Status of our reports

The Statement of Responsibilities of Auditors and Audited Bodies issued by the Audit Commission explains the respective responsibilities of auditors and of the audited body. Reports prepared by appointed auditors are addressed to non-executive directors/ members or officers. They are prepared for the sole use of the audited body. Auditors accept no responsibility to:

- any director/member or officer in their individual capacity; or
 - any third party.
-

Introduction

- 1 This plan sets out the audit work that we propose to undertake for the audit of your financial statements for 2009/10. The plan is based on the Audit Commission's risk-based approach to audit planning. It reflects:
 - audit work specified by the Audit Commission for 2009/10;
 - current national risks relevant to your local circumstances; and
 - your local risks.

Responsibilities

- 2 The Audit Commission's Statement of Responsibilities of Auditors and of Audited Bodies sets out the respective responsibilities of the auditor and the audited body. The Audit Commission has issued a copy of the Statement to every audited body.
- 3 The Statement summarises where the different responsibilities of auditors and of the audited body begin and end, and our audit work is undertaken in the context of these responsibilities.
- 4 We comply with the statutory requirements governing our audit work, in particular:
 - the Audit Commission Act 1998; and
 - the Code of Audit Practice.

Fee for the audit of financial statements

- 5 The fee for the audit is £116,843, as indicated in our letter of 28 April 2009.
- 6 In setting the fee, we have assumed that:
 - the level of risk in relation to the audit of accounts is reduced from that for 2008/09 owing to the resolution of issues raised previously and the implementation of recommendations made in our 2008/09 Annual Governance Report;
 - good quality working papers will be supplied to support the statements; and
 - Internal Audit undertakes appropriate work on all material systems, as agreed in our cyclical plan, and this is available for our review by 8 March 2010.
- 7 Where these assumptions are not met, we will be required to undertake additional work which is likely to result in an increased audit fee. Where this is the case, we will discuss this in the first instance with the Head of Finance and we will issue supplements to the plan to record any revisions to the risk and the impact on the fee.
- 8 Further information on the basis for the fee is set out in Appendix 1.

Specific actions Warwick District Council could take to reduce its audit fees

- 9 The Audit Commission requires its auditors to inform audited bodies of specific actions it could take to reduce its audit fees. As in previous years, we will work with staff to identify any specific actions that the Council could take and to provide ongoing audit support.

Auditors report on the financial statements

- 10 We will carry out the audit of the financial statements in accordance with International Standards on Auditing (UK and Ireland) issued by the Auditing Practices Board (APB).
- 11 We are required to issue an audit report giving an opinion on whether the accounts present fairly the financial position of the Council as at 31 March 2010.

Identifying opinion audit risks

- 12 As part of our audit risk identification process, we need to fully understand the audited body to identify any risk of material misstatement (whether due to fraud or error) in the financial statements. We do this by:
 - identifying the business risks facing the Council, including assessing your own risk management arrangements;
 - considering the financial performance of the Council;
 - assessing internal control – including reviewing the control environment, the IT control environment and Internal Audit; and
 - assessing the risk of material misstatement arising from the activities and controls within the Council information systems.

Identification of specific risks

13 We have considered the additional risks that are appropriate to the current opinion audit and have set these out below.

Table 1 **Specific risks**
Specific opinion risks identified

Risk area	Audit response
There were uncompleted Land Registrations as at 31 March 2009.	We will check the 2009/10 land registrations with the Land Registry and reconciliation to the Fixed Asset Register.
CIPFA Statement of Recommended Practice (SORP) 2009.	We will check that the accounting treatment and disclosure requirements per SORP 2009 are followed.

Testing strategy

- 14 On the basis of risks identified above we will produce a testing strategy which will consist of testing key controls and/or substantive tests of transaction streams and material account balances at year-end.
- 15 Our testing can be carried out both before and after the draft financial statements have been produced (pre- and post-statement testing).
- 16 Wherever possible, we will complete some substantive testing earlier in the year before the financial statements are available for audit. We have identified the following areas where substantive testing could be carried out early.
- Review of accounting policies.
 - Bank reconciliation.
 - Investments – ownership.
 - Year-end feeder system reconciliations.
 - Fixed Asset additions.
 - Fixed Asset Valuations.

Where other early testing is identified as being possible, this will be discussed with officers.

- 17 Wherever possible, we seek to rely on the work of Internal Audit to help meet our responsibilities. For 2009/10, we expect to be able to use the results of the following pieces of work.
- General Ledger.
 - Debtors.
 - Income Collection.
 - Council Tax.
 - Vehicle Parking.

