

# Planning Committee

Minutes of the meeting held on Thursday 24 June 2021 at the Town Hall, Royal Leamington Spa at 6.00pm.

**Present:** Councillor Boad (Chairman); Councillors Ashford, Cullinan, R. Dickson, Falp, Jacques, Kennedy, Leigh-Hunt and Morris.

**Also Present:** Democratic Services Manager & Deputy Monitoring Officer – Graham Leach; Legal Advisor – Samantha Amphlett; Manager - Development Services – Gary Fisher; and Senior Planning Officer – Rob Young.

## 37. Apologies and Substitutes

- (a) Apologies were received from Councillors Murphy and Tangri.
- (b) Councillor Falp substituted for Councillor Heath.

## 38. Declarations of Interest

Minute Number 41 – W/20/2134 – United Reformed Church, Spencer Street, no.5 and Old Dole Officer, Spencer Yard, Royal Leamington Spa

Councillor Falp declared she was a Member of Warwick District Council's Cabinet and therefore the applicant. She left the room whilst this item was discussed.

Minute Number 42 – W/20/2135 LB – United Reformed Church, Spencer Street, Royal Leamington Spa

Councillor Falp declared she was a Member of Warwick District Council's Cabinet and therefore the applicant. She left the room whilst this item was discussed.

Minute Number 44 – Urgent Item – W/20/0617 – Land South of Chesterton Gardens, Royal Leamington Spa

Councillor Falp informed the Committee that she was both the Ward Councillor for this application site and also a County Councillor for that site. As County Councillor and as they were a recipient of S106 money Councillor Falp explained she would have a Disclosable Pecuniary Interest and left the room whilst the application was discussed.

## 39. Site Visits

To assist with decision making, Councillors Cullinan and Jacques both made independent site visits to W/20/2134 & W/20/2135 LB – United Reformed Church, Spencer Street, no.5 and Old Dole Office, Spencer Yard, Royal Leamington Spa.

## **PLANNING COMMITTEE MINUTES (Continued)**

### **40. W/19/1133 – Land at Ward Hill, Warwick Road, Littleworth, Norton Lindsey, Warwick**

The application was withdrawn from the agenda to enable officers to further consider some of the information submitted as part of the application and seek further views from consultees in that respect.

### **41. W/20/2134 – United Reformed Church, Spencer Street, no.5 and Old Dole Office, Spencer Yard, Royal Leamington Spa**

The Committee considered an application from Complex Development Projects for extensions, alterations and change of use to space office (use Class E).

The application was considered by the Committee alongside application W/20/2135 LB.

The application was presented to Committee because Warwick District Council owned the site and because of the number of objections received.

The officer was of the opinion that the proposals would generate significant public benefits, including making a major contribution to the regeneration of the Creative Quarter and securing the long-term use of an important listed building. The proposals were considered to be acceptable in terms of design, the impact on heritage assets, the impact on neighbouring properties, parking / highway safety, ecological impacts, air quality and the other detailed matters assessed in the report. It was recommended that planning permission should be granted.

An addendum circulated at the meeting advised that further to the revised transport note, Safer Communities - Health and Community Protection, was satisfied that the proposed development would not be classified as a major development in accordance with the air quality SPD and a full air quality assessment would not be required. A request was made in relation to electric vehicle charging points.

Changes to large scale details conditions were proposed. The conditions affected were condition 3 of the listed building consent (application W/20/2135 LB) and Condition 7 of application W/20/2134. The revised conditions still required the same details but changed the timescales for their submission.

Councillor Cooke, District Councillor, addressed the Committee in support of the applications W/20/2134 and W/20/2135 LB.

The Committee had concerns that there was an outstanding consultation response from Warwickshire County Council Highways in respect of safety grounds. In their view this was a key piece of information to determining the application.

Members of the Committee also had concerns regarding the travel plan and the thermal efficiency electric vehicle charging point.

Following consideration of the report, presentation, information contained in the addendum and the representation made at the meeting, it was

## **PLANNING COMMITTEE MINUTES (Continued)**

proposed by Councillor Ashford and seconded by Councillor Kennedy that the application should be granted, subject to the Officers and Chairman of the Committee receiving, no objection from WCC highways, within the next two weeks on safety grounds, the conditions set out in the report, as revised in the addendum, the additional condition in the addendum, revision to condition 14 that the green travel plan must include active travel plan to and from the site and cycle parking with a note to the applicant on improving the thermal efficiency of the roof on the URC building and the inclusion of a high speed electric vehicle charging point.

The Committee therefore

**Resolved** that W/20/2134 be **granted** subject to Planning Officers and Chairman of Planning Committee receiving no objection from WCC Highways, within the next two weeks on safety grounds and subject to the following conditions:

- | <b>No.</b> | <b>Condition</b>  |
|------------|---|
| (1)        | the development hereby permitted shall begin not later than three years from the date of this permission. <b>Reason:</b> To comply with Section 91 of the Town and Country Planning Act 1990 (as amended);  |
| (2)        | the development hereby permitted shall be carried out strictly in accordance with the details shown on the site location plan and approved drawing(s) 2362.04.3-P2, 2362.03.6-P3, 2362.03.3-P4 and 2362.03.5-P5, and specification contained therein, submitted on 22 <sup>nd</sup> December 2020 and 2362.03.7 P1, 12000 SK02 A, 2362.01.10 P6, 2362.01.12 P4, 2362.01.13 P4, 2362.01.15 P1, 2362.01.16 P1, 2362.01.4 P7, 2362.01.5 P7 , 2362.01.6 P7, 2362.01.7 P6, 2362.02.4 P4, 2362.02.5 P4, 2362.02.6 P4 and 2362.00.04 P2, and specification contained therein, submitted on 27 <sup>th</sup> May 2021. <b>Reason:</b> For the avoidance of doubt and to secure a satisfactory form of development in accordance with Policies BE1 and BE3 of the Warwick District Local Plan 2011-2029; |
| (3)        | noise arising from any plant or equipment (measured as LAeq,5 minutes), when measured (or calculated to) one metre from the façade of any noise sensitive premises, shall not   |

