to be restricted around the boundary edges, particularly along hedgerows, where protected species are likely to be found, and to be kept to a minimum at night across the whole site in order to minimise impact on emerging and foraging bats and other nocturnal wildlife. This could be achieved in the following ways:
 - a. low pressure sodium lamps should be used in preference to high pressure sodium or mercury lamps
 - b. the brightness of lights should be as low as legally possible
 - c. lighting should be timed to provide some dark periods
 - d. connections to areas important for foraging should contain unlit stretchesSuch works, and use of that lighting and/or

PLANNING COMMITTEE MINUTES (Continued)

illumination, shall be carried out and operated only in full accordance with those approved details. **Reason:** To ensure that any lighting is designed so as not to detrimentally affect the amenities of the occupiers of nearby properties and that appropriate measures are taken in relation to protected species in accordance with Policies DP2, DP3, DP9 and DAP3 of the Warwick District Local Plan 1996-2011;

- (6) the development hereby permitted shall not be commenced unless and until a scheme showing how either a). at least 10% of the predicted energy requirement of the development will be produced on or near to the site from renewable energy resources, or b). a scheme showing how at least 10% of the energy demand of the development and its CO² emissions would be reduced through the initial construction methods and materials has been submitted to and approved in writing by the Local Planning Authority. The development shall not be first occupied until all the works within the approved scheme have been completed and thereafter the works shall be retained at all times and shall be maintained strictly in accordance with manufacturer's specifications. **Reason:** To ensure that adequate provision is made for the generation of energy from renewable energy resources or to achieve carbon savings in accordance with the provisions of Policy DP13 in the Warwick District Local Plan 1996-2011;

- (7) the development hereby permitted shall not commence until a Construction and Environmental Management Plan has been submitted to and approved in writing by the Local Planning Authority. In discharging this condition the LPA expect to see details concerning pre-commencement checks for protected and notable species and subsequent mitigation as deemed appropriate. In addition appropriate working practices and safeguards for other wildlife that are to be employed whilst works are taking place on site. The agreed Construction and Environmental Management Plan shall thereafter be implemented in full. **Reason:** To ensure that protected species are not harmed by the development in accordance with National Planning Policy Framework (NPPF), ODPM Circular 06/2005 and Policy DAP3 of the Warwick District Local Plan 1996-2011;

PLANNING COMMITTEE MINUTES (Continued)

- (8) the development hereby permitted shall not commence until a detailed Landscape and Ecological Management Plan has been submitted to and approved in writing by the Local Planning Authority. The plan should include details of planting and maintenance of all new planting. Details of species used and sourcing of plants should be included. The plan should also include details of habitat enhancement/creation measures and management, such as the pond, wildflower grasslands; provision of habitat for protected species. The plan should also include details on soil management to make best use of the high quality soils on site -detailed guidance to inform this matter is available in Defra '*Construction Code of Practice for the Sustainable Use of Soils on Construction Sites*'. Such approved measures shall thereafter be implemented in full. **Reason:** To ensure a net biodiversity gain in accordance with NPPF;
- (9) no part of the development hereby permitted shall be commenced and nor shall any equipment, machinery or materials be brought onto the site until a scheme for the protection of all existing trees and hedges to be retained on site has been submitted to and approved in writing by the District Planning Authority and has been put in place. The scheme must include details of the erection of stout protective fencing and be in accordance with British Standard BS5837: 2005, a Guide for Trees in relation to construction. Nothing shall be stored or placed in those areas fenced in accordance with this condition and nor shall the grounds levels be altered or any excavation take place without the prior consent in writing of the District Planning Authority. The approved scheme shall be kept in place until all parts of the development have been completed and all equipment, machinery and surplus materials have been removed. **Reason:** To protect trees and other features on site during construction in accordance with Policy DP3 of the Warwick District Local Plan 1996-2011;
- (10) no development shall commence until a Protected Species Contingency Plan has been submitted to and approved in writing by the planning authority. The plan shall include:
- a) Further bat survey of the site and Grove

PLANNING COMMITTEE MINUTES (Continued)

Farm, to include appropriate activity surveys in accordance with BCT Bat Surveys – Good Practice Guidelines, has been carried out and a detailed mitigation plan including a schedule of works and timings has been submitted to and approved in writing by the Local Planning Authority. Any approved mitigation plan shall thereafter be implemented in full.

b) A detailed badger survey, including a bait marking study, has been carried out by a suitably qualified badger consultant and has been submitted to and approved in writing by the Local Planning Authority. Any approved mitigation plan shall thereafter be implemented in full. **Reason:** To ensure that protected species are not harmed by the development in accordance with National Planning Policy Framework and Policy DAP3 of the Warwick District Local Plan 1996-2011;

- (11) the development hereby permitted shall not be commenced until a scheme for the provision of adequate water supplies and fire hydrants, necessary for firefighting purposes at the site, has been submitted to and approved in writing by the Local Planning Authority. The development shall not then be occupied until the scheme has been implemented to the satisfaction of the Local Planning Authority.
Reason: In the interests of fire safety;

- (12) the development hereby permitted shall not commence until: -
- 1(a) A site investigation has been designed for the site using the information obtained from the desk-top study and any diagrammatical representations (conceptual model). This must be submitted to and approved in writing by the local planning authority prior to that investigation being carried out. The investigation must be comprehensive enough to enable:
- A risk assessment to be undertaken relating to human health;
 - A risk assessment to be undertaken relating to groundwater and surface waters associated on and off site that may be affected;
 - An appropriate gas risk assessment to be undertaken;
 - Refinement of the conceptual model;
 - The development of a method statement detailing the remediation requirements.

PLANNING COMMITTEE MINUTES (Continued)

- (b) The site investigation has been undertaken in accordance with details approved by the local planning authority and a risk assessment has been undertaken.
 - (c) A method statement detailing the remediation requirements, including measures to minimise the impact on ground and surface waters using the information obtained from the site investigation, has been submitted to the local planning authority. The method statement shall include details of how the remediation works will be validated upon completion and shall be approved in writing by the local planning authority prior to the remediation being carried out on the site.
 - 2. All development of the site shall accord with the approved method statement.
 - 3. If during development, contamination not previously identified, is found to be present at the site then no further development shall take place (unless otherwise agreed in writing with the local planning authority for an addendum to the method statement). This addendum to the method statement must detail how this unsuspected contamination shall be dealt with.
 - 4. Upon completion of the remediation detailed in the method statement a report shall be submitted to the local planning authority that provides verification that the required works regarding contamination have been carried out in accordance with the approved method statement. Post remediation sampling and monitoring results shall be included in the report to demonstrate that the required remediation has been fully met. Future monitoring proposals and reporting shall also be detailed in the report.
Reason: To safeguard health, safety and the environment in accordance with Policies DP3 & DP9 of the Warwick District Local Plan 1996-2011;
- (13) no development shall take place under any reserved matters consent until a scheme for that reserved matters consent has been submitted to and approved in writing by the local planning authority demonstrating that surface water runoff does not exceed runoff from the undeveloped site and does not increase the risk of flooding off-site. Post development runoff volumes and peak flow rates will be limited to the Greenfield discharge

PLANNING COMMITTEE MINUTES (Continued)

rate for all rainfall return periods up to and including the 100 year plus 30% (for climate change) as outlined within the Flood Risk Assessment. On-Site surface water attenuation will be provided to the 1:100 Climate change (30%) standard using Sustainable Urban Drainage Systems. The site drainage strategy will demonstrate the appropriate assessment and adoption of SUDS techniques. The approved systems shall thereafter be retained and shall be managed and maintained in strict accordance with the approved details.

Reason: To ensure that a satisfactory means of drainage is provided such as to minimise flooding, which promotes and maintains the good stewardship of the natural and built environment in accordance with Policies DP11 & DP3 of the Warwick District Local Plan 1996-2011;

- (14) the development hereby permitted shall be carried out in strict accordance with details of surface and foul water drainage works that shall have been submitted to and approved in writing by the local planning authority.

