The Chair informed Council that her fund raising quiz in February had raised £720 for her charities and thanked all those who had attended.

The Chair encouraged Councillors to attend her Civic Dinner on 10 March 2017 where Ian Dove QC would be the guest speaker.

The Chair informed the Council that she would be attending, and encouraged all Councillors to attend, the Action21 'Eco Fun Day'. This would be an organised

riverside walk, on 7 May 2017, from St Nicholas Park to the Pump Room Gardens and would form part of an eco-focussed family fun day.

The Chair informed Council that the local churches and chamber of trade were organising an event to look at homelessness with a view to helping financial and social inclusion. This was due to take place on 9 May 2017 at the Town Hall and would include a Civic reception for participants.

The Chair informed Council that there were no Petitions, under item 5 of the agenda, for consideration by Council.

74. **Notices of Motion**

It was proposed by Councillor Parkin, and duly seconded that:

Warwick District Council support the Warwickshire Energy Plan in the first instance through the establishment of a municipal not-for-profit energy supply service; to work urgently to conclude agreements with Warwickshire County Council so that supply contracts are put in place in relation to housing stock (particularly voids) and registered social landlords to ensure the success of this important initiative and the benefits it will bring to consumers in Warwick District through market-leading tariffs, support for customers switching from costly pre-payment meters to smart pay-as-you-go meters and provision of consistent high quality customer service

Councillor Parkin proposed and it was duly seconded that the motion be debated at Council that evening. On being put to the vote the proposal was lost. The motion was therefore deferred to the Executive for consideration.

75. **Public Submissions**

Mrs J Green addressed the Council regarding the proposed management fee of £1million and two years of no concession payments to the new leisure centre management contract provider and the potential impacts of this on Phase 2 of the leisure centre programme.

76. **Leader's and Portfolio Holders' Statements**

The Leader, Councillor Mobbs, welcomed the Notice of Motion but explained he felt a detailed report was required before taking a decision on how to proceed.

The Leader, Councillor Mobbs, shared the concerns of fellow Councillors regarding fly tipping enforcement and therefore had asked officers for a report on this matter.

The Portfolio Holder for Housing & Property Services, Councillor Phillips, welcomed the Notice of Motion and explained that a report was required to explained informed decision to be taken.

The Portfolio Holder for Housing & Property Services, Councillor Phillips updated Council on its participation in the West Midlands Strategic Migration Partnership, which administered the Government's Syrian Vulnerable Persons Resettlement scheme across the region. The Council had made a commitment to the Partnership in March 2016 stating that it would support the resettlement of up to five refugee families in the District in the next five years.

The Council had continued to work with Warwickshire County Council, neighbouring Warwickshire authorities and other agencies to prepare for the arrival of the families. The five district and borough councils within Warwickshire agreed to initially resettle two families and the first families arrived in Warwickshire on 30 November 2016. These families were accommodated by Stratford District, Rugby Borough and Nuneaton & Bedworth Borough Council. Warwick District and North Warwickshire Borough Councils committed to resettling two families each from the flight in February/March 2017.

With the help of landlords, who wanted to support this work, Warwick District Council secured two properties in the private rented sector. Through the West Midlands Strategic Migration Partnership the Council received and agreed the family referrals for these properties. Although the flight timetable had slipped a little, these families would arrive towards the latter end of March 2017.

The Portfolio Holder for Housing & Property Services, Councillor Phillips updated Council in response to the question raised at Council in January about the cleaning of communal areas in blocks of flats owned by Warwick District Council and how tenants could help.

The Council owned 279 blocks across the District. Of these cleaners were contracted to regularly clean the communal areas in 102 blocks, including all the high rise blocks.

For those blocks without cleaning contractors, tenants were asked to clean the communal areas as set out in tenancy condition. Where necessary, this was supplemented with cleaning carried out by our Neighbourhood Services team.

Where cleaning was undertaken by contractors or Council staff, signage would be placed to warn of slip hazards. The Council did not expect tenants to place signage but to take reasonable care. This would mean ensuring that the areas cleaned were not overly wet and that ventilation was provided to the area. Only if the cleaning undertaken left a real danger would the Council intervene to give guidance about how to leave the area safe.

Officers encouraged tenants to keep the communal areas clean and write to tenants where they were not meeting their obligations to keep the blocks clean, reminding them of the requirement in the tenancy agreement.

The Portfolio Holder for Housing & Property Services, Councillor Phillips informed Council of the opening of Sayer Court on 30 January by Kate Sayer, daughter of Malcolm Sayer, together with Councillor Mrs Knight and himself. There were about 60 people in attendance, including Chris White MP, senior officers, Housing and Property Services staff and residents. On behalf of Council he thanked all the officers for the hard work they put in to get this project from the drawing board to a stunning new addition to South Leamington and 81 welcome new additions to the council housing stock in the District.

In light of the success of Sayer Court, the Executive had decided to start investigating the possibility of a second such scheme within the District, so that when there was more certainty over the HRA housing levy, the Council could rapidly proceed.

As the Council had limited land available, it was likely to be a similar regeneration scheme of an area, as was done with the old Featherstone Court. For example, there had already been discussions with residents in Lillington, where Crown Way housing could be a suitable site. If any scheme was proposed, all residents would be consulted.

In addition, Officers continued to look for the opportune purchases of small parcels of houses, such as in Cloister Way. By their very nature, such purchases were unpredictable and approval would be sought on an individual basis for purchase and the appropriation of funds

77. **Questions to the Leader of the Council & Portfolio Holders**

Councillor Quinney, asked the Leader of the Council, if the report on fly tipping and enforcement would be a public report and when would it be brought to Executive?

In response, the Leader, Councillor Mobbs, explained that the report would be public but a timescale had not been set because there was a need for careful consideration of this matter to ensure any proposal was well thought through. While he had empathy for the situation, due care was required.

In response to a question of clarification from Councillor Quinney, the Leader explained he thought the report would come forward in the next two to three months.

Councillor Barrott, asked the Portfolio Holder for Neighbourhood Services, if that in light of potential for the major contract renewal to see an increase in cost of £1.5million, would he be undertaking any work to reduce this potential cost.

In response, Councillor Shilton, Portfolio Holder for Neighbourhood Services, explained that work was ongoing including a potential County wide single contract.

Councillor Weed asked the Leader when the full report on the Corporate Peer Challenge, undertaken last July, would be provided to Councillors for them to consider?

In response, the Leader, Councillor Mobbs, explained that the review had been very successful and the delay did not mean the Executive were not thinking and work had not stopped. It was envisaged a report would be brought in the next few months.

Councillor Bromley asked the Portfolio Holder for Housing & Property Services, for an update on the Theatre Street development in Warwick.

In response, the Portfolio Holder, Councillor Phillips, explained that the development was under the control of Waterloo Housing and while this was now beginning to move forward, no start date for the build had been confirmed.

Councillor Falp asked the Leader if the Executive were looking at the proposal for recording meetings, as per the notice of motion.

In response, the Leader confirmed that investigations were ongoing with a view to moving to a new system.

Councillor Boad asked the Leader while the Executive were working on the Peer Challenge report, would it not be possible for Councillors to have site of the review report?

In response to this and a follow up question, the Leader explained that the Executive were working on the report but was not aware that all Councillors had not seen the report.

Councillor Davison asked the Leader if, as a result of the new system, all meetings would be recorded?

The Leader confirmed that they would.

Councillor Boad asked the Leader what action was being taken with regard to the lighting in the Council Chamber.

Councillor Mobbs agreed with his concerns and would ask officers to look into this.