## PLANNING COMMITTEE MINUTES (Continued)

- | <b>No.</b> | <b>Condition</b>  |
|------------|---|
|            | exceed the background noise level (measured as LA90,T). If the noise in question involves sounds containing a distinguishable, discrete, continuous tone (whine, screech, hiss, hum etc) or if there are discrete impulses (bangs, clicks, clatters, thumps etc.) or if the noise is irregular enough to attract attention, 5dB(A) shall be added to the measured level. <b>Reason:</b> To project the living conditions of nearby dwellings, in accordance with Policies BE3 and NE5 of the Warwick District Local Plan;   |
| (4)        | <p>in the event that contamination is found at any time when carrying out the approved development that was not previously identified it must be reported in writing immediately to the local planning authority. An investigation and risk assessment must be undertaken, and where remediation is necessary, a remediation scheme must be submitted to and approved in writing by the local planning authority. Following completion of measures identified in the approved remediation scheme a verification report must be prepared, which is subject to the approval in writing of the local planning authority.</p> <p><b>Reason:</b> To safeguard health, safety and the environment in accordance with Policies BE3 and NE5 of the Warwick District Local Plan 2011-2029;</p> |
| (5)        | <p>the development hereby permitted shall not commence until further bat survey of the site, to include appropriate activity surveys in accordance with BCT Bat Surveys for Professional Ecologists-Good Practice Guidelines, has been carried out and a detailed mitigation plan including a schedule of works and timings has been submitted to and approved in writing by the District Planning Authority. Such approved mitigation plan shall thereafter be implemented in full. <b>Reason:</b> To ensure that protected species are not harmed by the development, in accordance with Policy NE2 of the Warwick District Local Plan;</p>   |

## PLANNING COMMITTEE MINUTES (Continued)

- | <b>No.</b> | <b>Condition</b>  |
|------------|---|
| (6)        | no development shall be carried out above slab level unless and until samples of the external facing and landscaping materials to be used have been submitted to and approved in writing by the Local Planning Authority. The development shall only be carried out in accordance with the approved details. <b>Reason:</b> To ensure that the proposed development has a satisfactory external appearance in the interests of the visual amenities of the locality in accordance with Policy HE1 of the Warwick District Local Plan 2011-2029;   |
| (7)        | no works to the doors, windows (including a section showing the window reveal, heads and cill details), eaves, verges, rainwater goods, railings, parapets, cladding or the internal staircase shall commence until large scale details of the element in question, at a scale of 1:5 (including details of materials), have been submitted to and approved by the Local Planning Authority. The development shall not be carried out otherwise than in strict accordance with such approved details. <b>Reason:</b> To ensure a high standard of design and appearance for this Listed Building and the Conservation Area, and to satisfy Policy HE1 of the Warwick District Local Plan 2011-2029; |
| (8)        | all rainwater goods for the development hereby permitted shall be metal. <b>Reason:</b> To ensure an appropriate standard of design and appearance within the Conservation Area, and to satisfy Policy HE1 of the Warwick District Local Plan 2011-2029;  |
| (9)        | the roofing material for the pitched roof parts of the development hereby permitted shall be natural slate. <b>Reason:</b> To ensure a high standard of design and appearance for this Listed Building and Conservation Area, and to satisfy Policy HE1 of the Warwick District Local Plan 2011-2029;   |
| (10)       | no part of the development hereby permitted shall be used for any purpose   |

## PLANNING COMMITTEE MINUTES (Continued)

- | <b>No.</b> | <b>Condition</b>  |
|------------|---|
|            | falling within Class E (b) of the Schedule to the Town and Country Planning (Use Classes) Order 1987 (or in any provision equivalent to that Class in any statutory instrument revoking and re-enacting that Order with or without modification), unless and until:<br>a) an odour assessment has been undertaken to assess the impact of odour arising from cooking and any proposed fume extraction system that is required to serve the premises;<br>b) the results of the odour assessment carried out to comply with criteria (a), together with details of any necessary mitigation measures, have been submitted to and approved in writing by the local planning authority; and<br>c) any necessary mitigation measures approved under (b) have been implemented in full accordance with the approved details. The mitigation measures shall be retained at all times thereafter and shall not be removed or altered in any way without the prior written approval of the local planning authority.<br><br><b>Reason:</b> To project the living conditions of nearby dwellings, in accordance with Policies BE3 and NE5 of the Warwick District Local Plan; |
| (11)       | the United Reform Church shall not be used for the purposes hereby permitted unless and until a mechanical ventilation system with heat recovery has been installed in strict accordance with details that shall have been submitted to and approved in writing by the local planning authority. The mechanical ventilation system with heat recovery shall thereafter be operated and maintained in strict accordance with the approved details at all times that the building is used for the purposes hereby permitted.<br><b>Reason:</b> To ensure appropriate air quality within the building, in accordance with Policy NE5 of the Warwick District Local Plan;   |
| (12)       | the development hereby permitted shall not be occupied unless and until the car parking and manoeuvring areas   |

