Dear Cllr Hales

### **Warwick District Council: Conclusion of the audit for 2022/23 – letter to those charged with governance on the application of the local authority backstop**

As you will be aware, on 5 September 2024 the government published draft the Accounts and Audit (Amendment) Regulations 2024. These Regulations, which were approved on 30 September 2024, set a publication date for financial statements up to and including 2022/23 of 13 December 2024. The new National Audit Office Code, which was approved on 14 November, also requires that auditors should issue their audit report in time for the relevant authority to publish its accounts by the specified date in those Regulations. Where audit work is not concluded, this will result in either a qualification or disclaimer of opinion.

As discussed with your Head of Finance, and for reasons which I set out in more detail below, it will not be possible for us to complete our audit for 2022/23 by the statutory backstop date. We therefore propose to issue a disclaimer of our audit opinion. I attach a draft copy of this disclaimer for the attention of the Audit & Standards Committee.

We are required under Auditing Standards to report certain matters to the Audit Committee, including our responsibilities as auditor, the scope of the audit, independence, audit fees and any matters arising from the audit. I set out more details on the audit below. Information regarding our responsibilities, the scope of the audit and fees are included in the Appendix.

### **Outcome of our audit for 2022/23 – Disclaimer of the opinion on the financial statements**

For reasons set out below, it will not be possible for us to undertake sufficient work to support an audit opinion by the statutory deadline of 13 December 2024. This means that the limitations of scope imposed by the backstop are pervasive and therefore we have been unable to form an opinion on the financial statements by the due date. We therefore plan to issue a disclaimer of the audit opinion. We have attached the draft wording of our Audit Report for your information.

The Accounts and Audit Regulations 2015 required the Authority to make its financial statements for the year ended 31 March 2023 available for public inspection by the first working day in June 2023. However, the Authority did not make these financial statements available for public inspection until 1 November 2024. Consequently, we were not able to commence our audit of these financial statements before that date. In addition, the audit of the 2021/22 financial year is only nearing completion at the time of writing this report. As a result, we did not have enough time before 13 December 2024 to obtain sufficient appropriate audit evidence to conclude that the 2022/23 financial statements as a whole are free from material misstatement.

#### **Chartered Accountants**

Grant Thornton UK LLP is a limited liability partnership registered in England and Wales: No. OC307742. Registered office: Grant Thornton House, Melton Street, Euston Square, London NW1 2EP. A list of members is available from our registered office. Grant Thornton UK LLP is authorised and regulated by the Financial Conduct Authority.

Grant Thornton UK LLP is a member firm of Grant Thornton International Ltd (GTIL). GTIL and the member firms are not a worldwide partnership. Services are delivered by the member firms. GTIL and its member firms are not agents of, and do not obligate, one another and are not liable for one another's acts or omissions. Please see [grantthornton.co.uk](http://grantthornton.co.uk) for further details.

**Outcome of this year's audit - Value for Money work and other work under the National Audit Office Code of Audit Practice**

We have undertaken our Value for Money work for the years ending 31 March 2022 and 31 March 2023 and reported the outcome in our Auditor's Annual Report. This report was presented to the Audit & Standards Committee on 27 August 2024. The key findings for both years ending 31 March 2022 and 2023 included a significant weakness in the Authority's arrangements to monitor and manage its financial sustainability. During 2021/22 the Authority implemented a new general ledger system. The draft financial statements for the 2021/22 year, the first prepared using the new system, contained a large number of significant errors, including capital issues which have not been resolved. We recommended that the Authority ensures that its finance team is sufficiently resourced, with appropriate skills, to ensure that the issues that delayed the completion of the 2021/22 financial statements audit are resolved; and that it prepares timely, high quality financial statements for later years, supported by appropriate reports and working papers to enable audits to proceed with minimal issues.

We are also required to report by exception if we have applied any of our statutory powers or duties.

We have nothing to report in respect of the above.