Reason: To ensure that adequate drainage facilities are available for the satisfactory and proper development of the site in accordance with Policy DP11 of the Warwick District Local Plan 1996-2011;

- (15) any landscaping (other than the planting of trees and shrubs) including boundary treatment, paving and footpaths referred to in condition one shall be completed in all respects, with the exception of tree(s) and shrub(s) planting, within the first planting season following the first use of dwellings within that phase and the tree(s) and shrub(s) shall be planted within six months of that first use. Any tree(s) or shrub(s) removed, dying, or becoming in the opinion of the local planning authority seriously damaged, defective or diseased within five years from the substantial completion of the scheme shall be replaced within the next planting season by tree(s) or shrub(s) of similar size and species to those originally required to be planted. All hedging, tree(s) and shrub(s) shall be planted in accordance with British Standard BS4043 – Transplanting Root-balled Trees and BS4428 – Code of Practice for General Landscape Operations. **Reason:** To ensure a satisfactory standard of appearance of the development in

PLANNING COMMITTEE MINUTES (Continued)

the interests of the visual amenities of the area in accordance with Policies DP1, DP2 and DP3 of the Warwick District Local Plan 1996-2011;

- (16) the existing tree(s) and shrub(s) indicated on the approved plans to be retained shall not be cut down, grubbed out, topped, lopped or uprooted without the written consent of the local planning authority. Any tree(s) or shrub(s) removed without such consent or dying, or being severely damaged or diseased or becomes, in the opinion of the local planning authority, seriously damaged or defective, within five years from the substantial completion of development shall be replaced, as soon as practicable with tree(s) and shrub(s) of such size and species details of which must be submitted to and approved by the local planning authority. All tree(s) and shrub(s) shall be planted in accordance with British Standard BS4043 – Transplanting Root-balled Trees and BS4428 – Code of Practice for General Landscape Operations (excluding hard surfaces). **Reason:** To protect those trees and shrubs which are of significant amenity value and which ensure a satisfactory standard of appearance of the development in the interests of the visual amenities of the area in accordance with Policies DP1 and DP3 of the Warwick District Local Plan 1996-2011;
- (17) an application for the approval of a construction phasing plan of the development shall be submitted before the expiry of three years from the date of this permission. The development shall hereafter be carried out in accordance with the phases established in the phasing plan as approved by the local planning authority. **Reason:** To ensure the proper phasing of the development;
- (18) no development shall take place under any reserved matters consent until a scheme for that reserved matters consent has been submitted to and approved in writing by the local planning authority indicating how and when the 'Secured by Design' standards will be incorporated into the development. The scheme shall be implemented in accordance with the approved details and shall be retained thereafter. **Reason:** To ensure Secured by Design standards are met, in accordance with Policy DP14 of the Warwick District Local Plan;

PLANNING COMMITTEE MINUTES (Continued)

- (19) no development shall take place under any reserved matters consent until a scheme for that reserved matters consent has been submitted to and approved in writing by the local planning authority indicating how and when mixed open space facilities will be incorporated into the development, to include informal open space, appropriate children's play facilities, outdoor sport facilities and allotment gardens. The scheme shall be implemented in accordance with the approved details and shall be retained thereafter.
Reason: To ensure appropriate open space and recreational facilities are provided to serve the development in accordance with Policy SC13 of the Warwick District Local Plan 1996-2011;
- (20) the mix of type and size of market dwellings submitted as part of any reserved matters application must accord with the recommendations contained within the most up to date version of the "Development Management Policy Guidance : Achieving Mix of Market Housing on new Development Sites".
Reason: To ensure that the housing meets the needs of the District as required by Local Plan Policy SC1 and the NPPF;
- (21) the building heights shall not exceed those indicated on the indicative 4.2 Massing layout plan, within the Design and Access Statement submitted on 21st May 2015. **Reason:** For the avoidance of doubt and to secure a satisfactory form of development in accordance with Policies DP1, DP2 and DAP4 of the Warwick District Local Plan 1996-2011;
- (22) the development hereby permitted shall not commence until a scheme detailing arrangements to protect residents of the development from excessive traffic noise entering habitable rooms and the provision of quiet garden areas shielded from road noise shall be submitted to and approved in writing by the local planning authority. The scheme shall be implemented in accordance with the approved details and shall be retained thereafter. **Reason:** To protect residents of the development from the adverse effects of traffic noise from outside the development in accordance with Policies DP2 & DP9 of the Warwick District Local Plan 1996-2011;

PLANNING COMMITTEE MINUTES (Continued)

- (23) the development (including any works of demolition) shall proceed only in strict accordance with a construction method statement which has been submitted to and approved in writing by the local planning authority. The approved statement shall be strictly adhered to throughout the construction period and shall provide for: the parking of vehicles of site operatives and visitors; the loading and unloading of plant and materials; the storage of plant and materials used in constructing the development; the erection and maintenance of a security hoarding including decorative displays and facilities for public viewing where appropriate; wheel washing facilities and other measures to ensure that any vehicle, plant or equipment leaving the application site does not carry mud or deposit other materials onto the public highway; measures to control the emission of dust and dirt during construction; and a scheme for recycling / disposing of waste resulting from demolition and construction works, unless otherwise agreed in writing by the local planning authority. **Reason:** In the interests of highway safety and the amenities of the occupiers of nearby properties, the free flow of traffic and the visual amenities of the locality in accordance with Policies DP2, DP6, DP8 & DP9 of the Warwick District Local Plan 1996-2011;
- (24) no development shall take place unless and until a Low Emission Strategy has been submitted to and approved in writing by the local planning authority. The Low Emission Strategy shall thereafter be implemented in strict accordance with the approved details. **Reason:** To ensure mitigation against air quality impacts associated with the proposed development, in accordance with Policy DP9 of the Warwick District Local Plan and the aims and objectives of national guidance within the NPPF 2012;
- (25) archaeological evaluative work across the site and a mitigation strategy, as necessary.

31. W15/0646 – Opus 40, Birmingham Road, Warwick

The Committee considered an application from Taylor Wimpey Midlands for the erection of 85 dwellings, access roads and associated development.

PLANNING COMMITTEE MINUTES (Continued)

The application was presented to Committee because of the number of objections received, including one from Warwick Town Council.

The officer considered the following policies to be relevant:

National Planning Policy Framework

The Current Local Plan

DP1 - Layout and Design (Warwick District Local Plan 1996 - 2011)
DP2 - Amenity (Warwick District Local Plan 1996 - 2011)
DP3 - Natural and Historic Environment and Landscape (Warwick District Local Plan 1996 - 2011)
Residential Design Guide (Supplementary Planning Guidance - April 2008)
DP5 - Density (Warwick District Local Plan 1996 - 2011)
DP6 - Access (Warwick District Local Plan 1996 - 2011)
DP7 - Traffic Generation (Warwick District Local Plan 1996 - 2011)
DP8 - Parking (Warwick District Local Plan 1996 - 2011)
DP9 - Pollution Control (Warwick District Local Plan 1996 - 2011)

Vehicle Parking Standards (Supplementary Planning Document)
Open Space (Supplementary Planning Document - June 2009)
Affordable Housing (Supplementary Planning Document - January 2008)
Development Management Policy Guidance: Achieving a Mix of Market Housing on new Development Sites (Agreed by Executive - 19th June 2013)
Garden Towns, Villages and Suburbs - A prospectus for Warwick District Council (Consultation document - May 2012)

The case officer was of the opinion that the redevelopment of this site for residential purposes was considered to be in accordance with Criterion (b) of Local Plan Policy SC2. The proposals would have an acceptable impact on the living conditions of neighbouring dwellings and would provide a satisfactory living environment for future occupants. Furthermore, the proposals made adequate provision for public open space and the development would have an acceptable impact on the character and appearance of the area. The proposed layout showed an appropriate spread and mix of affordable and market housing and it was expected that suitable contributions towards community facilities would be secured in a Section 106 agreement. The proposals were also considered to be acceptable in terms of car parking, highway safety, drainage / flood risk, ecological impact and in terms of the impact on trees. Finally, the proposals generated significant benefits in terms of providing a large amount of market and affordable housing at a time when the Council were currently unable to demonstrate a five year supply of housing land within the District. Therefore, it was recommended that planning permission be granted.

An addendum circulated at the meeting outlined the Section 106 agreement and further comments from WCC Highways. A further condition was also recommended to require chimneys to be added to the proposed dwellings.

The following people addressed the Committee:

Mr Taylor and Mr Willis, objecting; Mr Frampton, applicant / supporter; and Councillor Cross, Ward Councillor, supporting.

Following consideration of the report, presentation and the representations made at the meeting, the Committee felt that the application should be granted with an additional condition relating to the completion of highways works, prior to the occupation of the dwellings.

In addition, it was agreed that the value of the Section 106 elements should be amended so that any proposed contributions, as set out in the report, over £9000 were reduced accordingly, by 20%, to enable the highways contribution to be increased and ensure the delivery the highway improvements.

