1 Background/Information

- 1.1 The five main roles of overview and scrutiny in local government are: holding to account; performance management; policy review; policy development; and external scrutiny.

Agenda Item 4

- 1.2 The pre-decision scrutiny of Cabinet decisions falls within the role of 'holding to account'. To feed into the pre-decision scrutiny of Cabinet decisions, the Committee needs to examine the Council's Forward Plan and identify items which it would like to have an impact upon.
- 1.3 The Council's Forward Plan is published on a monthly basis and sets out the key decisions to be taken by the Council in the next twelve months. The Council only has a statutory duty to publish key decisions to be taken in the next four months. However, the Forward Plan was expanded to a twelve-month period to give a clearer picture of how and when the Council will be making important decisions.
- 1.4 A key decision is a decision which has a significant impact or effect on two or more wards and /or a budgetary effect of £50,000 or more.
- 1.5 The Forward Plan also identifies non-key decisions to be made by the Council in the next twelve months, and the Committee, if it wishes, may also pre-scrutinise these decisions.
- 1.6 There may also be policies identified on the Forward Plan, either as key or non-key decisions, which the Committee could pre-scrutinise and have an impact upon how these are formulated.
- 1.7 The Committee should be mindful that any work it wishes to undertake would need to be undertaken without the need to change the timescales as set out within the Forward Plan.
- 1.8 At each meeting, the Committee will consider their work programme and make amendments where necessary, and also make comments on specific Cabinet items, where notice has been given by 9am on the morning after Group meetings. The Committee will also receive a report detailing the response from the Cabinet, on the comments the Committee made on the Cabinet agenda in the previous cycle.
- 1.9 The Forward Plan is considered at each meeting and allows the Committee to look at future items and become involved in those Cabinet decisions to be taken, if members so wish.
- 1.10 As part of the new scrutiny process, the Committee is no longer considering the whole of the Cabinet agenda.
- 1.11 On the day of publication of the Cabinet agenda all Councillors are sent an e-mail asking them to contact Committee Services, by 09.00am on the day of the Overview and Scrutiny Committee meeting to advise which Cabinet items they would like the Committee to consider.
- 1.12 As a result, the Committee considered the items detailed in appendix 2. The response the Cabinet gave on each item is also shown.
- 1.13 In reviewing these responses, the Committee can identify any issues for which they would like a progress report. A future report, for example on how the decision has been implemented, would then be submitted to the Committee at an agreed date which would then be incorporated within the work programme.
- 1.14 Back in early December, a report titled "Developing a Digital Strategy for South Warwickshire" was considered by the Council's Cabinet. Overview & Scrutiny Committee made a recommendation that its members should hold a dedicated session to scrutinise this report in more depth and to look at the

finer detail. With this intention, an informal meeting would be held remotely on 31 January 2022 and livestreamed to YouTube for transparency. The actions or recommendations arising from this scrutiny session will be listed in Appendix 3 to this report which will be published following the scrutiny session on either 1 or 2 February. Members will be asked to consider them at the 8 February 2022 Committee meeting.

2 Conclusion/Reasons for the Recommendation

- 2.1 The work programme should be updated at each meeting to accurately reflect the workload of the Committee.
- 2.2 The proposed plan at Appendix 1 has been developed in order for the Committee to focus on the four agreed core themes (Covid 19, Climate Change, Medium Term Financial Strategy and Business Plan). While this Committee will not have as much focus on the Medium-Term Financial Strategy, it will have to spend significant times looking at the other areas in detail.
- 2.3 Two of the five main roles of overview and scrutiny in local government are to undertake pre-decision scrutiny of Cabinet decisions and to feed into policy development.
- 2.4 If the Committee has an interest in a future decision to be made by the Cabinet, or policy to be implemented, it is within the Committee's remit to feed into this process.
- 2.5 The Forward Plan is actually the future work programme for the Cabinet. If a non-cabinet member highlighted a decision(s) which is to be taken by the Cabinet which they would like to be involved in, that member(s) could then provide useful background to the Committee when the report is submitted to the Cabinet and they are passing comment on it.
- 2.6 Appendix 2, Comments from Cabinet, is produced to create a dialogue between the Cabinet and the Overview and Scrutiny Committee. It ensures that the Overview and Scrutiny Committee is formally made aware of the Cabinet's responses.
- 2.7 Where Overview and Scrutiny Committee has made a recommendation as opposed to a comment, the Cabinet is required to respond to the recommendation(s) made, including whether or not it accepts the recommendation(s).
- 2.8 Appendix 3, Actions/ Recommendations for consideration arising from the 31 January 2022 Scrutiny Session on the December 2021 Cabinet report "Developing a Digital Strategy for South Warwickshire", would be produced because the scrutiny session was an informal meeting of the Overview & Scrutiny Committee's Members, which requires that any actions or recommendations the Members wish to be pursued must be formally agreed at a public meeting of the Committee.