**Independence**

We confirm that there are no significant facts or matters that impact on our independence as auditors that we are required or wish to draw to your attention and consider that an objective reasonable and informed third party would take the same view. We have complied with the Financial Reporting Council's Ethical Standard and confirm that we, as a firm, and each covered person, are independent and are able to express an objective opinion on the financial statements. Further, we have complied with the requirements of the National Audit Office's Auditor Guidance Note 01 issued in May 2020 which sets out supplementary guidance on ethical requirements for auditors of local public bodies.

**Management letter of representation**

We have asked management to provide a letter of representation in respect of the financial statements covering 2022/23. This will be tabled as a separate agenda item.

**Looking ahead**

The circumstances resulting in the application of the local authority backstop are clearly extremely unusual. The government has signalled its intent that where backstops have been applied, local authorities and their auditors work together to recover the position over subsequent years.

Yours sincerely

Laurelin Griffiths  
For Grant Thornton UK LLP

cc Head of Finance

Attachments: Draft Disclaimer of Opinion 2022/23

# Appendix

## Responsibilities

The National Audit Office ('the NAO') has issued a document entitled Code of Audit Practice ('the Code'). This summarises where the responsibilities of auditors begin and end and what is expected from the audited body. Our respective responsibilities are also set out in the Terms of Appointment and Statement of Responsibilities issued by Public Sector Audit Appointments (PSAA), the body responsible for appointing us as auditor of Warwick District Council. We draw your attention to both of these documents.

## Scope of our audit

The scope of our audit is set in accordance with the Code and International Standards on Auditing (ISAs) (UK). We are responsible for forming and expressing an opinion on the Council and group's financial statements that have been prepared by management with the oversight of those charged with governance (the Audit & Standards Committee); and we consider whether there are sufficient arrangements in place at the Council and group for securing economy, efficiency and effectiveness in your use of resources. Value for money relates to ensuring that resources are used efficiently in order to maximise the outcomes that can be achieved.

The audit of the financial statements does not relieve management or the Audit Committee of its responsibilities. It is the responsibility of the authority to ensure that proper arrangements are in place for the conduct of its business, and that public money is safeguarded and properly accounted for. We have considered how the authority is fulfilling these responsibilities.

Our audit approach is based on a thorough understanding of the authority's business and is risk based.

## Audit Plan

Due to delays in the completion of prior year audits, we were unable to issue an audit plan in respect of this audit year.

## Our approach to materiality

The concept of materiality is fundamental to the preparation of the financial statements and the audit process and applies not only to the monetary misstatements but also to disclosure requirements and adherence to acceptable accounting practice and applicable law.

Due to delays in the completion of prior year audits, we were unable to determine a materiality level for 2022/23.

## Key financial reporting and audit issues identified during the audit

As we have not undertaken any detailed work in respect of this year's financial statements audit, there are no issues we need to draw to your attention.

## Going Concern

As auditors, we are required to obtain sufficient appropriate audit evidence about the appropriateness of management's use of the going concern assumption in the preparation and presentation of the financial statements and to conclude whether there is a material uncertainty about the entity's ability to continue as a going concern (ISA (UK) 570).

In performing our work on going concern, we have had reference to Statement of Recommended Practice – Practice Note 10: Audit of financial statements of public sector bodies in the United

Kingdom (Revised 2020). The Financial Reporting Council recognises that for particular sectors, it may be necessary to clarify how auditing standards are applied to an entity in a manner that is relevant and provides useful information to the users of financial statements in that sector.

Practice Note 10 sets out the following key principles for the consideration of going concern for public sector entities:

- the use of the going concern basis of accounting is not a matter of significant focus of the auditor's time and resources because the applicable financial reporting frameworks envisage that the going concern basis for accounting will apply where the entity's services will continue to be delivered by the public sector. In such cases, a material uncertainty related to going concern is unlikely to exist, and so a straightforward and standardised approach for the consideration of going concern will often be appropriate for public sector entities
- for many public sector entities, the financial sustainability of the reporting entity and the services it provides is more likely to be of significant public interest than the application of the going concern basis of accounting. Our consideration of the authority's financial sustainability is addressed by our value for money work, which is covered elsewhere in this report.