Resolved that

- (1) application W15/0646 be **granted** subject to the completion of a satisfactory Section 106

PLANNING COMMITTEE MINUTES (Continued)

agreement (the value of the Section 106 elements are amended so that any proposed contributions, as set out in the report, over £9000 are reduced accordingly, by 20%, to enable the highways contribution to be increased and therefore ensure the delivery the highway improvements) and the following conditions:

- (i) the development hereby permitted shall begin not later than three years from the date of this permission.
Reason: To comply with Section 91 of the Town and Country Planning Act 1990 (as amended);
- (ii) the development hereby permitted shall be carried out strictly in accordance with the details shown on the application form, site location plan and approved drawings 20113/01G, LDS252-04E, 20113-HY-4-PL, 20113-PA34-6-PL, 20113-GA-SG-PL, 20113-PA25-6-PL, 20113-BA-4-PL, 20113-PD33-6-PL, 20113-PA35-AG-6-PL, 20113-AA42-4-PL, 20113-AA43-4-PL, 20113-AA24-4-PL, 20113-AA32-4-PL, 20113-PT44-6-PL, 20113-MS-PL, 20113-PT38-6-PL, 20113-PA48-6-PL, 20113-PT32-6-PL & 20113-PT37-6-PL, and specification contained therein, submitted on 27 April 2015, 26 June 2015 & 3 July 2015. **Reason:** For the avoidance of doubt and to secure a satisfactory form of development in accordance with Policies DP1 and DP2 of the Warwick District Local Plan 1996-2011;
- (iii) no development shall commence until details of surface and foul water drainage have been submitted to and approved in writing by the local planning authority. The development shall be carried out in strict accordance with such approved details. **Reason:** To ensure that adequate drainage facilities are available and to minimise flood risk, in accordance with the National Planning Policy Framework and Policy DP11 of the Warwick District Local Plan 1996-2011;

PLANNING COMMITTEE MINUTES (Continued)

- (iv) no development or other operations (including demolition, site clearance or other preparatory works) shall be commenced unless and until adequate steps, which shall have been previously approved in writing by the local planning authority, have been taken to safeguard against damage or injury during construction works (in accordance with Clause 7 of British Standard BS5837 – 2012 Trees in Relation to Design, Demolition & Construction) to all tree(s) to be retained on the site, or those tree(s) whose root structure may extend within the site. In particular no excavations, site works, trenches or channels shall be cut or pipes or services laid, no fires shall be lit within 10 metres of the nearest point of the canopy of any retained tree(s); no equipment, machinery or structure shall be attached to or supported by any retained tree(s); no mixing of cement or use of other contaminating materials or substances shall take place within, or close enough to, a root protection area that seepage or displacement could cause them to enter a root protection area, or any other works be carried out in such a way as to cause damage or injury to the tree(s) by interference with their root structure and no soil or waste shall be deposited on the land in such a position as to be likely to cause damage or injury to the tree(s).
Reason: To protect those trees which are of significant amenity value to the area and which would provide an enhanced standard of appearance to the development in accordance with Policy DP3 of the Warwick District Local Plan 1996-2011;
- (v) the development hereby permitted shall not be commenced until a scheme for the provision of adequate water supplies and fire hydrants, necessary for fire fighting purposes at the site, has been submitted to and approved in writing by the District Planning Authority. The development shall not then be occupied until the

PLANNING COMMITTEE MINUTES (Continued)

scheme has been implemented to the satisfaction of the District Planning Authority. **Reason:** In the interests of fire safety;

- (vi) no development shall commence until a detailed lighting scheme for the site has been submitted to and agreed in writing by the local planning authority. In discharging this condition the local planning authority expects lighting to be restricted around the boundary edges, particularly along hedgerows, where protected species are likely to be found, and to be kept to a minimum at night across the whole site in order to minimise impact on emerging and foraging bats and other nocturnal wildlife. This could be achieved in the following ways:

- (a) low energy LED lighting should be used in preference to high pressure sodium or mercury lamps;

- (b) the brightness of lights should be as low as legally possible;

- (c) lighting should be timed to provide some dark periods; and

- (d) connections to areas important for foraging should contain unlit stretches.

No lighting shall be installed other than in strict accordance with the scheme approved under this condition. The lighting shall be maintained and operated in strict accordance with the approved scheme at all times thereafter.

Reason: To ensure that any lighting is designed so as not to detrimentally affect the amenities of the occupiers of nearby properties and to ensure that appropriate measures are taken in relation to protected species in accordance with Policies DP2, DP3, DP9 and DAP3 of the Warwick District Local Plan 1996-2011;

- (vii) the development hereby permitted shall not commence until a detailed Landscape and Ecological

PLANNING COMMITTEE MINUTES (Continued)

Management Plan has been submitted to and approved in writing by the District Planning Authority. The plan should include details of planting and maintenance of all new planting. Details of species used and sourcing of plants should be included. The plan should also include details of habitat enhancement/creation measures and management, such as water bodies, native species planting, wildflower grasslands, woodland creation/enhancement and provision of habitat for protected species. Such approved measures shall thereafter be implemented in full. **Reason:** To ensure adequate compensation for any loss of biodiversity, in accordance with the National Planning Policy Framework;

- (viii) the development hereby permitted shall not commence until a Construction and Environmental Management Plan has been submitted to and approved in writing by the local planning authority. In discharging this condition the local planning authority expect to see details concerning pre-commencement checks for protected and notable species with subsequent mitigation as deemed appropriate. In addition appropriate working practices and safeguards for other wildlife dependent of further survey work, that are to be employed whilst works are taking place on site. The agreed Construction and Environmental Management Plan shall thereafter be implemented in full. **Reason:** To ensure that protected species are not harmed by the development in accordance with Policy DAP3 of the Warwick District Local Plan;
- (ix) no development shall commence until details of the finished floor levels of all buildings, together with details of existing and proposed site levels on the application site and the relationship with adjacent land and buildings have been submitted to and approved in writing by the local planning authority. The development

PLANNING COMMITTEE MINUTES (Continued)

shall be carried out in strict accordance with these approved details or any subsequently approved amendments. **Reason:** To ensure sufficient information is submitted to demonstrate a satisfactory relationship between the proposed development and adjacent land and buildings in the interests of amenity in accordance with Policies DP1 & DP2 of the Warwick District Local Plan 1996-2011;

- (x) prior to the commencement of development approved by this planning permission (or such other date or stage in development as may be agreed in writing with the District Planning Authority), the following components of a scheme to deal with the risks associated with contamination of the site shall each be submitted to and approved, in writing, by the Local Planning Authority:

1) A preliminary risk assessment which has identified:

- all previous uses
- potential contaminants associated with those uses
- a conceptual model of the site indicating sources, pathways and receptors
- potentially unacceptable risks arising from contamination at the site.

2) A site investigation scheme, based on (1) to provide information for a detailed assessment of the risk to all receptors that may be affected, including those off site.

3) The site investigation results and the detailed risk assessment (2) and, based on these, an options appraisal and remediation strategy giving full details of the remediation measures required and how they are to be undertaken.

4) A verification plan providing details of the data that will be

PLANNING COMMITTEE MINUTES (Continued)

collected in order to demonstrate that the works set out in (3) are complete and identifying any requirements for longer-term monitoring of pollutant linkages, maintenance and arrangements for contingency action.

Any changes to these components require the express consent of the District Planning Authority. The scheme shall be implemented strictly as approved.

Reason: To ensure the protection of controlled waters and to prevent pollution in accordance with Policy DP9 in the Warwick District Local Plan 1996-2011;

(xi) none of the dwellings hereby permitted shall be occupied unless and until:

(a) the acoustic fence along the western boundary of the site has been installed in strict accordance with the approved plans and the recommendations of the Report on Existing Noise Climate (Revision R8) by Hoare Lea dated 9 July 2015 and submitted to the District Council on 10 July 2015; and

(b) the acoustic mitigation measures for that particular dwelling have been completed in strict accordance with the recommendations of the Report on Existing Noise Climate (Revision R8) by Hoare Lea dated 9 July 2015 and submitted to the District Council on 10 July 2015.

The acoustic fence and other acoustic mitigation measures shall be retained and maintained in accordance with the manufacturers recommendations at all times thereafter.

Reason: To protect residents of the development from the adverse effects of traffic noise from outside the development in accordance with Policies DP2 & DP9 of the Warwick District Local Plan 1996-2011;

- (xii) the development (including any works of demolition) shall proceed only in strict accordance with a construction method statement which shall have been submitted to and approved in writing by the local planning authority. The approved statement shall be strictly adhered to throughout the construction period and shall provide for: the anticipated movements of vehicles; the parking of vehicles of site operatives and visitors; the loading and unloading of plant and materials; the storage of plant and materials used in constructing the development; wheel washing facilities and other measures to ensure that any vehicle, plant or equipment leaving the application site does not carry mud or deposit other materials onto the public highway; measures to control the emission of dust and dirt during construction; measures to limit noise and disturbance; a construction phasing plan; and a HGV routing plan.

Reason: In the interests of highway safety and the amenities of the occupiers of nearby properties, the free flow of traffic and the visual amenities of the locality in accordance with Policies DP2, DP6, DP8 & DP9 of the Warwick District Local Plan 1996-2011;

- (xiii) the dwellings hereby permitted shall be designed and constructed to ensure that internal noise levels do not exceed the following levels between 0700 hours and 2300 hours:

- 35 dB LAeq,16hour within living rooms;
- 40 dB LAeq,16hour within dining rooms; and
- 35 dB LAeq,16hour within bedrooms.

The dwellings hereby permitted shall be designed and constructed to ensure that internal noise levels do not exceed the following levels between 2300 hours and 0700 hours:

- 30dB LAeq,8hour within bedrooms, with the maximum instantaneous noise level not exceeding 45dB LAmx,fast (Night-time LAmx as prescribed by WHO Guidelines for Community Noise, 1999).