## PLANNING COMMITTEE MINUTES (Continued)

- | <b>No.</b> | <b>Condition</b>  |
|------------|---|
|            | indicated on the approved drawings have been provided and thereafter those areas shall be kept marked out and available for such use at all times.<br><b>Reason:</b> To ensure adequate off-street car parking and servicing facilities in the interests of both highway safety and visual / residential amenity in accordance with Policies BE1, BE3 and TR3 of the Warwick District Local Plan 2011-2029;   |
| (13)       | the development hereby permitted shall not be occupied unless and until a scheme for the provision of adequate water supplies and fire hydrants, necessary for fire fighting purposes at the site, has been submitted to and approved in writing by the Local Planning Authority and the approved scheme has been implemented in full in strict accordance with the approved details. <b>Reason:</b> In the interest of the fire safety and protection of public safety and to satisfy Policy BE1 of the Warwick District Local Plan 2011-2029;   |
| (14)       | the development hereby permitted shall not be occupied or brought into first use unless and until:<br><br>(a) a Green Travel Plan (that must include active travel plan to and from the site and cycle parking) has been submitted to and approved in writing by the local planning authority; and<br>(b) the Green Travel Plan approved under (a) has been implemented in strict accordance with the approved details.<br><br>Once implemented the Green Travel Plan shall not be withdrawn or amended.<br><br><b>Reason:</b> In the interest of encouraging the use of alternative modes of transport with the aim of creating a more sustainable development in accordance with Policies TR1 and TR2 of the Warwick District Local Plan 2011-2029; |
| (15)       | prior to the occupation of the development hereby permitted, one 7kW (minimum) electric vehicle   |

**PLANNING COMMITTEE MINUTES (Continued)**

<b>No.</b>	<b>Condition</b>
	recharging point shall be installed in accordance with details first submitted to and approved in writing by the Local Planning Authority (LPA). Once the electric vehicle recharging point has been installed, the following verification details shall be submitted to and approved in writing by the LPA: (1). Plan(s)/ photograph(s) showing the location of the electric vehicle recharging point, and; (2). A technical data sheet for the electric vehicle recharging point infrastructure. Thereafter the electric vehicle recharging point shall be retained in accordance with the approved details and shall not be removed or altered in any way (unless being upgraded); and
(16)	a note to Applicant on improving the thermal efficiency of the roof on the URC building and the inclusion of a highspeed vehicle charging point.

42. **W/20/2135 LB – United Reformed Church, Spencer Street, Royal Leamington Spa**

The Committee considered an application from Complex Development Projects for internal and external alterations for the creation of new office space. It was considered by the Committee alongside W/20/2134.

The application was presented to Committee because Warwick District Council owned the site and because of the number of public objections received.

The officer was of the opinion that the proposals would preserve the character and appearance of the listed building and the proposed works would facilitate the reuse of a listed building that had been vacant for a number of years.

An addendum circulated at the meeting advised a change to the wording of condition 3.

Following consideration of the report, presentation, information contained in the addendum and the representation made at the meeting, it was proposed by Councillor Ashford and seconded by Councillor Kennedy that the application should be granted.

The Committee therefore

**Resolved** that W/20/2135 LB be **granted** subject to the following conditions:

## PLANNING COMMITTEE MINUTES (Continued)

- | <b>No.</b> | <b>Condition</b>   |
|------------|--|
| (1)        | the works hereby permitted shall begin not later than three years from the date of this consent. <b>Reason:</b> To comply with Section 18 of the Planning (Listed Buildings and Conservation Areas) Act 1990 (as amended);   |
| (2)        | the development hereby permitted shall be carried out strictly in accordance with the details shown on the site location plan and approved drawing(s) 2362.04.3-P2, 2362.03.6-P3, 2362.03.3-P4 and 2362.03.5-P5, and specification contained therein, submitted on 22 <sup>nd</sup> December 2020 and 2362.03.7 P1, 12000 SK02 A, 2362.01.10 P6, 2362.01.12 P4, 2362.01.13 P4, 2362.01.15 P1, 2362.01.16 P1, 2362.01.4 P7, 2362.01.5 P7 , 2362.01.6 P7, 2362.01.7 P6, 2362.02.4 P4, 2362.02.5 P4, 2362.02.6 P4 and 2362.00.04 P2, and specification contained therein, submitted on 27 <sup>th</sup> May 2021.<br><b>Reason:</b> For the avoidance of doubt and to secure a satisfactory form of development in accordance with Policies BE1 and BE3 of the Warwick District Local Plan 2011-2029; |
| (3)        | no works to the doors, windows (including a section showing the window reveal, heads and cill details), eaves, verges, rainwater goods, railings, parapets, cladding or the internal staircase shall commence until large scale details of the element in question, at a scale of 1:5 (including details of materials), have been submitted to and approved by the Local Planning Authority. The development shall not be carried out otherwise than in strict accordance with such approved details.<br><b>Reason:</b> To ensure a high standard of design and appearance for this Listed Building and the Conservation Area, and to satisfy Policy HE1 of the Warwick District Local Plan 2011-2029; and   |
| (4)        | the roofing material for the pitched roof parts of the development hereby permitted shall be natural slate. <b>Reason:</b> To ensure a high standard of design and appearance for this Listed Building and Conservation Area, and to satisfy Policy HE1 of the Warwick District Local Plan 2011-2029.  |

## PLANNING COMMITTEE MINUTES (Continued)

### 43. **W/18/0643 – Land at Kings Hill Lane, Stoneleigh**

The Committee considered an outline application with access from Lioncourt Strategic Land Limited, Lioncourt Homes (Development No. 17) Limited De for a development of up to 2,500 dwellings (C3); 4,000 square metres of mixed use floorspace (A1, A2, A3, A4, A5, B1, C2, D1 and D2), a primary and secondary school, open space and associated infrastructure.