Practice Note 10 states that if the financial reporting framework provides for the adoption of the going concern basis of accounting on the basis of the anticipated continuation of the provision of a service in the future, the auditor applies the continued provision of service approach set out in Practice Note 10. The financial reporting framework adopted by a local authority meets this criteria, and so where undertaking work on your audit, we would normally expect to apply the continued provision of service approach. In doing so, we would consider and evaluate:

- the nature of the authority and the environment in which it operates
- the authority's financial reporting framework
- the authority's system of internal control for identifying events or conditions relevant to going concern
- management's going concern assessment.

As we have been unable to form an opinion on the financial statements, we are unable to draw a conclusion in this area.

#### **Design effectiveness of internal controls**

Our audit is not designed to test all internal controls or identify all areas of control weakness. However, where, as part of our testing, we identify any control weaknesses, we will report these to management.

We have nothing to report in respect of the above.

#### **Other matters which we are required to report on to those charged with governance**

We are required to confirm the following:

- We have not been made aware of any incidents of fraud in the period and no issues have been identified during the course of our audit procedures.
- We are not aware of any related party transactions which have not been disclosed.
- We are not aware of any significant incidences of non-compliance with applicable laws and regulations.

#### **Matters in relation to the Group audit**

In respect of the group engagement, we are required to report on:

- The scope of work on components
- The involvement of group auditors in significant component audits,
- Any concerns over quality of component auditors' work
- Limitations of scope on the group audit, and
- Fraud or suspected fraud

We have no matters to report in this respect.

#### **Audit fees and non audit fees**

PSAA set a scale fee for 2022/23 of £48,791. Given the unusual circumstances of the backstop, we are awaiting a determination from PSAA as to the appropriate fee to be charged for this audit year. Our proposed fee is £18,155.

The fees do not reconcile to the financial statements, so we have provided a reconciliation:

Audit fees per financial statements	£73k
Accrual for expected additional fees	(£ 24k)
<b>Total audit scale fee per above</b>	<b>£49k</b>

We have also undertaken the following non audit work in respect of 2022/23.

<b>Service</b>	<b>Proposed Fee</b>	<b>Final Fee</b>
Housing Benefits Subsidy assurance	£24,600	£TBC
Pooling of Housing Capital Receipts assurance	£10,000	£TBC

We have considered whether our grant claim work, the fee for which is expected to be higher than the audit fee for this backstopped year, represents a threat to independence. We are satisfied that it is not a threat, on the basis that grant claim work is carried out under instructions set by government, is undertaken on a routine basis each year, and has been assessed by the NAO in AGN 01 as not counting against the non audit cap.

# Independent auditor's report to the members of Warwick District Council (DRAFT)

## Report on the audit of the financial statements

### Disclaimer of opinion

We were engaged to audit the financial statements of Warwick District Council (the 'Authority') and its subsidiary (the 'group') for the year ended 31 March 2023, which comprise the Comprehensive Income and Expenditure Statement, the Movement in Reserves Statement, the Balance Sheet, the Cash Flow Statement, the Housing Revenue Account Income and Expenditure Statement, the Movement on the Housing Revenue Account Statement, the Collection Fund, the Group Comprehensive Income and Expenditure Statement, the Group Movement in Reserves Statement, the Group Balance Sheet, the Group Cash Flow Statement and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2022/23.

We do not express an opinion on the accompanying financial statements of the Authority or the group. Because of the significance of the matters described in the basis for disclaimer of opinion section of our report, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these financial statements.

### Basis for disclaimer of opinion

The Accounts and Audit (Amendment) Regulations 2024 ('the Regulations') require the Authority to publish audited financial statements for the year ended 31 March 2023 by 13 December 2024 ('the backstop date'). The backstop date has been put in law with the purpose of clearing the backlog of historical financial statements.