The external noise level in all private gardens of the dwellings hereby permitted shall not exceed 50dB LAeq,t between 0700 hours and 2300 hours.

Reason: To provide a satisfactory living environment for future occupants of the proposed dwellings, in accordance with Policies DP2 & DP9 of the Warwick District Local Plan 1996-2011;

- (xiv) best practicable means shall be employed at all times to control noise and dust on the site. Work which is likely to give rise to noise nuisance shall not take place before 0730 hours or after 1700 hours on Mondays to Fridays or before 0730 hours or after 1300 hours on Saturdays. No construction work shall take place on Sundays or Bank Holidays. Delivery vehicles shall not be permitted to arrive on site before 0800 hours or after 1630 hours on Mondays to Fridays or before 0800 hours or after 1300 hours on Saturdays. No deliveries shall be permitted to arrive on site on Sundays or Bank Holidays.

Reason: To protect the living conditions of nearby residents, in accordance with Policies DP2 and DP9 of the Warwick District Local Plan;

- (xv) the development shall be carried out in accordance with the Flood Risk Assessment ref. AAC5058 (Issue 6) by RPS dated June 2015 and submitted to the District Council on 10 June 2015. **Reason:** To minimise the risk of flooding on site and elsewhere, in accordance with the National Planning Policy Framework;

(xvi) the development hereby permitted shall only be undertaken in strict accordance with details of both hard and soft landscaping works which shall have been submitted to and approved in writing by the local planning authority. Details of hard landscaping works shall include boundary treatment, including full details of the proposed boundary walls, railings and gates to be erected, specifying the colour of the railings and gates; footpaths; and hard surfacing. The hard landscaping works shall be completed in full accordance with the approved details within three months of the first occupation of the development hereby permitted; and all planting shall be carried out in accordance with the approved details in the first planting and seeding seasons following the first occupation. Any tree(s) or shrub(s) which within a period of five years from the completion of the development dies, is removed or becomes in the opinion of the local planning authority seriously damaged, defective or diseased shall be replaced in the next planting season with another of similar size and species, unless the local planning authority gives written consent to any variation. All hedging, tree(s) and shrub(s) shall be planted in accordance with British Standard BS4043 – Transplanting Root-balled Trees and BS4428 – Code of Practice for General Landscape Operations.
Reason: To ensure a satisfactory standard of appearance of the development in the interests of the visual amenities of the area in accordance with Policies DP1, DP2 and DP3 of the Warwick District Local Plan 1996-2011;

(xvii) the existing tree(s) and shrub(s) indicated on the approved plans to be retained shall not be cut down, grubbed out, topped, lopped or uprooted without the written consent of the local planning authority. Any

PLANNING COMMITTEE MINUTES (Continued)

tree(s) or shrub(s) removed without such consent or dying, or being severely damaged or diseased or becomes, in the opinion of the local planning authority, seriously damaged or defective, within five years from the substantial completion of development shall be replaced, as soon as practicable with tree(s) and shrub(s) of such size and species details of which must be submitted to and approved by the local planning authority. All tree(s) and shrub(s) shall be planted in accordance with British Standard BS4043 – Transplanting Root-balled Trees and BS4428 – Code of Practice for General Landscape Operations (excluding hard surfaces). **Reason:** To protect those trees and shrubs which are of significant amenity value and which ensure a satisfactory standard of appearance of the development in the interests of the visual amenities of the area in accordance with Policies DP1 and DP3 of the Warwick District Local Plan 1996-2011;

- (xviii) the development shall be carried out only in full accordance with sample details of all facing and roofing materials which shall have been submitted to and approved in writing by the local planning authority. **Reason:** To ensure that the proposed development has a satisfactory external appearance in the interests of the visual amenities of the locality in accordance with Policy DP1 of the Warwick District Local Plan 1996-2011;
- (xix) none of the dwellings hereby permitted shall be occupied until the car parking and manoeuvring areas indicated on the approved drawings for that dwelling have been provided and thereafter those areas shall be kept marked out and available for such use at all times. **Reason:** To ensure that a satisfactory provision of off-street car parking and turning facilities are maintained at all times in the interests of the free flow of traffic

PLANNING COMMITTEE MINUTES (Continued)

and highway safety in accordance with Policies DP6 & DP8 of the Warwick District Local Plan 1996-2011;

(xx) the development shall be carried out in strict accordance with the air quality mitigation measures specified in the Air Quality Assessment by RSK dated 29 May 2015 and submitted to the District Council on 1 June 2015. None of the dwellings hereby permitted shall be occupied until the air quality mitigation measures for that dwelling have been implemented in full. **Reason:** To ensure mitigation against air quality impacts associated with the proposed development, in accordance with Policy DP9 of the Warwick District Local Plan and the aims and objectives of national guidance within the NPPF 2012;

(xxi) the dwellings hereby permitted shall be constructed in strict accordance with the "fabric first" energy efficiency strategy specified in the Energy Statement by JSP Sustainability Limited dated March 2015 that was submitted with the application. **Reason:** To ensure that adequate provision is made for carbon reduction in accordance with the provisions of Policy DP13 in the Warwick District Local Plan 1996-2011;

(xxii) the proposed dwellings include chimneys; and

(xxiii) the highways works are substantially completed prior to the occupation of the dwellings.

(2) should a satisfactory Section 106 Agreement not have been completed by 27 July 2015, Planning Committee resolved to delegate authority to the Head of Development Services to **refuse** planning permission on the grounds that the proposals make inadequate provision in respect of the issues the subject of that agreement.

32. **W15/0594 – Leamington Lawn Tennis and Croquet Club, Guys Cliffe Avenue, Royal Leamington Spa**

PLANNING COMMITTEE MINUTES (Continued)

The Committee considered an application from Mr Quinney for the erection of an extension to provide an additional squash court together with associated car parking.

The application was presented to Committee because of the number of objections received.

The officer considered the following policies to be relevant:

The National Planning Policy Framework

The Current Local Plan

DP1 - Layout and Design (Warwick District Local Plan 1996 - 2011)

DP2 - Amenity (Warwick District Local Plan 1996 - 2011)

DP6 - Access (Warwick District Local Plan 1996 - 2011)

DP8 - Parking (Warwick District Local Plan 1996 - 2011)

DP13 - Renewable Energy Developments (Warwick District Local Plan 1996 - 2011)

DAP8 - Protection of Conservation Areas (Warwick District Local Plan 1996 - 2011)

The Emerging Local Plan

DS5 - Presumption in Favour of Sustainable Development (Warwick District Local Plan 2011-2029 - Publication Draft April 2014)

CT1 - Directing New Tourism, Leisure and Cultural Development (Warwick District Local Plan 2011-2029 - Publication Draft April 2014)

BE1 - Layout and Design (Warwick District Local Plan 2011-2029 - Publication Draft April 2014)

BE3 - Amenity (Warwick District Local Plan 2011-2029 - Publication Draft April 2014)

TR1 - Access and Choice (Warwick District Local Plan 2011-2029 - Publication Draft April 2014)

TR4 - Parking (Warwick District Local Plan 2011-2029 - Publication Draft April 2014)

HS1 - Healthy, Safe and Inclusive Communities (Warwick District Local Plan 2011-2029 - Publication Draft April 2014)

CC1 - Planning for Climate Change Adaptation (Warwick District Local Plan 2011-2029 - Publication Draft April 2014)

CC3 - Buildings Standards Requirements (Warwick District Local Plan 2011-2029 - Publication Draft April 2014)

HE2 - Protection of Conservation Areas (Warwick District Local Plan 2011-2029 - Publication Draft April 2014)

Guidance Documents

Sustainable Buildings (Supplementary Planning Document - December 2008)

Vehicle Parking Standards (Supplementary Planning Document)

The case officer was of the opinion that the proposals would have an acceptable impact on the living conditions of neighbouring dwellings and on the character and appearance of the area. Furthermore, the proposals were

PLANNING COMMITTEE MINUTES (Continued)

considered to be acceptable in terms of car parking and highway safety. Therefore, it was recommended that planning permission was granted.

An addendum circulated at the meeting detailed further consultation responses and comments from WCC Highways. In addition the applicant had submitted a response in relation to parking issues.

The following people addressed the Committee:

Mr Yarwood, objecting; Mr Evison, supporter / applicant; and Councillor Gifford, Ward Councillor, objecting.

Following consideration of the report, presentation and the representations made at the meeting, the Committee agreed that the application should be granted with an additional condition relating to a revised car parking scheme.

