Final Decision? Yes
Suggested next steps (if not final decision please set out below)

1. SUMMARY

1.1 This report informs the Committee of the current Forward Plan, attached at appendix 1 to the report.

2. **RECOMMENDATIONS**

2.1 The Committee to identify any Executive decisions to be made which they wish to have an input into before the Executive make their decision and nominate one member to investigate that future decision and report back to the Committee.

3. REASONS FOR THE RECOMMENDATION

- 3.1 One of the five main roles of overview and scrutiny in local government is to undertake pre-decision scrutiny of executive decisions.
- 3.2 If the Committee has an interest in a future decision to be made by the Executive it is within the Committee's remit to feed into the process.
- 3.3 The Forward Plan is actually the future work programme for the Executive. If a non-executive member(s) highlighted a decision(s) which is to be taken by the Executive which they would like to be involved in, that member(s) could then provide useful background to the Committee when the report is submitted to the Executive and they are passing comment on it.

4. ALTERNATIVE OPTIONS CONSIDERED

4.1 The only alternative option is not to undertake this aspect of the overview and scrutiny function.

5. **BUDGETARY FRAMEWORK**

5.1 All work for the Committee has to be carried out within existing resources. Therefore, there is a limit to the time available that officers will have to assist members, so the Committee may wish to prioritise areas of investigation.

6. **POLICY FRAMEWORK**

6.1 The work carried out by the Committee helps the Council to improve in line with its priority to manage services openly efficiently and effectively.

7. **BACKGROUND**

- 7.1 There are five main roles of overview and scrutiny in local government. These being:
 - Holding to account
 - Performance management
 - Policy review
 - Policy development
 - External scrutiny

- 7.2 The pre-decision scrutiny of Executive decisions falls within the role of 'holding to account' and to feed into the pre-decision scrutiny of Executive decisions, the Committee need to examine the Council's Forward Plan and identify items which they would like to have an impact upon.
- 7.3 The Council's Forward Plan is published on a monthly basis and sets out the key decisions to be taken by the Council in the next twelve months. The Council only has a statutory duty to publish key decisions to be taken in the next four months. However, the Forward Plan was expanded to a twelve month period to give a clearer picture of how and when the Council will be making important decisions.
- 7.4 A key decision is a decision which has a significant impact or effect on two or more wards and/or a budgetary effect of £50,000 or more.
- 7.5 The Forward Plan also identifies non-key decisions to be made by the Council in the next twelve months, and the Committee, if it wishes, may also prescrutinise these decisions.
- 7.6 As members are aware, the scrutiny process has been developing over the last few months and there has been good progress made with the Task and Finish Groups, and the structured setting of the agenda for the Overview and Scrutiny Committee. Therefore, it was felt that the pre-decision scrutiny of Executive decisions and policies were the next steps to develop.
- 7.8 The Committee should be mindful that any work they wish to undertake would need to be undertaken without the need to change the timescales as set out within the Forward Plan. The Forward Plan has also been recently amended to contain much more information and Committee may wish to give greater consideration to the reports in section 2 of appendix 1, to maximise the time available for them to input into the process.