We have not been able to obtain sufficient appropriate audit evidence by the backstop date to conclude that the Authority's or group's financial statements for the year ended 31 March 2023 as a whole are free from material misstatement. We were also unable to obtain sufficient appropriate evidence for the corresponding figures for the same reason. We have concluded that the possible effects on the financial statements of undetected misstatements arising from this matter could be both material and pervasive.

In addition, in our auditor's report for the year ended 31 March 2022, we issued a disclaimer of opinion as we were unable to obtain sufficient appropriate audit evidence by the backstop date to conclude that the Authority's capital asset records were free from material misstatement. This matter has not been resolved in the current year and therefore its impact could be both material and pervasive to the current year financial statements.

We have therefore issued a disclaimer of opinion on the financial statements. This enables the Authority to comply with the requirement in the Regulations that they publish audited financial statements for the year ended 31 March 2023 by the backstop date. We have concluded that the possible effects on the financial statements of undetected misstatements arising from this matter could be both material and pervasive.

### Other information we are required to report on by exception under the Code of Audit Practice

Because of the significance of the matters described in the basis for disclaimer of opinion section of our report, we have been unable to consider whether the Annual Governance Statement does not comply with 'Delivering Good Governance in Local Government Framework 2016 Edition' published by CIPFA and SOLACE, or is misleading or inconsistent with the information of which we are aware from our audit. We are not required to consider whether the Annual Governance Statement addresses all risks and controls or that risks are satisfactorily addressed by internal controls.

### Opinion on other matters required by the Code of Audit Practice

The Head of Finance is responsible for the other information. The other information comprises the information included in the Statement of Accounts, other than the Authority's and group's financial statements and our auditor's report thereon. Because of the significance of the matters described in the basis for disclaimer of opinion section of our report, we have been unable to form an opinion, whether based on the work undertaken in the course of the audit of the financial statements and our knowledge of the Authority gained through our work in relation to the Authority's arrangements for securing economy, efficiency and effectiveness in its use of resources, whether the other information published together with the financial statements in the Statement of Accounts for the financial year for which the financial statements are prepared is consistent with the financial statements.

## **Matters on which we are required to report by exception**

Under the Code of Audit Practice, we are required to report to you if:

- we issue a report in the public interest under section 24 of the Local Audit and Accountability Act 2014 in the course of, or at the conclusion of the audit; or
- we make a written recommendation to the Authority under section 24 of the Local Audit and Accountability Act 2014 in the course of, or at the conclusion of the audit; or
- we make an application to the court for a declaration that an item of account is contrary to law under Section 28 of the Local Audit and Accountability Act 2014 in the course of, or at the conclusion of the audit; or;
- we issue an advisory notice under Section 29 of the Local Audit and Accountability Act 2014 in the course of, or at the conclusion of the audit; or
- we make an application for judicial review under Section 31 of the Local Audit and Accountability Act 2014, in the course of, or at the conclusion of the audit.

We have nothing to report in respect of the above matters.

## **Responsibilities of the Authority and the Head of Finance**

As explained more fully in the Council's Responsibilities set out on page 23, the Authority is required to make arrangements for the proper administration of its financial affairs and to secure that one of its officers has the responsibility for the administration of those affairs. In this authority, that officer is the Head of Finance. The Head of Finance is responsible for the preparation of the Statement of Accounts, which includes the financial statements, in accordance with proper practices as set out in the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2022/23, for being satisfied that they give a true and fair view, and for such internal control as the Head of Finance determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Head of Finance is responsible for assessing the Authority's and the group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless they have been informed by the relevant national body of the intention to dissolve the Authority and the group without the transfer of its services to another public sector entity.