Resolved that application W15/0594 be **granted** subject to the following conditions:

- (1) the development hereby permitted shall begin not later than three years from the date of this permission. **Reason:** To comply with Section 91 of the Town and Country Planning Act 1990 (as amended);
- (2) the development hereby permitted shall be carried out strictly in accordance with the details shown on the site location plan and approved drawing(s) 932-05A, 932-06A & 932-07A, and specification contained therein, submitted on 20 April 2015. **Reason:** For the avoidance of doubt and to secure a satisfactory form of development in accordance with Policies DP1 and DP2 of the Warwick District Local Plan 1996-2011;
- (3) the development hereby permitted shall not be first occupied unless and until the renewable energy scheme submitted as part of the application has been wholly implemented in strict accordance with the approved details. The works within this scheme shall be retained at all times thereafter and shall be maintained strictly in accordance with manufacturers specifications. Microgeneration equipment no longer needed for microgeneration shall be removed as soon as reasonably practicable. **Reason:** To ensure that adequate provision is made for the generation of energy from renewable energy resources in accordance with the provisions of Policy DP13 in the Warwick District Local Plan 1996-2011;

PLANNING COMMITTEE MINUTES (Continued)

- (4) the squash court hereby permitted shall not be used unless and until the car parking and manoeuvring areas indicated on the approved drawings have been provided and thereafter those areas shall be kept marked out and available for such use at all times. **Reason:** To ensure that a satisfactory provision of off-street car parking and turning facilities are maintained at all times in the interests of the free flow of traffic and highway safety in accordance with Policies DP6 & DP8 of the Warwick District Local Plan 1996-2011;
- (5) all external facing materials for the development hereby permitted shall be of the same type, texture and colour as those of the existing building. **Reason:** To ensure that the visual amenities of the area are protected, and to satisfy the requirements of Policy DP1 of the Warwick District Local Plan 1996-2011; and
- (6) no development shall commence until a scheme identifying proposed improvements to car parking within the site has been submitted and approved.

33. W15/0822 – Westfield House, Rugby Road, Weston under Wetherley

The Committee considered an application from Mr Smith for the erection of a first floor side extension; two storey and single storey rear extension and a single front extension with an open porch.

The application was presented to Committee because letters of support had been received from Weston under Wetherley Parish Council, the Ward Councillor and eight members of the public. The application was recommended for refusal by the planning authority.

The officer considered the following policies to be relevant:

National Planning Policy Framework

The Current Local Plan

DP1 - Layout and Design (Warwick District Local Plan 1996 - 2011)
DP2 - Amenity (Warwick District Local Plan 1996 - 2011)
RAP2 - Extensions to Dwellings (Warwick District Local Plan 1996 - 2011)
DP3 - Natural and Historic Environment and Landscape (Warwick District Local Plan 1996 - 2011)
DP4 - Archaeology (Warwick District Local Plan 1996 - 2011)
DP12 - Energy Efficiency (Warwick District Local Plan 1996 - 2011)

The Emerging Local Plan

PLANNING COMMITTEE MINUTES (Continued)

BE1 - Layout and Design (Warwick District Local Plan 2011-2029 - Publication Draft April 2014)
BE3 - Amenity (Warwick District Local Plan 2011-2029 - Publication Draft April 2014)
DS19 - Green Belt (Warwick District Local Plan 2011-2029 - Publication Draft April 2014)
H14 - Extensions to Dwellings in the Open Countryside (Warwick District Local Plan 2011-2029 - Publication Draft April 2014)
HE6 - Archaeology (Warwick District Local Plan 2011-2029 - Publication Draft April 2014)
NE2 - Protecting Designated Biodiversity and Geodiversity Assets (Warwick District Local Plan 2011-2029 - Publication Draft April 2014)
CC2 - Planning for Renewable Energy and Low Carbon Generation (Warwick District Local Plan 2011-2029 - Publication Draft April 2014)

Guidance Documents

Residential Design Guide (Supplementary Planning Guidance - April 2008)
The 45 Degree Guideline (Supplementary Planning Guidance)
Sustainable Buildings (Supplementary Planning Document - December 2008)

The case officer was of the opinion that whilst the proposed extensions seemed modest, when taken together with all previous extensions to the application property, they were considered to comprise inappropriate development within the Green Belt to which there was an objection in principle. In the absence of any very special circumstances sufficient to overcome that harm, the proposed development was contrary to Warwick District Local Plan Policy RAP2 and the National Planning Policy Framework and the officer was recommending refusal of the application on those grounds.

The following people addressed the Committee:

Councillor Haine, Weston under Wetherley Parish Council, supporting; Mr Smith, the applicant; and Councillor Harrington, Ward Councillor, supporting.

Following consideration of the report, presentation and the representations made at the meeting, the Committee

Resolved that application W15/0822 be **granted** subject to the standard planning conditions for this type of development.

34. W15/0722 – Downlands, Mill Lane, Rowington

The Committee considered an application from Mr Graddon for an extension and alterations to dwelling.

The application was presented to Committee because a number of letters of support had been received and the application was being recommended for refusal by the planning authority.

The officer considered the following policies to be relevant:

PLANNING COMMITTEE MINUTES (Continued)

National Planning Policy Framework

The Current Local Plan

DP1 - Layout and Design (Warwick District Local Plan 1996 - 2011)
DP2 - Amenity (Warwick District Local Plan 1996 - 2011)
DP3 - Natural and Historic Environment and Landscape (Warwick District Local Plan 1996 - 2011)
DP12 - Energy Efficiency (Warwick District Local Plan 1996 - 2011)
RAP2 - Extensions to Dwellings (Warwick District Local Plan 1996 - 2011)

The Emerging Local Plan

BE1 - Layout and Design (Warwick District Local Plan 2011-2029 - Publication Draft April 2014)
BE3 - Amenity (Warwick District Local Plan 2011-2029 - Publication Draft April 2014)
H14 - Extensions to Dwellings in the Open Countryside (Warwick District Local Plan 2011-2029 - Publication Draft April 2014)
NE3 - Biodiversity (Warwick District Local Plan 2011-2029 - Publication Draft April 2014)

Guidance Documents

Residential Design Guide (Supplementary Planning Guidance - April 2008)
The 45 Degree Guideline (Supplementary Planning Guidance)
Sustainable Buildings (Supplementary Planning Document - December 2008)

The case officer was of the opinion that the application was for extensions / additions to the existing dwelling and the construction of a new building within the Green Belt and due to their size, design and scale they were considered to constitute inappropriate development which would have an adverse impact on the openness of the surrounding area contrary to national and local policy. Furthermore, the proposals would substantially alter the scale, design and character of the original dwelling and were therefore contrary to Policy RAP2, DP1 and the NPPF and no very special circumstances had been put forward sufficient to outweigh that harm.

The following people addressed the Committee:

Mrs Lock and Mrs Graddon, supporting and Councillor Mrs Gallagher, Ward Councillor, supporting.

Following consideration of the report, presentation and the representations made at the meeting, the Committee felt that a site visit would be beneficial when determining the application.

Resolved that application W15/0722 be **deferred** to allow a site visit to take place.

35. W15/0936 – 1 Lancaster Place, Kenilworth

The Committee considered an application from Mr Pope for the erection of a first floor side extension, with render to the front elevation and hipped roof.

PLANNING COMMITTEE MINUTES (Continued)

The application was presented to Committee at the request of Councillor Davies.

The officer considered the following policies to be relevant:

National Planning Policy Framework

The Current Local Plan

DP1 - Layout and Design (Warwick District Local Plan 1996 - 2011)
DP2 - Amenity (Warwick District Local Plan 1996 - 2011)
DP3 - Natural and Historic Environment and Landscape (Warwick District Local Plan 1996 - 2011)
DP12 - Energy Efficiency (Warwick District Local Plan 1996 - 2011)
DP13 - Renewable Energy Developments (Warwick District Local Plan 1996 - 2011)
DP8 - Parking (Warwick District Local Plan 1996 - 2011)

The Emerging Local Plan

BE1 - Layout and Design (Warwick District Local Plan 2011-2029 - Publication Draft April 2014)

Guidance Documents

The 45 Degree Guideline (Supplementary Planning Guidance)
Sustainable Buildings (Supplementary Planning Document - December 2008)
Vehicle Parking Standards (Supplementary Planning Document)
Residential Design Guide (Supplementary Planning Guidance - April 2008)

The case officer was of the opinion that the proposed first floor side extension was not considered to be of acceptable design by virtue that it would reduce the openness of the corner plot and alter the scale and character of the original dwelling. Furthermore, the proposed render and hipped roof would add alien and incongruous features to the established street scene which was contrary to the Residential Design Guide, current Local Plan policy DP1 and emerging Local Plan policy BE1 which would support a reason for refusal.

An addendum circulated at the meeting advised that Kenilworth Town Council raised no objection.

The following people addressed the Committee:

Councillor Mrs Cain, Ward Councillor, supporting.

PLANNING COMMITTEE MINUTES (Continued)

Following consideration of the report, presentation and the representations made at the meeting, the Committee

Resolved that application W15/0822 be **granted** subject to the standard planning conditions for this type of development.

36. W15/0677 – Land at Barford Playing Fields, Church Lane, Barford

The Committee considered an application from Barford, Sherbourne & Wasperton Joint Parish Council for the renovation and improvement of existing playing fields. This included the renewal and enlargement of children's play area, reinstatement of football pitch, construction of multi-activity court, construction of artificial turf court, construction of disabled access toilet and store, installation of perimeter and access footpaths, renovation/upgrading of access track along with services provision and ancillary "park furniture".

