<b>Suggested next steps (if not final decision please set out below)</b>		

## 1. **Summary**

- 1.1 The provision of a Statement of Community Involvement is a statutory requirement. This Council's SCI requires an update in order for consultations to be able to continue in times of crisis such as the current global pandemic.

## 2. **Recommendation**

- 2.1 That the Executive approves the amendments to the Statement of Community Involvement (attached as Appendix 1).

## 3. **Reasons for the Recommendation**

- 3.1 The provision of a Statement of Community Involvement (SCI) is a statutory requirement, and must be reviewed and refreshed every 5 years. The proposed SCI will not constitute a review of the document and a full revision will take place during 2020.
- 3.2 The SCI update inserts provision for undertaken consultations in times of national crisis, such as the current Coronavirus pandemic, at paragraph 2.9. This change would mean that consultations would take place solely online in such times, with hard copies of documents (usually viewed at deposit points) unavailable.
- 3.3 The proposed amendment is in line with government guidance and has been reviewed by legal officers.

## 4. **Policy Framework**

### 4.1 **Fit for the Future (FFF)**

The Council's FFF Strategy is designed to deliver the Vision for the District of making it a Great Place to Live, Work and Visit. To that end amongst other things the FFF Strategy contains several Key projects.

The FFF Strategy has 3 strands – People, Services and Money and each has an external and internal element to it. The table below illustrates the impact of this proposal if any in relation to the Council's FFF Strategy.

<b>FFF Strands</b>		
<b>People</b>	<b>Services</b>	<b>Money</b>

<b>Impacts of Proposal</b>		

## 4.2 **Supporting Strategies**

Each strand of the FFF Strategy has several supporting strategies. The Local Plan is one of the key strategies, cutting across many of the FFF strands.

## 4.3 **Changes to Existing Policies**

This document seeks to amend the SCI to the extent that, in exceptional circumstances, consultations can take place solely on line.

## 4.4 **Impact Assessments**

The Local Plan has been subject to an equalities impact assessment which assessed the implications of consultations on equalities.

## 5. **Budgetary Framework**

5.1 There are no costs associated with this report.

## 6. **Risks**

6.1 By adopting this revision, in exceptional circumstances there may be consultations undertaken whereby consultees will not have access to hard copies of documents at deposit points. There is, therefore, a risk that on those occasions we may exclude some consultees. In order to minimise this risk, should we need to undertake an online-only consultation, the process will be heavily promoted on all available channels.

## 7. **Alternative Option(s) considered**

7.1 The Executive could decide not to adopt the revised SCI. However, that would prevent the reasonable progress of consultations in certain circumstances and has therefore been discounted.