The application was presented to Committee to seek authorisation for a small number of revisions to the requirements of a Section 106 Agreement relating to the development and to the conditions that were previously agreed by the Planning Committee.

The officer was of the opinion that the change to the Section 106 Agreement would improve the facilities provided on the site from those previously agreed and the changes to the conditions were mostly minor alterations to the wording that did not change the requirements of the conditions in most cases. There were exceptions detailed in the officer's report, but these had been resolved by work already carried out. The officer therefore recommended that the proposed changes should be approved.

An addendum circulated at the meeting advised that CPRE had written to all Planning Committee Members questioning the reliability of the population estimates that were used to inform the Local Plan. They considered that the principle of development should be reconsidered by Planning Committee and the Ward members Councillors Redford and Wright supported the comments and view of CPRE.

WCC Highways had not made comment on Condition 48 (Stoneleigh Junction) so officers advised that because work was progressing with the County Council's scheme for this junction, the most appropriate way forward would be for Committee to agree that the condition could be omitted if there was agreement from WCC Highways and Highways England.

There were further minor changes proposed to conditions 11 and 12 to ensure that the site wide code was not required to include too great a level of detail for a site of this size.

Councillor Davies, representing Stoneleigh & Ashow Parish Council which objected to the proposals, addressed the Committee.

Following consideration of the report, presentation, information contained in the addendum and the representation made at the meeting, it was proposed by Councillor Morris and seconded by Councillor Jacques that the recommendations in the report and addendum should be approved.

The Committee therefore

**Resolved** that in respect of W/18/0643, authority be delegated to the Head of Development Services to agree and finalise the changes to the Section 106 agreement and conditions as set out below:

Section 106 agreement:

## PLANNING COMMITTEE MINUTES (Continued)

Increase in the size of the changing facilities associated with the sports pitches from 50 sq m as specified in the original Committee report, to 150 sq m. Associated increase in the changing facilities cost cap.

Conditions:

<b>No.</b>	<b>Condition</b>
(1)	<u>Reserved Matters to be Submitted</u>

Details of the;

- a. Appearance of the building(s);
- b. Landscaping of the site;
- c. Layout of the site and its relationship with adjoining development; and
- d. The scale of building(s).

(hereinafter called 'the reserved matters') shall be submitted to and approved in writing by the local planning authority before any development begins and the development shall be carried out in full accordance with these reserved matters as approved.

**Reason:** To comply with Article 4(1) of the Town and Country Planning (Development Management Procedure) Order 2015 (as amended);

(2)	<u>Approved Plans</u>
-----	-----------------------

The development hereby permitted shall be carried out in accordance shown on the site location plan and the approved access drawings and specification contained therein;

1. Figure 2.9 – 01 – Stoneleigh Road/Kings Hill Lane Signalised Site Access Junction.
2. Figure 2.11 – 02 – Proposed Bus Gate (No General Site Access).
3. SK048A – 01 (Amended Design) – Proposed Site Access – St. Martin's Rd/Green Lane.

**Reason:** For the avoidance of doubt and to secure a satisfactory form of development in accordance with Policies BE1 and BE3 of the Warwick District Local Plan 2011-2029;

(3)	<u>Time Limit for Reserved Matters</u>
-----	--

## PLANNING COMMITTEE MINUTES (Continued)

- | <b>No.</b> | <b>Condition</b>  |
|------------|---|
|            | Application for approval of the reserved matters shall be made to the local planning authority not later than fifteen years from the date of this permission. |
|            | <b>Reason:</b> To comply with Section 92 of the Town and Country Planning Act 1990 (as amended);  |

(4) Time to Commence Development

The development to which this permission relates shall begin within three years of the date of this permission or within two years of the final approval of the reserved matters, whichever is the later.

**Reason:** To comply with Section 92 of the Town and Country Planning Act 1990 (as amended);

### **In the event that CCC Application is not approved**

(5) Development Restriction (St. Martins Road/Green Lane) (Compliance)

Notwithstanding details contained within the approved documents, no submission of Reserved Matters within the area denoted under 'PHASE 1A (N)' of drawing number L.0384\_39 shall commence until such time that full planning permission has been issued for the access arrangements that would provide a connection from the site to the road network within the Coventry City Council's administrative boundary.

**Reason:** In the interests of comprehensive development and highway safety in accordance with Policies DS15 and TR1 respectively of the Warwick District Local Plan 2011-2029;

### **Comprehensive Masterplanning**

(6) Site-Wide Framework Plan (Pre-Commencement)

Notwithstanding details contained within the approved documents, prior to submission of the first reserved matters application a site-wide framework plan to include;

|------------|--|
|            | finishes for roofing and walls of buildings and structures;  |
| n)         | Design principles for street lighting and any other lighting to public space (including parking areas);      |
| o)         | The principles shall include a regulating plan on an ordnance survey base at a scale no greater than 1:1250; |
| p)         | A mechanism for periodic review and refinement if necessary, of the approved Design Code.                    |

Shall be submitted to and approved in writing by the Local Planning Authority. The Phase Wide Design Code shall be used in the assessment of future applications unless otherwise agreed in writing by the Local Planning Authority.