The application was presented to Committee because of the number of objections received.

The officer considered the following policies to be relevant:

National Planning Policy Framework

The Current Local Plan

DP1 - Layout and Design (Warwick District Local Plan 1996 - 2011)
DP2 - Amenity (Warwick District Local Plan 1996 - 2011)
DP3 - Natural and Historic Environment and Landscape (Warwick District Local Plan 1996 - 2011)
DP6 - Access (Warwick District Local Plan 1996 - 2011)
DAP8 - Protection of Conservation Areas (Warwick District Local Plan 1996 - 2011)
RAP13 - Directing New Outdoor Leisure and Recreation Development (Warwick District Local Plan 1996 - 2011)

The Emerging Local Plan

BE1 - Layout and Design (Warwick District Local Plan 2011-2029 - Publication Draft April 2014)
BE3 - Amenity (Warwick District Local Plan 2011-2029 - Publication Draft April 2014)
TR1 - Access and Choice (Warwick District Local Plan 2011-2029 - Publication Draft April 2014)
HE2 - Protection of Conservation Areas (Warwick District Local Plan 2011-2029 - Publication Draft April 2014)

Guidance Documents

Barford Village Design Statement (September 2009)
Open Space (Supplementary Planning Document - June 2009)

PLANNING COMMITTEE MINUTES (Continued)

The case officer was of the opinion that the proposals were being put forward by the Parish Council who had carried out public consultation in respect of the proposals. The improvements subject of this application would have a less than substantial impact on the character of the Conservation Area, as the improvements had been sited in the most appropriate locations within the site to minimise their overall impact to the character of the area and adjacent residential properties. However, the public benefits would outweigh the harm to heritage assets and therefore planning permission should be granted.

An addendum circulated at the meeting advised that one additional letter of support had been received along with further information on the proposed tennis practice wall. An additional condition was also recommended relating to the materials of the tennis practice wall.

The following people addressed the Committee:

Councillor Rhead, Ward Councillor, supporting.

Following consideration of the report, presentation and the representations made at the meeting, the Committee

Resolved that application W15/0677 be **granted** subject to the following conditions:

- (1) the development hereby permitted shall begin not later than three years from the date of this permission. **Reason:** To comply with Section 91 of the Town and Country Planning Act 1990 (as amended);
- (2) the development hereby permitted shall be carried out strictly in accordance with the details shown on the site location plan and approved drawings 3124-01 Rev E; Q3374_Profile; Q3374_D3124-01 Rev A; Barford Playing Fields(King George's Field) Fencing Proposal and specification contained therein, submitted on 1st May 2015. **Reason:** For the avoidance of doubt and to secure a satisfactory form of development in accordance with Policies DP1 and DP2 of the Warwick District Local Plan 1996-2011;
- (3) the development hereby permitted shall be carried out only in full accordance with sample details of the colour finishes for the proposed play equipment and fencing which shall have been submitted to and approved in writing by the local planning authority. **Reason:** To ensure that the proposed development has a satisfactory external appearance in the interests of the visual amenities of the locality in accordance with Policy DP1 & DA8 of the

PLANNING COMMITTEE MINUTES (Continued)

Warwick District Local Plan 1996-2011;

- (4) no development or other operations (including demolition, site clearance or other preparatory works) shall be commenced until adequate steps, which shall have been previously approved in writing by the local planning authority, have been taken to safeguard against damage or injury during construction works (in accordance with Clause 7 of British Standard BS5837- 2012 Trees in Relation to Design, Demolition & Construction) to all tree(s) on the site, or those tree(s) whose root structure may extend within the site and which are within the Warwick District Council Barford Conservation Area. In particular no excavations, site works, trenches or channels shall be cut or pipes or services laid, no fires shall be lit within 10 metres of the nearest point of the canopy of any protected tree(s); no equipment, machinery or structure shall be attached to or supported by a protected tree(s); no mixing of cement or use of other contaminating materials or substances shall take place within, or close enough to, a root protection area that seepage or displacement could cause them to enter a root protection area, or any other works be carried out in such a way as to cause damage or injury to the tree(s) by interference with their root structure and that no soil or waste shall be deposited on the land in such a position as to be likely to cause damage or injury to the tree(s).
Reason: To protect those trees which are of significant amenity value to the area and which would provide an enhanced standard of appearance to the development in accordance with Policy DP3 of the Warwick District Local Plan 1996-2011; and
- (5) submission of details of the materials in relation to the Tennis Practise wall.

37. W15/0777 – 59 Albert Street, Warwick

The Committee considered an application from Orbit for the installation of external wall insulation with cream render finish to all elevations.

The application was presented to Committee because of the number of objections received, including one from Warwick Town Council.

The officer considered the following policies to be relevant:

National Planning Policy Framework

PLANNING COMMITTEE MINUTES (Continued)

The Current Local Plan

- DP1 - Layout and Design (Warwick District Local Plan 1996 - 2011)
- DP2 - Amenity (Warwick District Local Plan 1996 - 2011)
- DP12 - Energy Efficiency (Warwick District Local Plan 1996 - 2011)

The Emerging Local Plan

- BE1 - Layout and Design (Warwick District Local Plan 2011-2029 - Publication Draft April 2014)
- BE3 - Amenity (Warwick District Local Plan 2011-2029 - Publication Draft April 2014)
- CC1 - Planning for Climate Change Adaptation (Warwick District Local Plan 2011-2029 - Publication Draft April 2014)

Guidance Documents

Residential Design Guide (Supplementary Planning Guidance - April 2008)

The case officer was of the opinion that the proposed external insulation and render would have a harmful impact on the street scene, however, this was outweighed by the benefits in relation to energy efficiency, and the balance of National Guidance supported the proposal and planning permission should be granted.

An addendum circulated at the meeting advised that three further public responses had been received, objecting to the proposals.

The following people addressed the Committee:

Mr Carpenter, objector and Councillor Bromley, Ward Councillor, objecting.

Following consideration of the report, presentation and the representations made at the meeting, the Committee

Resolved that application W15/0777 be **refused** because the proposed development, by reason of its nature and appearance, would introduce an alien and incongruous feature within the established street scene.

38. W15/0938 – 33 Morse Road, Whitnash

This item was withdrawn from the agenda because Whitnash Town Council had amended its comments in relationship to the application.

(The Chairman adjourned the meeting at 10.27 pm)

PLANNING COMMITTEE MINUTES (Continued)

Resumption of the adjourned Planning Committee meeting held on Wednesday 22 July 2015 in the Town Hall, Royal Leamington Spa at 6.00 pm.

Present: Councillor Cooke (Chairman); Councillors Ashford, Mrs Bunker, Mrs Hill, Morris, Stevens and Weed.

Apologies for absence were received from Councillors Boad, Cain, Heath and Mrs Knight.

39. W15/0778 – 38 Coventry Road, Warwick

The Committee considered an application from Orbit for external insulation and cream render to all elevations.

The application was presented to Committee because an objection had been received from Warwick Town Council.

The officer considered the following policies to be relevant:

National Planning Policy Framework

The Current Local Plan

DP1 - Layout and Design (Warwick District Local Plan 1996 - 2011)

DP2 - Amenity (Warwick District Local Plan 1996 - 2011)

DP12 - Energy Efficiency (Warwick District Local Plan 1996 - 2011)

The Emerging Local Plan

BE1 - Layout and Design (Warwick District Local Plan 2011-2029 - Publication Draft April 2014)

BE3 - Amenity (Warwick District Local Plan 2011-2029 - Publication Draft April 2014)

CC1 - Planning for Climate Change Adaptation (Warwick District Local Plan 2011-2029 - Publication Draft April 2014)

Guidance Documents

Residential Design Guide (Supplementary Planning Guidance - April 2008)

The case officer was of the opinion that the proposed development would not result in material harm to the streetscene while having sustainability benefits which were given significant weight by the NPPF. The proposal was therefore considered to accord with the aforementioned policies and was recommended for approval.

An addendum circulated at the meeting advised that four further public responses had been received, objecting to the proposal.

The following people addressed the Committee:

Mr Davidson, objecting.

PLANNING COMMITTEE MINUTES (Continued)

Following consideration of the report, presentation and the representations made at the meeting, the Committee

Resolved that application W15/0778 be **refused** because the proposed development, by reason of its nature and appearance, would introduce an alien and incongruous feature within the established street scene.

40. W15/0779 – 48 Coventry Road, Warwick

The Committee considered an application from Orbit for the installation of external wall insulation with cream render finish to all elevations.

The application was presented to Committee because an objection had been received from Warwick Town Council.

