W/20/1732	13 North Close, Cublington	First floor side extension <b>Delegated</b>	Emma Booker	Questionnaire: 14/6/21 Statement: 6/7/21	<b>Appeal Dismissed</b>
<p>The Inspector noted that while comprising a mix of detached and semi-detached dwellings, overall, the properties in the street have a cohesive appearance and rhythm. The Inspector considered that although the width of the gable feature of the new extension would reflect that of nearby dwellings, the overall width and detailed design of the first-floor extension would result in a prominent, bulky, awkward addition with a large area of flat roof which would not respect the character or appearance of the host dwelling or the wider street scene. The incongruity of the extension would be particularly prominent when viewed from the nearby footpath and from nearby properties. The Inspector noted that Nos. 6 and 8 had similar front extensions but noted that they were of considerably less scale and massing than the appeal proposal and also did not have an incongruous flat roof element. The Inspector therefore concluded that the proposed extension would cause harm to the character and appearance of the dwelling and the streetscene and would be contrary to Policy BE1 and the RDG SPD.</p> <p>The Inspector also had regard to the Public Sector Equality Duty contained in Section 149 of the Equality Act 2010. While the proposal would assist in meeting the needs of the disabled occupant, the Inspector was not persuaded that there are no alternatives to the proposal that could substantially deliver the same benefits without conflict with the Development Plan.</p>