**Reason:** In the interests of good urban design and a comprehensively planned development in accordance with NPPF and Policies DS7, DS15, BE2 of the Warwick District Local Plan 2011-2029;

### (13) Landscaping Standards (Compliance)

Notwithstanding details contained within the approved documents, the landscaping scheme(s) approved under any subsequent reserved matters application(s) shall be;

- a) Carried out in accordance with the approved details in the first planting and seeding seasons following the first occupation;
- b) Any tree(s) or shrub(s) which within a period of five years from the completion of the development dies, is removed or becomes in the opinion of the local planning authority seriously damaged, defective or diseased shall be replaced in the next planting season with another of the same size and species as that originally planted;
- c) All hedging, tree(s) and shrub(s) shall be planted in accordance with British Standard BS4043 - Transplanting Root-balled Trees and BS4428 - Code of Practice for General Landscape Operations.

**Reason:** To ensure a satisfactory standard of appearance of the development and to

<b>No.</b>	<b>Condition</b>
	the development within its relevant phase. A scheme showing;
	a) How a water efficiency standard of 110 litres per person per day based on an assumed occupancy rate of 2.4 people per household (or higher where appropriate) will be achieved.
	Shall be submitted to and approved in writing by the Local Planning Authority. No dwelling/ unit shall be first occupied until the works within the approved scheme have been completed for that particular dwelling / unit in strict accordance with the approved details and thereafter the works shall be retained at all times and shall be maintained strictly in accordance with manufacturer's specifications.
	<b>Reason:</b> To ensure the creation of well-designed and sustainable buildings and to satisfy the requirements of Policy FW3 of the Warwick District Local Plan (2011-2029);

### (16) Details of Energy Hierarchy to be Submitted

Notwithstanding details contained within the approved documents, prior to commencement of development within its relevant phase. A scheme based on the following energy hierarchy;

- 1) Reducing the need for energy;
- 2) Energy efficiency;
- 3) Maximising the potential for energy from decentralised, low carbon and renewable energy sources, including community-led initiatives; and
- 4) Efficiently using fossil fuels from clean technologies.

To include;

- a) Proposed methods of heating/cooling;
- b) Details of the infrastructure to incorporate the measures;
- c) Details of management/ownership; and
- d) Program of delivery.

Shall be submitted to and approved in writing by the Local Planning Authority. No dwelling/ unit shall be first occupied until the works within the approved scheme have

	space for that reserved matters consent to include details of;
	a) How mixed open space facilities will be incorporated into the development
	b) Informal open space;
	c) Appropriate children's play facilities;
	d) Outdoor sport facilities
	e) Allotment gardens;
	f) Management arrangements; and
	g) Program of delivery.
	Shall be submitted to and approved in writing by the Local Planning Authority. The scheme shall be implemented in accordance with the approved details and retained thereafter.
	<b>Reason:</b> To ensure appropriate open space and recreational facilities are provided to serve the development in accordance with Policy HS4 of the Warwick District Local Plan 2011-2029;

### **Historic Environment**

(19) Details of Archaeological Evaluation to be Submitted

Notwithstanding details contained within the approved documents, prior to the submission of any Reserved Matters applications for any phase of the development hereby permitted:

- a) a programme of archaeological evaluation shall be undertaken in accordance with a written scheme of investigation which shall be submitted to and approved in writing by the local planning authority. A report detailing the results of this fieldwork is to be submitted to the Local Planning Authority prior to, or concurrently with, the Reserved Matters submission;
- b) An Archaeological Mitigation Strategy document shall be submitted to the Local Planning Authority. This should detail a strategy to mitigate the archaeological impact of the proposed development. Dependent upon the results of the trial trenching, this may include further archaeological fieldwork and/or the

## PLANNING COMMITTEE MINUTES (Continued)

<b>No.</b>	<b>Condition</b>
	preservation in situ of any archaeological deposits of national importance.

Unless otherwise agreed in writing with the Local Planning Authority, no development shall take place in any development phase until the Archaeological Mitigation Strategy document for that development phase has been approved in writing by the Local Planning Authority and any fieldwork detailed in the approved Archaeological Mitigation Strategy document has been completed to the satisfaction of the Local Planning Authority. The post- excavation analysis, publication of results and archive deposition shall be undertaken in accordance with the approved Mitigation Strategy document.

**Reason:** In order to ensure any remains of archaeological importance, which help to increase our understanding of the Districts historical development are recorded, preserved and protected were applicable, before development commences in accordance with Policy HE4 of the Warwick District Local Plan 2011-2029;

(20) Details of the SAM Landscape Management to be Submitted

Notwithstanding the details contained within the approved documents, prior to the commencement of any development within land at the 'Deserted Medieval Village located to the east of the site adjacent Kings Hill Lane' SAM, a Landscape Management Plan to include;

- a) Proposed path surfaces and routes;
- b) Details of street furniture;
- c) Information/interpretation panels;
- d) Planting; and
- e) Management of the SAM.

shall be submitted to and approved in writing by the Local Planning Authority. The approved landscape management plan shall be implemented in full thereafter. Any subsequent transfer of ownership/management shall maintain the approved scheme of landscape management unless otherwise agreed in writing by the Local Planning Authority.

|            | c) Program of delivery  |
|            | Shall be submitted to and approved in writing by the Local Planning Authority. The development shall thereafter be carried out in strict accordance with the approved details.  |
|            | <b>Reason:</b> To ensure appropriate levels of amenity for residents of the development and to protect them from potential adverse effects of luminance levels from outside the development in accordance with Policy BE3 of the Warwick District Local Plan 2011-2029; |

(23) Low Emission Strategy to be Submitted (Pre-Commencement)

Notwithstanding details contained within the approved documents, prior to the submission of any Reserved Matters applications for any phase of the development hereby permitted, a Low Emission Strategy for that phase to include;

- a) Proposed mitigation measures; and
- b) Program of delivery.