The officer considered the following policies to be relevant:

National Planning Policy Framework

The Current Local Plan

DP1 - Layout and Design (Warwick District Local Plan 1996 - 2011)

DP2 - Amenity (Warwick District Local Plan 1996 - 2011)

DP12 - Energy Efficiency (Warwick District Local Plan 1996 - 2011)

The Emerging Local Plan

BE1 - Layout and Design (Warwick District Local Plan 2011-2029 - Publication Draft April 2014)

BE3 - Amenity (Warwick District Local Plan 2011-2029 - Publication Draft April 2014)

CC1 - Planning for Climate Change Adaptation (Warwick District Local Plan 2011-2029 - Publication Draft April 2014)

Guidance Documents

Residential Design Guide (Supplementary Planning Guidance - April 2008)

The case officer was of the opinion that the proposed development would not result in material harm to the streetscene while having sustainability benefits which were given significant weight by the NPPF. PLANNING COMMITTEE MINUTES (Continued)

Resolved that application W15/0779 be **refused** because the proposed development, by reason of its nature and appearance, would introduce an alien and incongruous feature within the established street scene.

41. W15/0839 – Land adjacent Greenacre, Rising Lane, Baddesley Clinton

The Committee considered an application from Kingswood Homes (West Midlands) Ltd for the erection of one detached dwelling house.

The application was presented to Committee because an objection had been received from Baddesley Clinton Parish Council.

The officer considered the following policies to be relevant:

National Planning Policy Framework

The Current Local Plan

DP1 - Layout and Design (Warwick District Local Plan 1996 - 2011)
DP2 - Amenity (Warwick District Local Plan 1996 - 2011)
DP3 - Natural and Historic Environment and Landscape (Warwick District Local Plan 1996 - 2011)
DP6 - Access (Warwick District Local Plan 1996 - 2011)
DP8 - Parking (Warwick District Local Plan 1996 - 2011)
DP9 - Pollution Control (Warwick District Local Plan 1996 - 2011)
DP11 - Drainage (Warwick District Local Plan 1996 - 2011)
DP13 - Renewable Energy Developments (Warwick District Local Plan 1996 - 2011)
DAP3 - Protecting Nature Conservation and Geology (Warwick District Local Plan 1996 - 2011)

The Emerging Local Plan

BE1 - Layout and Design (Warwick District Local Plan 2011-2029 - Publication Draft April 2014)
BE3 - Amenity (Warwick District Local Plan 2011-2029 - Publication Draft April 2014)
H11 - Limited Village Infill Housing Development in the Green Belt (Warwick District Local Plan 2011-2029 - Publication Draft April 2014)
TR4 - Parking (Warwick District Local Plan 2011-2029 - Publication Draft April 2014)

The case officer was of the opinion that the development was acceptable in principle and respected surrounding buildings in terms of scale, height, form and massing and did not adversely affect the amenity of nearby residents or highway safety. The proposal was therefore considered to comply with the policies listed.

Following consideration of the report, presentation and the representations made at the meeting, the Committee

PLANNING COMMITTEE MINUTES (Continued)

Resolved that application W15/0839 be **granted** subject to the following conditions:

- (1) the development hereby permitted shall begin not later than three years from the date of this permission. **Reason:** To comply with Section 91 of the Town and Country Planning Act 1990 (as amended);
- (2) the development hereby permitted shall be carried out strictly in accordance with the details shown on the site location plan and approved drawing(s) 450, 150A, 260 and specification contained therein, submitted on 26 May 2015. **Reason:** For the avoidance of doubt and to secure a satisfactory form of development in accordance with Policies DP1 and DP2 of the Warwick District Local Plan 1996-2011;
- (3) the development shall be carried out only in full accordance with sample details of the facing and roofing materials which shall have been submitted to and approved in writing by the local planning authority. **Reason:** To ensure that the proposed development has a satisfactory external appearance in the interests of the visual amenities of the locality in accordance with Policy DP1 of the Warwick District Local Plan 1996-2011;
- (4) no part of the development hereby permitted shall be commenced and nor shall any equipment, machinery or materials be brought onto the site until a scheme for the protection of all existing trees and hedges to be retained on site has been submitted to and approved in writing by the District Planning Authority and has been put in place. The scheme must include details of the erection of stout protective fencing and be in accordance with British Standard BS5837:2012, Trees in Relation to design, demolition and construction. Nothing shall be stored or placed in those areas fenced in accordance with this condition and nor shall the ground levels be altered or any excavation take place without the prior consent in writing of the Local Planning Authority. The approved scheme shall be kept in place until all parts of the development have been completed and all equipment, machinery and surplus materials have been removed. **Reason:** To protect trees and other features during site construction in

PLANNING COMMITTEE MINUTES (Continued)

accordance with Policy DP3 of the Warwick District Local Plan 1996-2011;

- (5) the development hereby permitted shall be carried out in strict accordance with details of surface water drainage works that shall have been submitted to and approved in writing by the local planning authority. Details shall include sustainable urban drainage methods to avoid localised flooding from the highway onto the lower application site. **Reason:** To ensure that a satisfactory means of drainage is provided such as to minimise flooding in accordance with Policies DP11 & DP3 of the Warwick District Local Plan 1996-2011;
- (6) the development hereby permitted shall not be commenced unless and until a scheme showing how either a). at least 10% of the predicted energy requirement of the development will be produced on or near to the site from renewable energy resources, or b). a scheme showing how at least 10% of the energy demand of the development and its CO² emissions would be reduced through the initial construction methods and materials has been submitted to and approved in writing by the Local Planning Authority. The development shall not be first occupied until all the works within the approved scheme have been completed and thereafter the works shall be retained at all times and shall be maintained strictly in accordance with manufacturer's specifications. **Reason:** To ensure that adequate provision is made for the generation of energy from renewable energy resources or to achieve carbon savings in accordance with the provisions of Policy DP13 in the Warwick District Local Plan 1996-2011;
- (7) if an air source heat pump is chosen as the method to comply with the requirement for renewable energy, noise arising from the air source heat pump(s) permitted, when measured one metre from the facade of any noise sensitive premises, shall not exceed the background noise level by more than 3dB (A) measured as LAeq (5 minutes). If the noise in question involves sounds containing a distinguishable, discrete, continuous tone (whine, screech, hiss, hum etc.) or if there are discrete impulses (bangs, clicks, clatters, thumps etc.) or if the noise is irregular enough to attract attention, 5dB(A) shall be added to

PLANNING COMMITTEE MINUTES (Continued)

the measured level. **Reason:** To protect the amenities of the occupiers of nearby properties in the locality in accordance with Policies DP2 & DP9 of the Warwick District Local Plan 1996-2011;

- (8) the development shall not be occupied until visibility splays have been provided to the vehicular access to the site with an 'x' distance of 2.4 metres and 'y' distances of 43 metres to the near edge of the public highway carriageway. No structure, tree or shrub shall be erected, planted or retained within the splays exceeding, or likely to exceed at maturity, a height of 0.6 metres above the level of the public highway carriageway.

Reason: To ensure that a satisfactory visibility splays in the interests of highway safety in accordance with Policy DP6 of the Warwick District Local Plan 1996-2011;

- (9) the development hereby permitted (including site clearance) shall not commence unless and until two weeks' notice in writing of the start of works has been given to a licensed great crested newt ecologist appointed by the applicant to supervise all ground work elements of the development within the site. The Ecologist's report shall be submitted to the Local Planning Authority within one month of its completion. **Reason:** To ensure that protected species are not harmed by the development in accordance with Policy DP3 of the Warwick District Local Plan 1996-2011 and NPPF;

- (10) the development hereby permitted shall either:
- a.) Be timetabled and carried out to avoid the bird breeding season (March to September inclusive) to prevent possible disturbance to nesting birds.
 - b.) Not commence until a qualified ecologist has been appointed by the applicant to inspect the vegetation to be cleared on site for evidence of nesting birds immediately prior to works. If evidence of nesting birds is found works may not proceed in that area until outside of the nesting bird season (March to September inclusive) or until after the young have fledged, as advised by ecologist. Birds can nest in many places including buildings, trees, shrubs, dense ivy, and bramble/rose scrub. Nesting birds are protected under the 1981 Wildlife and Countryside Act. **Reason:**

PLANNING COMMITTEE MINUTES (Continued)

To ensure that protected species are not harmed by the development in accordance with Policy DP3 of the Warwick District Local Plan 1996-2011 and NPPF; and

- (11) Submission of a scheme for the protection of trees around the boundaries of the site.

42. W15/0939 – 12 Coventry Road, Baginton, Coventry

The Committee considered an application from Mr and Mrs Tearne for the erection of a two bedroomed bungalow to the rear of the existing dwelling.

The application was presented to Committee because of the number of objections received, including one from Baginton Parish Council.

