1 **SUMMARY**

- 1.1 The purpose of this report is for Committee to review the progress that is being made in addressing the 'Significant Governance Issues' facing the Council set out in its Annual Governance Statement 2014/15. The appendix accompanying this report sets out the progress in addressing the Significant Governance Issues.

2 **RECOMMENDATIONS**

- 2.1 That Committee should review the Action Plan set out in the Appendix and confirm whether it is satisfied with the progress being made in addressing the Significant Governance Issues relating to the Annual Governance Statement 2014/15.

3 **REASONS FOR THE RECOMMENDATIONS**

- 3.1 To help fulfil Members' responsibility for effective corporate governance within the Council.
- 3.2 To provide assurance to Members that governance issues identified as part of the compilation of the Annual Governance Statement are being addressed.

4 **POLICY FRAMEWORK**

- 4.1 The Annual Governance Statement describes governance arrangements relating to the Council's corporate priorities and key strategic projects that are reflected in Fit for the Future. The Fit for the Future programme is also based on an agreed set of values amongst which are the ones of openness and honesty. This is integral to the consideration of governance in an organisation; governance issues needs to be discussed and debated and mitigations put in place in order to prevent or rectify weaknesses.
- 4.2 The arrangements will assist the Council in furtherance of its priority of providing clear community leadership and effective management of resources whilst delivering responsive public services in an open and transparent manner.

5 **BUDGETARY FRAMEWORK**

- 5.1 Although there are no direct budgetary implications arising from this report, an effective Budgetary Framework is a key element of corporate governance. An effective control framework ensures that the Authority manages its resources and achieves its objectives economically, efficiently and effectively.

6 **RISKS**

- 6.1 Risk management is an intrinsic element of corporate governance. There are various risks associated with the Significant Governance Issues and these not being addressed satisfactorily.

7 **ALTERNATIVE OPTIONS CONSIDERED**

- 7.1 This report is not concerned with recommending a particular option in preference to others so this section is not applicable.

8 CORPORATE GOVERNANCE IN LOCAL AUTHORITIES

- 8.1 CIPFA/SOLACE emphasise that corporate governance is everyone's business and define it as:

"How the local government bodies ensure that they are doing the right things, in the right way, for the right people, in a timely, inclusive, open, honest and accountable manner. It comprises the systems and processes, and cultures and values, by which local government bodies are directed and controlled and through which they account to, engage with and, where appropriate, lead their communities." CIPFA/SOLACE (Chartered Institute of Public Finance & Accountancy/Society of Local Authority Chief Executives)

- 8.2 CIPFA/SOLACE has issued a framework and guidance on delivering good governance in local government. The framework is built on the six core principles set out in the Good Governance Standard for Public Services that were themselves developed from earlier work by Cadbury and Nolan. The principles in relation to local government as set out in the framework are:

- a clear definition of the body's purpose and focusing on the outcomes for the community and creating and implementing a vision for the local area;
- members and officers are working together to achieve a common purpose with clearly defined functions and roles;
- promoting values for the authority and demonstrating the values of good governance through upholding high standards of conduct and behaviour;
- taking informed and transparent decisions which are subject to effective scrutiny and managing risk;
- developing the capacity and capability of members and officers to be effective;
- engaging with local people and other stakeholders to ensure robust public accountability.

Both the Annual Governance Statement and the Council's Code of Corporate Governance reflect these six themes.

9 ANNUAL GOVERNANCE STATEMENT

- 9.1 The production of an Annual Governance Statement is a statutory requirement for local authorities.
- 9.2 Regulation 4 of The Accounts and Audit (England) Regulations 2011 states:

Responsibility for financial management

4.—(1) The relevant body is responsible for ensuring that the financial management of the body is adequate and effective and that the body has a sound system of internal control which facilitates the effective exercise of that body's functions and which includes arrangements for the management of risk.

(2) The relevant body must conduct a review at least once in a year of the effectiveness of its system of internal control.

(3) The findings of the review referred to in paragraph (2) must be considered—

(a) in the case of a larger relevant body, by the members of the body meeting as a whole or by a committee, and

(b) in the case of a smaller relevant body, by the members of the body meeting as a whole, and

following the review, the body or committee must approve an annual governance statement, prepared in accordance with proper practices in relation to internal control.

(4) The relevant body must ensure that the statement referred to in paragraph (3) accompanies—

(a) any statement of accounts it is obliged to prepare in accordance with regulation 7, or

(b) any accounting statement it is obliged to prepare in accordance with regulation 12.

9.3 The CIPFA Financial Advisory Network has published an advisory document entitled "The Annual Governance Statement: Rough Guide for Practitioners". Its advice is that the Annual Governance Statement is a key corporate document and the most senior member and the most senior officer (Leader and Chief Executive respectively) have joint responsibility as signatories for its accuracy and completeness. It advises that it should be owned by all senior members and officers of the authority and that it is essential that there is buy-in at the top level of the organisation. It advises that the work associated with its production should not be delegated to a single officer.

9.4 The Leader and Chief Executive of the Council as signatories to the Annual Governance Statement need to ensure that it accurately reflects the governance framework for which they are responsible. In order to achieve this they will rely on many sources of assurance, such as that from:

- Deputy Chief Executives and Service Area Managers
- the Responsible Financial Officer
- the Monitoring Officer
- Members
- the Audit and Risk Manager
- performance and risk management systems
- third parties, e.g. partnerships
- external audit and other review agencies.

10 THE SIGNIFICANT GOVERNANCE ISSUES

10.1 The governance issues facing the Council have been identified from production of the statutory Annual Governance Statement.

10.2 The Significant Governance Issues are summarised in the Annual Governance Statement Action Plan for 2015/16 that forms part of the Annual Governance Statement for 2014/15.

- 10.3 The Annual Governance Statement (incorporating the Action Plan setting out the Significant Governance Issues) has been approved by Full Council.
- 10.4 The appendix accompanying this report sets out the progress in addressing the Significant Governance Issues.
- 10.5 The progress in addressing these governance issues is reported by the officers that are leading on them.