Shall be submitted to and approved in writing by the Local Planning Authority. The Low Emission Strategy shall thereafter be in accordance with the approved details.

**Reason:** To ensure mitigation against air quality impacts associated with the proposed development, in accordance with Policy NE5 of the Warwick District Local Plan 2011-2029 and the aims and objectives of national guidance within the NPPF;

### **Natural Environment**

(24) Ground Investigations and Mitigation to be Submitted (Pre-Commencement)

Notwithstanding details contained within the approved documents, prior to the commencement of development under each Reserved Matters Consent, ground investigations to include;

- a) A site investigation has been designed for that phase using the information

## PLANNING COMMITTEE MINUTES (Continued)

No.	Condition
	<p>obtained from the desk-top study and any diagrammatical representations (conceptual model). This should be submitted to and approved in writing by the planning authority prior to that investigation being carried out. The investigation must be comprehensive enough to enable:</p> <ul style="list-style-type: none"><li>• A risk assessment to be undertaken relating to human health</li><li>• A risk assessment to be undertaken relating to groundwater and surface waters associated on and off site that may be affected</li><li>• An appropriate gas risk assessment to be undertaken</li><li>• Refinement of the conceptual model</li><li>• The development of a method statement detailing the remediation requirements.</li></ul>
b)	The site investigation has been undertaken in accordance with details approved by the planning authority and a risk assessment has been undertaken;
c)	A method statement detailing the remediation requirements, including measures to minimise the impact on ground and surface waters using the information obtained from the site investigation, has been submitted to the planning authority. The method statement shall include details of how the remediation works will be validated upon completion; and
d)	Program of delivery (if applicable).

Shall be submitted to and approved in writing by the Local Planning Authority. Any remediation shall thereafter be carried out in accordance with the approved details.

**Reason:** To safeguard health, safety and the environment in accordance with Policies BE3 and NE5 of the Warwick District Local Plan 2011-2029;

### (25) Contamination not Previously Discovered (Compliance)

Notwithstanding details contained within the approved documents, if during development,

## PLANNING COMMITTEE MINUTES (Continued)

<b>No.</b>	<b>Condition</b>
	contamination not previously identified, is found to be present at the site;
	a) No further development shall take place within that area of Reserved Matters Consent (unless otherwise agreed in writing with the planning authority for an addendum to the method statement);
	b) This addendum to the method statement must detail how this contamination shall be dealt with; and
	c) Program of delivery (if applicable).
	Shall be submitted to and approved in writing by the Local Planning Authority. Any remediation shall thereafter be carried out in accordance with the approved details.
	Reason: To safeguard health, safety and the environment in accordance with Policies BE3 and NE5 of the Warwick District Local Plan 2011-2029;

### (26) Verification of Remediation to be Submitted

Notwithstanding details contained within the approved documents, in the event that any phase of future development requires land remediation agreed through an approved method statement;

- a) Upon completion of the remediation a report shall be submitted to the planning authority that provides verification that the required works regarding contamination have been carried out in accordance with the approved method statement; and
- b) A post remediation sampling and monitoring which shall be included in the report to demonstrate that the required remediation has been fully met. Future monitoring proposals and reporting shall also be detailed in the report.

Shall be submitted to and approved in writing by the Local Planning Authority. Any mitigating/monitoring works shall be carried out in accordance with the approved details.

**Reason:** To safeguard health, safety and the environment in accordance with Policies BE3 and NE5 of the Warwick District Local

|------------|--|
|            | planting, wildflower grassland creation, woodland and hedgerow creation/enhancement;   |
| f)         | Provision of habitat for protected and notable species (including location, number and type of bat and bird boxes, location of log piles, hedgehog shelters and passes); and |
| g)         | Program of delivery.   |

Shall be submitted to and approved in writing by the Local Planning Authority. The scheme shall be implemented in accordance with the approved details and retained thereafter.

**Reason:** To ensure a net biodiversity gain in accordance with Policy NE3 of the Warwick District Local Plan 2011-2029 and the NPPF;

- (33) Scheme of Protection for the Ancient Woodland/Local Wildlife Site to be Submitted (Pre-Commencement)

Notwithstanding details contained within the approved documents, prior to commencement of development under any reserved matters consent which has an uninterrupted site boundary that adjoins an Ancient Woodland, a scheme of protection for any ancient woodland or local wildlife site within the vicinity of the development to include details of;

- a) A barrier, such as a wire fence, which should be erected before works start and remain in place for the duration of the construction works. This fenced area should include a buffer zone of at least 50 metres between the development and the boundary of the local wildlife site. It is important NOT to allow access, or storage of materials within this buffer zone, otherwise soil compaction is likely to occur, with subsequent damage to the ground flora;
- b) Mitigation measures in the event of damage; and
- c) Program of delivery.