The officer considered the following policies to be relevant:

National Planning Policy Framework

The Current Local Plan

DP1 - Layout and Design (Warwick District Local Plan 1996 - 2011)
DP2 - Amenity (Warwick District Local Plan 1996 - 2011)
DP11 - Drainage (Warwick District Local Plan 1996 - 2011)
DP13 - Renewable Energy Developments (Warwick District Local Plan 1996 - 2011)
DP3 - Natural and Historic Environment and Landscape (Warwick District Local Plan 1996 - 2011)
DP5 - Density (Warwick District Local Plan 1996 - 2011)
DP6 - Access (Warwick District Local Plan 1996 - 2011)
DP8 - Parking (Warwick District Local Plan 1996 - 2011)

The Emerging Local Plan

BE1 - Layout and Design (Warwick District Local Plan 2011-2029 - Publication Draft April 2014)
BE3 - Amenity (Warwick District Local Plan 2011-2029 - Publication Draft April 2014)
CC3 - Buildings Standards Requirements (Warwick District Local Plan 2011-2029 - Publication Draft April 2014)

TR4 - Parking (Warwick District Local Plan 2011-2029 - Publication Draft April 2014)
NE3 - Biodiversity (Warwick District Local Plan 2011-2029 - Publication Draft April 2014)

Guidance Documents

PLANNING COMMITTEE MINUTES (Continued)

Sustainable Buildings (Supplementary Planning Document - December 2008)

Residential Design Guide (Supplementary Planning Guidance - April 2008)

The 45 Degree Guideline (Supplementary Planning Guidance)

Vehicle Parking Standards (Supplementary Planning Document)

The case officer was of the opinion that the proposed development was of an acceptable standard of design which would not cause unacceptable harm to the street scene in which the site was located and would not result in an unacceptable adverse impact on the amenity of nearby residents by reason of overbearing effect, loss of light or privacy. The proposal was therefore considered to comply with the adopted policies and guidance listed.

Following consideration of the report, and presentation, the Committee

Resolved that application W15/0939 be **granted** subject to the following conditions:

- (1) the development hereby permitted shall begin not later than three years from the date of this permission. **Reason:** To comply with Section 91 of the Town and Country Planning Act 1990 (as amended);
- (2) the development hereby permitted shall be carried out strictly in accordance with the details shown on the site location plan and approved drawing(s) 15/04-01 and 15/04-02, and specification contained therein, submitted on 15.6.15.
Reason: For the avoidance of doubt and to secure a satisfactory form of development in accordance with Policies DP1 and DP2 of the Warwick District Local Plan 1996-2011;
- (3) no development shall take place until:
 - a) a Written Scheme of Investigation (WSI) for a programme of archaeological evaluative work shall be submitted to and approved in writing by the LPA in consultation with the Warwickshire County Council Archaeological Information and Advice team.
 - b) the programme of archaeological evaluative work and associated post-excavation analysis, report production and archive deposition detailed within the approved WSI is to be undertaken.A report detailing the results of this fieldwork is to be submitted to the planning authority.
Reason: To ensure a satisfactory programme of works is undertaken to secure and assess any archaeological remains in connection to the site in accordance with policy DP4 of the

PLANNING COMMITTEE MINUTES (Continued)

WDLP;

- (4) prior to any development works (with the exception of any groundworks associated with the archaeological evaluation detailed above) taking place an Archaeological Mitigation Strategy document (including a Written Scheme of Investigation for any archaeological fieldwork proposed) shall be submitted to and approved in writing by the LPA. This should detail a strategy to mitigate the archaeological impact of the proposed development and should be informed by the results of the archaeological evaluation detailed in condition above. The programme of archaeological fieldwork and associated post-excavation analysis, report production and archive deposition detailed within the approved Archaeological Mitigation Strategy is to be undertaken. **Reason:** To ensure a satisfactory programme of works is undertaken to secure and assess any archaeological remains in connection to the site in accordance with policy DP4 of the WDLP;
- (5) the access to the site for vehicles shall not be used unless a public highway footway/verge crossing has been laid out and constructed in accordance with the standard specification of the Highway Authority.
Reason: In the interests of highway safety and in accordance with policy DP6 of the WDLP;
- (6) the development shall not be occupied until an access for vehicles has been provided to the site not less than 5 metres in width for a distance of at least 7.5 metres, as measured from the near edge of the public highway carriageway. **Reason:** In the interests of highway safety and in accordance with policy DP6 of the WDLP;
- (7) the access to the site for vehicles shall not be used in connection with the development until it has been surfaced with a bound material for a distance of at least 7.5 metres as measured from the near edge of the public highway carriageway. **Reason:** In the interests of highway safety and in accordance with policy DP6 of the WDLP;
- (8) the development hereby permitted shall not be first occupied unless and until the renewable

PLANNING COMMITTEE MINUTES (Continued)

energy scheme submitted as part of the application has been wholly implemented in strict accordance with the approved details. The works within this scheme shall be retained at all times thereafter and shall be maintained strictly in accordance with manufacturer's specifications. Microgeneration equipment no longer needed for microgeneration shall be removed as soon as reasonably practicable.

Reason: To ensure that adequate provision is made for the generation of energy from renewable energy resources in accordance with the provisions of Policy DP13 in the Warwick District Local Plan 1996-2011;

- (9) the development shall be carried out only in full accordance with sample details of the facing and roofing materials which shall have been submitted to and approved in writing by the local planning authority. **Reason:** To ensure that the proposed development has a satisfactory external appearance in the interests of the visual amenities of the locality in accordance with Policy DP1 of the Warwick District Local Plan 1996-2011;
- (10) the development hereby permitted shall be carried out in strict accordance with details of surface and foul water drainage works that shall have been submitted to and approved in writing by the local planning authority. **Reason:** To ensure that adequate drainage facilities are available for the satisfactory and proper development of the site in accordance with Policy DP11 of the Warwick District Local Plan 1996-2011;
- (11) the areas indicated on the approved drawings for vehicular manoeuvring space and parking shall at all times be kept free of obstruction and be available for those purposes unless otherwise agreed in writing by the local planning authority. **Reason:** To ensure that a satisfactory provision of off-street car parking and turning facilities are maintained at all times in the interests of the free flow of traffic and highway safety in accordance with Policies DP6 & DP8 of the Warwick District Local Plan 1996-2011;
- (12) the existing tree(s) and shrub(s) indicated on the approved plans to be retained shall not be cut down, grubbed out, topped, lopped or uprooted without the written consent of the

PLANNING COMMITTEE MINUTES (Continued)

local planning authority. Any tree(s) or shrub(s) removed without such consent or dying, or being severely damaged or diseased or becomes, in the opinion of the local planning authority, seriously damaged or defective, within five years from the substantial completion of development shall be replaced, as soon as practicable with tree(s) and shrub(s) of such size and species details of which must be submitted to and approved by the local planning authority. All tree(s) and shrub(s) shall be planted in accordance with British Standard BS4043 – Transplanting Root-balled Trees and BS4428 – Code of Practice for General Landscape Operations (excluding hard surfaces). **Reason:** To protect those landscape features which are of significant amenity value and which ensure a satisfactory standard of appearance of the development in the interests of the visual amenities of the area in accordance with Policies DP1 and DP3 of the Warwick District Local Plan 1996-2011;

- (13) notwithstanding the provisions of the Town and Country Planning (General Permitted Development) Order 1995 (or any order revoking and re-enacting that Order with or without modification), no further development shall take place within the curtilage of any dwellinghouse hereby permitted without the prior written approval of the local planning authority. **Reason:** That due to the restricted nature of the application site and its relationship with adjoining properties it is considered important to ensure that no additional development is carried out without the permission of the local planning authority in accordance with Policies DP1 & DP2 of the Warwick District Local Plan 1996-2011; and
- (14) the development hereby permitted shall only be undertaken in strict accordance with details of both hard and soft landscaping works which have been submitted to and approved in writing by the local planning authority. Details of hard landscaping works shall include boundary treatment, including full details of the proposed boundary walls, railings and gates to be erected, specifying the colour of the railings and gates; footpaths; and hard surfacing, which shall be made of porous materials or provision shall be made to direct run-off water from the hard surface to a permeable or porous area. The hard

PLANNING COMMITTEE MINUTES (Continued)

landscaping works shall be completed in full accordance with the approved details within three months of the first occupation of the dwelling hereby permitted; and all planting shall be carried out in accordance with the approved details in the first planting and seeding seasons following the first occupation. Any tree(s) or shrub(s) which within a period of five years from the completion of the development dies, is removed or becomes in the opinion of the local planning authority seriously damaged, defective or diseased shall be replaced in the next planting season with another of similar size and species, unless the local planning authority gives written consent to any variation. All hedging, tree(s) and shrub(s) shall be planted in accordance with British Standard BS4043 – Transplanting Root-balled Trees and BS4428 – Code of Practice for General Landscape Operations. **Reason:** To ensure a satisfactory standard of appearance of the development in the interests of the visual amenities of the area in accordance with Policies DP1, DP2 and DP3 of the Warwick District Local Plan 1996-2011.

43. Current Appeals Report

The Committee received a written update from Development Services which advised of the current list of planning and enforcement appeals either awaiting decision or where a decision had been received.

(The meeting ended at 7.00 pm)
