9.2	How have the achievements made a difference to the residents/visitors/businesses of Warwick district and how do those achievements align to the aims of the Sustainable Community Strategy?	<p>Will help increase participation & investment in sport and physical activity, see 9.1. Contributing to the Sustainable Community Strategy strategic aim: everyone is able to enjoy a healthy lifestyle & sense of well being.</p> <p>Priorities: increase opportunities for everyone to enjoy and participate in sport. These achievements support the vision of making Warwick District a great place to live.</p>	
9.3	Have there been any significant changes to the external environment, such as the state of the economy or the introduction of new legislation, which require a re-appraisal of the need for the partnership? If so, what are these?	<p>Future of certain partners on the Network is unclear at present due to government funding cuts. Therefore the membership of the Network may change over the coming year.</p>	
9.4	What measures have been used to determine whether the	<p>There is no financial cost to running the Network, except officer time, approx 4 meetings a year and involvement in projects as relevant. Action plan in place</p>	

	partnership is providing value for money?	which is used to monitor progress of projects identified by the Network. No specific output measures, but actions/outcomes are recorded on the action plan.	
9.5	What consideration to extending the scope of the partnership has been made?	The Terms of Reference of the partnership have been reviewed and update in January 2011.	
9.6	How can it be demonstrated that the achievements were not possible without the partnership?	Majority of projects are about working in partnership, without this project delivery would not have been possible/difficult to deliver, for example: The Get Active Guide could not have been produced without the contributions of the partners and the Sport Unlimited programme relies on a partnership approach to promote, administer and approve local projects to go forward for Sport England Funding approval.	
9.7	What alternative options to the partnership have been considered?	None	
9.8	What are the key outcomes to be achieved over the forthcoming twelve months and how will they be measured?	<p>Get Active Guide 2012/13 to be produced spring 2012 – input required from a range of partners to make this a useful/informative document.</p> <p>Club Development Night for supporting volunteering in sport –Spring 2012. 9.9	<p>What arrangements have been in place during the previous 12 months for the management of risk? If no risk register is in place, why was one considered unnecessary?</p>	<p>The Network has no joint financial responsibility and does not jointly employ staff when activities are delivered. Insurance is provided by the lead delivery agency for individual projects. A risk register is therefore not considered necessary.</p>