Shall be submitted to and approved in writing by the Local Planning

## PLANNING COMMITTEE MINUTES (Continued)

No.	Condition
	Authority. The scheme shall be implemented in accordance with the approved details and retained thereafter.
	<b>Reason:</b> To ensure the protection of important habitats during development in accordance with Policy NE2 of the Warwick District Local Plan 2011-2029;
(34)	<u>Bats &amp; Lighting Mitigation Scheme to be Submitted</u> (Pre-Commencement)
	Notwithstanding details contained within the approved documents, prior to commencement of development under any reserved matters consent, a Bats and Lighting Mitigation Scheme to include;
	a) Land parcel mitigation plan; b) Site-wide integration measures; and c) Program of delivery.
	Shall be submitted to and approved in writing by the Local Planning Authority. The scheme shall be implemented in accordance with the approved details and retained thereafter.
	The Local Planning Authority expects lighting to be restricted along Finham Brook corridor and all around the development especially to the north west where it will be located at least 50 metres from Wainbody Ancient Woodland, and to be kept to a minimum at night across the whole site and include dark areas where appropriate and around the Ancient Woodland and Finham Brook in order to minimise impact on emerging and foraging bats. This can include measures such as;
	<ul style="list-style-type: none"><li>□ Narrow spectrum lighting should be used to avoid the blue-white wavelengths</li><li>□ Lighting should be directed away from vegetated areas</li><li>□ Lighting should be shielded to avoid spillage onto vegetated areas</li><li>□ The brightness of lights should be as low as legally possible;</li><li>□ Lighting should be timed to provide some dark periods;</li><li>□ Connections to areas important for foraging should contain unlit stretches.</li></ul>

|------------|---|
| (61)       | 4. <u>Non-residential Travel Plan to be Submitted</u> |

Notwithstanding details contained within the approved documents, prior to occupation of the District Centre, any Employment Uses or Educational Facilities under any reserved matters consent, a detailed Travel Plan to include;

- a) Measures to reduce single occupancy car trips to/from the site;
- b) Encourage modal shift; and
- c) Program of delivery.

Shall be submitted to and approved in writing by the Local Planning Authority. The Travel Plan shall be implemented

**Reason:** In order to prevent additional vehicular traffic and promote sustainable modes of transport in accordance with Policies BE3 and TR1 of the Warwick District Local Plan 2011-2029;

### **Railway**

- |      |  |
|------|--|
| (62) | <u>Risk Assessment &amp; Method Statement to be Submitted (Pre-Commencement)</u> |
|------|--|

Notwithstanding details contained within the approved documents, prior to commencement of any phase of development hereby approved that would involve development within 10m of the operational railway. A Risk Assessment and Method Statement to include;

- a) Details of a suitable trespass proof steel palisade fence of a minimum height of 1.8m adjacent to the boundary with the railway/railway land. The fence including foundations must be wholly constructed and maintained within the applicant's land ownership footprint;
- b) Measures to ensure that their proposal, both during construction and as a permanent arrangement, does not affect the safety, operation or integrity of the existing operational railway / Network Rail land;
- c) Drainage management to ensure that drainage does not increase Network Rail's liability, or cause flooding pollution or soil

## PLANNING COMMITTEE MINUTES (Continued)

<b>No.</b>	<b>Condition</b>
	slippage, vegetation or boundary issues on railway land; d) Details of all excavation and earthworks within 10m of the railway boundary to determine if the works impact upon the support zone of Network Rail land and infrastructure as well as determining relative levels in relation to the railway; e) Details of proximity of future development to the railway boundary. Less than 2m from the railway boundary to the edge of structures could result in construction and future maintenance works being undertaken on Network Rail land; f) Proposals for the site should take into account the recommendations of, 'BS 5837:2012 Trees in Relation to Design, Demolition and Construction', which needs to be applied to prevent long term damage to the health of trees on Network Rail land so that they do not become a risk to members of the public in the future.

Shall be submitted to and approved in writing by the Local Planning Authority. The Risk and Method Statement shall be adhered to in accordance with the approved details.

**Reason:** To protect railway assets in accordance with the National Planning Policy Framework;

### **Water Management**

#### (63) Surface Water Drainage Scheme to be Submitted (Pre-Commencement)

Notwithstanding details contained within the approved documents, prior to commencement of each phase of development hereby approved, a Surface Water Drainage Scheme based on sustainable drainage principles and an assessment of the hydrological and hydrogeological context of the development to include;

- a) Site-wide surface water drainage strategy/accordance with approved site-wide strategy;
- b) Provide provision of surface water attenuation storage in accordance with 'Science Report SC030219 Rainfall Management for Developments';

## PLANNING COMMITTEE MINUTES (Continued)

- | <b>No.</b> | <b>Condition</b>  |
|------------|---|
|            | c) Demonstrate that the surface water drainage system(s) are designed in accordance with 'The SuDS Manual', CIRIA Report C753;  |
|            | d) Demonstrate detailed design (plans, network details and calculations) in support of any surface water drainage scheme, including details of any attenuation system, and outfall arrangements. Calculations should demonstrate the performance of the designed system for a range of return periods and storm durations inclusive of the 1 in 1 year, 1 in 2 year, 1 in 30 year and 1 in 100 year plus climate change return periods; |
|            | e) Provide evidence to show an agreement from Severn Trent Water to connect to the existing surface water network;  |
|            | f) Provide plans and details showing the allowance for exceedance flow and overland flow routing, overland flow routing should look to reduce the impact of an exceedance event;  |
|            | g) Program of delivery.   |

Shall be submitted to and approved in writing by the Local Planning Authority. The approved scheme shall be implemented in accordance with the approved details.

**Reason:** To prevent the increased risk of flooding; to improve and protect water quality and to improve habitat and amenity in accordance with Policy FW2 of the Warwick District Local Plan 2011-2029;

### (64) Foul Drainage Scheme (Pre-Commencement)

Notwithstanding details contained within the approved documents, prior to commencement of each phase of development hereby approved, a Foul Drainage scheme to include;

- a) A drainage strategy for the disposal of foul sewage; and
- b) Program of delivery.

