## **Summary**

The Report advises on progress in achieving the Internal Audit Plan 2021/22, summarises the audit work completed in the fourth quarter and provides assurance that action has been taken by managers in respect of the issues raised by Internal Audit.

## **Recommendations**

- 1 That the report, including its appendices, be noted and, where appropriate, approved. Specifically:
    - 1.1 That Appendix 1, containing guidance on the role and responsibilities of audit committees, be noted. (Paragraph 1.2 of this report)
    - 1.2 That Appendix 2, detailing the performance of Internal Audit in completing the Audit Plan, be considered. (Para. 2.1 of this report)
    - 1.3 That Appendix 3, setting out the action plan accompanying the Internal Audit report issued in the quarter, be reviewed. (Para. 4.4)
    - 1.4 That Appendix 4, recording the state of implementation of recommendations issued in previous quarters, be reviewed. (Para. 5.2)
- 

## **1 Background**

- 1.1 Members have responsibility for corporate governance, of which internal audit forms a key part.
- 1.2 Finance and Audit Scrutiny Committee is operating, in effect, as an audit committee in the context of receiving and acting upon this report. Guidance on the role and responsibilities of audit committees is available from a number of sources. That which relates to audit committees' relationship with internal audit and in particular the type and content of reports they should receive from internal audit is summarised in Appendix 1.
- 1.3 Essentially, the purpose of an audit committee is:
  - To provide independent assurance of the associated control environment.
  - To provide independent scrutiny of the authority's financial and non-financial performance to the extent that it affects the authority's exposure to risk and weakens the control environment.

1.4 To help fulfil these responsibilities audit committees should review summary internal audit reports and the main issues arising and seek assurance that action has been taken where necessary.

1.5 The following sections provide information to satisfy these requirements.

## **2 Assurance**

2.1 Management is responsible for the system of internal control and should set in place policies and procedures to help ensure that the system is functioning correctly. On behalf of the Authority, Internal Audit review, appraise and report on the efficiency, effectiveness, and economy of financial and other management controls.

2.1 Each audit report gives an overall opinion on the level of assurance provided by the controls within the area audited. The assurance bands are shown below:

### **Assurance Levels**

<b>Level of Assurance</b>	<b>Definition</b>
Substantial Assurance	There is a sound system of control in place and compliance with the key controls.
Moderate Assurance	Whilst the system of control is broadly satisfactory, some controls are weak or non-existent and there is non-compliance with several controls.
Limited Assurance	The system of control is generally weak and there is non-compliance with the controls that do exist.

At the start of each year an Audit Plan is approved that sets out the audit assignments to be undertaken.

## **3 Progress Against Plan**

2.1 A detailed analysis of progress in completing the Audit Plan for 2021/22 is set out as Appendix 1. As can be seen the (revised) Audit Plan for 2021/22 is three audits short of being completed. All three audits are IT reviews where the Head of ICT was unable to provide assistance thus preventing the assignments from being progressed. The matter was brought to the attention of senior management and to the Finance and Audit Scrutiny Committee. It is intended that these three audits will be completed very shortly, hopefully by the end of June.

## **4 Internal Audit Reviews Completed in the Quarter and Management Responses to Recommendations**

4.1 Eleven audits were completed in the final quarter of 2021/22.

4.2 The Internal Audit reports arising from them are available for viewing on the [online agenda for the meeting](#)

- 4.3 The action plans accompanying these reports are set out for separate review as Appendix 3. This details the recommendations arising together with the management responses, including target implementation dates.
- 4.4 As can be seen in the Appendix, responses to recommendations contained in reports that have been issued in the quarter have been received in all cases and none is outstanding.

## **5 Implementation of Recommendations Issued Previously**

- 5.1 As set out in the earlier quarterly reports, a new method of following up on recommendations has been implemented from the start of this financial year. Rather than seeking to determine the implementation status of recommendations after a set period (either three or nine months, depending on the risk rating assigned to the recommendation), the recommendations are now followed up once the implementation date has passed. Officers are also now able to provide an update as soon as they have completed the agreed action, as opposed to waiting to be chased for a response.
- 5.2 The state of implementation for all relevant recommendations is set out in Appendix 4, including **one recommendation where no response has been forthcoming**.
- 5.3 The outstanding response is from the audit of Housing Investment and Maintenance Programmes. It should be noted that this outstanding response from March relates to a recommendation that was also made in a subsequent audit for which a later target date was agreed. However, subsequent chasing on a response to this revised target date has yielded no response.
- 5.4 Where officers have not completed the recommendation in line with the original target date, they are now being asked for a new date by which the agreed action will be completed. If this is not met, this will be flagged separately in future reports to Finance & Audit Scrutiny Committee (with, as per usual protocol, the option of Members asking the officers to attend to explain the lack of progress).
- 5.5 Revised target dates have been provided for three recommendations. Two of these relate to the Statutory Monitoring Functions audit where the original target dates were not achievable due to the sickness absence of one relevant member of staff along with a period of maternity leave for another. The other relates to the Leaseholder Service Charges audit where input is required from Legal Services.
- 5.6 A response to one further recommendation suggested that the action could now be undertaken, following the appointment to the relevant post. However, no revised target date has been provided setting out when this will actually be completed.

## **6 Review**

- 6.1 Members are reminded that they can see any files produced by Internal Audit that may help to confirm the level of internal control of a service, function or

activity that has been audited or that help to verify the performance of Internal Audit.

## **7 Alternative Options available to Committee**