## **Auditor's responsibilities for the audit of the financial statements**

Our responsibility is to conduct an audit of the Authority's and group's financial statements in accordance with International Standards on Auditing (UK) and to issue an auditor's report. However, because of the matters described in the basis for disclaimer of opinion section of our report, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on those financial statements.

We are independent of the Authority and group in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements.

## **Explanation as to what extent the audit was considered capable of detecting irregularities, including fraud**

Irregularities, including fraud, are instances of non-compliance with laws and regulations.

The audit was defective in its ability to detect irregularities, including fraud, on the basis that we were unable to obtain sufficient appropriate audit evidence due to the matters described in the basis for disclaimer of opinion section of our report.

## **Report on other legal and regulatory requirements – the Authority's arrangements for securing economy, efficiency and effectiveness in its use of resources**

### **Matter on which we are required to report by exception – the Authority's arrangements for securing economy, efficiency and effectiveness in its use of resources**

Under the Code of Audit Practice, we are required to report to you if, in our opinion, we have not been able to satisfy ourselves that the Authority has made proper arrangements for securing economy, efficiency and effectiveness in its use of resources for the year ended 31 March 2023.

We have nothing to report in respect of the above matter, except on 27 August 2024 we identified a significant weakness in the Authority's arrangements to monitor and manage its financial sustainability for the years ended 31 March 2022 and 2023. During 2021/22 the Authority implemented a new general ledger system. The draft financial statements for the 2021/22 year, the first prepared using the new system, contained a large number of significant errors, including capital issues which have not been resolved. We recommended that the Authority:

- ensures that its finance team is sufficiently resourced, with appropriate skills, to ensure that the issues that delayed the completion of the 2021/22 financial statements audit are resolved; and
- prepares timely, high quality financial statements for later years, supported by appropriate reports and working papers to enable audits to proceed with minimal issues.

### **Responsibilities of the Authority**

The Authority is responsible for putting in place proper arrangements for securing economy, efficiency and effectiveness in its use of resources.

### **Auditor's responsibilities for the review of the Authority's arrangements for securing economy, efficiency and effectiveness in its use of resources**

We are required under Section 20(1)(c) of the Local Audit and Accountability Act 2014 to be satisfied that the Authority has made proper arrangements for securing economy, efficiency and effectiveness in its use of resources. We are not required to consider, nor have we considered, whether all aspects of the Authority's arrangements for securing economy, efficiency and effectiveness in its use of resources are operating effectively.

We undertake our review in accordance with the Code of Audit Practice, having regard to the guidance issued by the Comptroller and Auditor General in November 2024. This guidance sets out the arrangements that fall within the scope of 'proper arrangements'. When reporting on these arrangements, the Code of Audit Practice requires auditors to structure their commentary on arrangements under three specified reporting criteria:

- Financial sustainability: how the Authority plans and manages its resources to ensure it can continue to deliver its services;
- Governance: how the Authority ensures that it makes informed decisions and properly manages its risks; and
- Improving economy, efficiency and effectiveness: how the Authority uses information about its costs and performance to improve the way it manages and delivers its services.

We document our understanding of the arrangements the Authority has in place for each of these three specified reporting criteria, gathering sufficient evidence to support our risk assessment and commentary in our Auditor's Annual Report. In undertaking our work, we consider whether there is evidence to suggest that there are significant weaknesses in arrangements.

### **Report on other legal and regulatory requirements – Audit certificate**

We certify that we have completed the audit of Warwick District Council for the year ended 31 March 2023 in accordance with the requirements of the Local Audit and Accountability Act 2014 and the Code of Audit Practice.

### **Use of our report**

This report is made solely to the members of the Authority, as a body, in accordance with Part 5 of the Local Audit and Accountability Act 2014 and as set out in paragraph 44 of the Statement of Responsibilities of Auditors and Audited Bodies published by Public Sector Audit Appointments Limited. Our audit work has been undertaken so that we might state to the Authority's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Authority and the Authority's members as a body, for our audit work, for this report, or for the opinions we have formed.