Shall be submitted to and approved in writing by the Local Planning Authority. The strategy shall be implemented in accordance with the approved details prior to the first

## PLANNING COMMITTEE MINUTES (Continued)

<b>No.</b>	<b>Condition</b>
	<p>Notwithstanding details contained within the approved documents, prior to occupation of each phase of development hereby approved, details of firefighting provisions to include;</p> <ul style="list-style-type: none"><li>a) Details of adequate water supplies;</li><li>b) Details of fire hydrants; and</li><li>c) Program of delivery.</li></ul> <p>Shall be submitted to and approved in writing by the Local Planning Authority. The development shall not then be occupied until the scheme has been implemented in accordance with the approved details.</p> <p><b>Reason:</b> In the interests of Public Safety from fire, and the protection of Emergency Fire Fighters; and</p>

(71) Works in Accordance with Flood Risk Assessment (Compliance)

Notwithstanding details contained within the approved documents, the development shall be carried out in accordance with a Flood Risk Assessment (FRA) specifically adhering to;

- a) Limits to the discharge rate generated by all rainfall events up to and including the 100 year plus 40% (allowance for climate change) critical rain storm to 411l/s for the entire site. Individual parcel discharge rates should be derived accordingly;
- b) Finished floor levels are set no lower than 150mm above existing ground level; and
- c) Surface water is to be provided via a minimum of two trains of treatment using the proposed above ground drainage features within the drainage design.

**Reason:** To prevent the increased risk of flooding; to improve and protect water quality; to improve habitat and amenity; and to ensure the future maintenance of the sustainable drainage structures in accordance with Policies FW1, FW2 and NE2 of the Warwick District Local Plan 2011-2029.

## PLANNING COMMITTEE MINUTES (Continued)

### 44. **Urgent Item - W/20/0617 – Land South of Chesterton Gardens, Royal Leamington Spa**

The Committee considered an outline application from AC Lloyd (Homes) Limited for a residential development of up to 200 dwellings with associated access, landscaping and public open space (all matters reserved apart from access).

The application was presented to Committee as an urgent item because it was necessary for a decision to be made quickly prior to the next round of Planning Committee meetings in July whilst work on the final sums continued.

This officer's report related to the above planning application which was refused planning permission by Planning Committee on 2 February 2021 with the decision being issued on 12 February 2021.

The application had been recommended to Committee for approval by officers subject to the signing of a Section 106 Agreement to secure a range of obligations from the developer. The obligations that were to be included in the Section 106 agreement were as follows:

- Contribution of £2,000 towards sustainable travel promotion for future occupants.
- Contribution of £4,378 towards local library services.
- Contribution of £2,567,447 towards local education provision (*final sum under discussion*).
- Contribution towards off-site highway improvements (*amount under discussion*).
- Contribution of £200,000 towards off-site cycling network improvements.
- Contribution of £194,396.07 towards delivery of NHS acute and community care infrastructure.
- Contribution towards improvement and/or extension of GP facilities (*amount under discussion*).
- Contribution of £33,645 towards recruitment and equipment, police vehicles and office accommodation by Warwickshire Police.
- Contribution of £157,316 towards expansion and/or improvements of indoor sports facilities.
- Contribution of £75,161 towards provision and/or improvements to artificial and grass pitches.
- Contribution of £67,405 towards Air Quality mitigation measures.
- Contribution of towards upgrade/provision of bus stops (*amount to be confirmed*).
- Provision of 40% Affordable Housing as part of the development.
- Agreement with the LPA on the provision of Open Space, the adoption of Open Space Areas and the payment of management/maintenance fees.
- Noise mitigation measures for dwellings on Brimstone End.
- Agreement with the LPA on the adoption of SUDS and payment of the management/maintenance fees.
- Agreement with the LPA of an Employment and Training Strategy to link local people with employment, training and contract opportunities arising from the development during the construction phase.

## **PLANNING COMMITTEE MINUTES (Continued)**

- Contribution towards the costs of the LPA and the County Council in monitoring the agreement (*amounts to be confirmed*).
- Road Safety Contribution of £50 per dwelling.

The applicants had appealed against the decision of the Local Planning Authority and the appeal would be heard at a public inquiry from 13 July 2021. As part of the inquiry process a signed Section 106 agreement was required in order to secure the contributions in the event that the appeal was allowed. This had to be submitted by 6 July 2021, prior to the next meeting of the Committee.

Officers did not have delegated authority to sign a Section 106 Agreement when there was no Committee Resolution to grant planning permission for the development.

The authorisation of the signing of a Section 106 agreement did not in any way reflect Committee's views on the merits of the proposed development it merely ensured that, in the event the appeal was allowed, appropriate infrastructure contributions were secured to mitigate the impact of the development and minimise any risk of that not being the case.

Authority from the Planning Committee was sought to delegate authority to officers to continue to work with the appellant on finalising and signing the Section 106 Agreement in the terms outlined above in order to ensure that in the event that the appeal was allowed, all required infrastructure and contributions were secured.

Following consideration of the report and presentation, it was proposed by Councillor Morris and seconded by Councillor Kennedy that delegated authority should be given to officers.

The Committee therefore

**Resolved** that in respect of W/20/0617, authority be delegated to Planning Officers to continue work with the appellant on finalising and signing the Section 106 Agreement in the terms outlined in the report in order to ensure that in the event that the appeal be allowed, all required infrastructure and contributions are secured.

### **45. Planning Appeals Report**

Members received a report from officers outlining the existing enforcement matters and appeals currently taking place.

**Resolved** that the report be noted.

(The meeting ended at 7.15pm)

CHAIRMAN  
17 August 2021