Key milestones and deadlines

- 18 The Council is required to prepare the financial statements by 30 June 2010. We are required to complete our audit and issue our opinion by 30 September 2010. The key stages in the process of producing and auditing the financial statements are shown in Table 2.
- 19 We will agree with you a schedule of working papers required to support the entries in the financial statements.
- 20 Every week, we will meet with the key contact and review the status of all queries. If appropriate, we will meet at a different frequency depending upon the need and the number of issues arising.

- 23 One of our audit staff has disclosed a relationship with a member of the Council's staff. We have reviewed this relationship and do not consider that it will prejudice his audit role. However if you wish to discuss this further please let us know.
- 24 We comply with the ethical standards issued by the APB and with the Commission's requirements in respect of independence and objectivity as summarised in Appendix 2.

Appendix 1 – Basis for fee

- 1 The Audit Commission is committed to targeting its work where it will have the greatest effect, based upon assessments of risk and performance. This means planning work to address areas of risk relevant to our audit responsibilities and reflecting this in the audit fees.
- 2 The risk assessment process starts with the identification of the significant financial and operational risks applying to the Council with reference to:
 - our cumulative knowledge of the Council;
 - planning guidance issued by the Audit Commission;
 - the specific results of previous and ongoing audit work;
 - interviews with Council officers; and
 - liaison with Internal Audit.

Assumptions

- 3 In setting the fee, we have assumed that:
 - the level of risk in relation to the audit of the financial statements is not significantly different from that identified for 2008/09;
 - you will inform us of significant developments impacting on the audit;
 - Internal Audit meets the appropriate professional standards;
 - Internal Audit undertakes appropriate work on all systems, as agreed, that provide material figures in the financial statements sufficient that we can place reliance for the purposes of our audit;
 - good quality working papers and records will be provided to support the financial statements by 30 July 2010;
 - requested information will be provided within agreed timescales;
 - prompt responses will be provided to draft reports; and
 - additional work will not be required to address questions or objections raised by local government electors.
- 4 Where these assumptions are not met, we will be required to undertake additional work which is likely to result in an increased audit fee.

Appendix 2 – Independence and objectivity

- 1 Auditors appointed by the Audit Commission are required to comply with the Commission's Code of Audit Practice and Standing Guidance for Auditors, which defines the terms of the appointment. When auditing the financial statements, auditors are also required to comply with auditing standards and ethical standards issued by the Auditing Practices Board (APB).
- 2 The main requirements of the Code of Audit Practice, Standing Guidance for Auditors and the standards are summarised below.
- 3 International Standard on Auditing (UK and Ireland) 260 (Communication of audit matters with those charged with governance) requires that the appointed auditor:
 - discloses in writing all relationships that may bear on the auditor's objectivity and independence, the related safeguards put in place to protect against these threats and the total amount of fee that the auditor has charged the client; and
 - confirms in writing that the APB's ethical standards are complied with and that, in the auditor's professional judgement, they are independent and their objectivity is not compromised.
- 4 The standard defines 'those charged with governance' as 'those persons entrusted with the supervision, control and direction of an entity'. In your case, the appropriate addressee of communications from the auditor to those charged with governance is the Finance and Audit Committee. The auditor reserves the right, however, to communicate directly with the Council on matters which are considered to be of sufficient importance.
- 5 The Commission's Code of Audit Practice has an overriding general requirement that appointed auditors carry out their work independently and objectively, and ensure that they do not act in any way that might give rise to, or could reasonably be perceived to give rise to, a conflict of interest. In particular, appointed auditors and their staff should avoid entering into any official, professional or personal relationships which may, or could reasonably be perceived to, cause them inappropriately or unjustifiably to limit the scope, extent or rigour of their work or impair the objectivity of their judgement.

- 6 The Standing Guidance for Auditors includes a number of specific rules. The key rules relevant to this audit appointment are as follows.
- Appointed auditors should not perform additional work for an audited body (ie work over and above the minimum required to meet their statutory responsibilities) if it would compromise their independence or might give rise to a reasonable perception that their independence could be compromised. Where the audited body invites the auditor to carry out risk-based work in a particular area that cannot otherwise be justified as necessary to support the auditor's opinion and conclusions, it should be clearly differentiated within the Audit and Inspection Plan as being 'additional work' and charged for separately from the normal audit fee.
 - Auditors should not accept engagements that involve commenting on the performance of other auditors appointed by the Commission on Commission work without first consulting the Commission.
 - The District Auditor responsible for the audit should, in all but the most exceptional circumstances, be changed at least once every five years.
 - The District Auditor and senior members of the audit team are prevented from taking part in political activity on behalf of a political party, or special interest group, whose activities relate directly to the functions of local government or NHS bodies in general, or to a particular local government or NHS body.
- 7 The District Auditor and members of the audit team must abide by the Commission's policy on gifts, hospitality and entertainment.
