Please state nature of representation. This may not be on the solely on the grounds of morality or religion.

I am objecting to the renewal of the Shades SEV Licence on the following grounds:

Many people wishing to attend the Gurdwara have to pass the Sex Club on their way from the residential area in other areas of Leamington Spa. Many of the elderly people travel by bus and have to use the bus stop outside the Sex Club and feel very uncomfortable standing there.

We believe that the character of Leamington Spa is changed by having a Sex Club in one of the most important routes into the town.

Many of our members attend the Hindu Community Centre and their activities are curtailed by the presence of the Sex Club so close to them because people choose to avoid the area.

When members of our community use the railway station they find it distasteful to have to pass the Sex Club and are very unhappy to welcome visitors to Royal Leamington Spa with one of the first buildings visible from the station is a Sex Club.

We have supported the regeneration of Old Town over many years, and we believe that the presence of the Sex Club is holding this back.

We wish to support the Hindu Religious Association in their campaign to have the Sex Club closed down because it is affecting their place of worship.

I wish to add my Objection to the Shades Application for renewal of their Sexual Entertainment Licence in support of the above statements.

The character of Royal Leamington Spa is changed by having a Sex Club in one of the most important routes into the town.

When people go to the railway station they find it distasteful to have to pass the Sex Club and it is most unfortunate that one of the first buildings visitors to Royal Leamington Spa on arriving at the station is a Sex Club.

Many people these days travel by bus and have to use the bus stop outside the Sex Club and feel very uncomfortable standing there.

People who walk home up Tachbrook Road to Kennan Avenue, Bury Road and Kingsway do not like having to pass a Sex Club on their way from the centre of town and in the evenings some people decide to walk the long way round in order to avoid the people standing outside smoking or coming out of the Sex Club.

The Old Town has been the subject of regeneration for the past many years, and the presence of the Sex Club is definitely holding this back.

Businesses in Old Town are suffering, despite the efforts of the Mary Portas funding, because a lot of people will not visit an area where there is a Sex Club.

It is unacceptable that the Hindu Religious Association has their very busy place of worship so close to the Sex Club.

I wish to add my Objection to the Shades Application for renewal of their Sexual Entertainment Licence in support of the above statements.

Many people wishing to attend the Gurdwara have to pass the Sex Club on their way from the residential area in other areas of Leamington Spa.

Many of the elderly people travel by bus and have to use the bus stop outside the Sex Club and feel very uncomfortable standing there.

We believe that the character of Leamington Spa is changed by having a Sex Club in one of the most important routes into the town.

Many of our members attend the Hindu Community Centre and their activities are curtailed by the presence of the Sex Club so close to them because people choose to avoid the area.

When members of our community use the railway station they find it distasteful to have to pass the Sex Club and are very unhappy to welcome visitors to Royal Leamington Spa with one of the first buildings visible from the station is a Sex Club.

We have supported the regeneration of Old Town over many years, and we believe that the presence of the Sex Club is holding this back.

We wish to support the Hindu Religious Association in their campaign to have the Sex Club closed down because it is affecting their place of worship.

I wish to add my Objection to the Shades Application for renewal of their Sexual Entertainment Licence in support of the above statements.

The character of Royal Leamington Spa is changed by having a Sex Club in one of the most important routes into the town.

When people go to the railway station they find it distasteful to have to pass the Sex Club and it is most unfortunate that one of the first buildings visitors to Royal Leamington Spa on arriving at the station is a Sex Club.

Many people these days travel by bus and have to use the bus stop outside the Sex Club and feel very uncomfortable standing there.

People who walk home up Tachbrook Road to Kennan Avenue, Bury Road and Kingsway do not like having to pass a Sex Club on their way from the centre of town and in the evenings some people decide to walk the long way round in order to avoid the people standing outside smoking or coming out of the Sex Club.

The Old Town has been the subject of regeneration for the past many years, and the presence of the Sex Club is definitely holding this back.

Businesses in Old Town are suffering, despite the efforts of the Mary Portas funding, because a lot of people will not visit an area where there is a Sex Club.

It is unacceptable that the Hindu Religious Association has their very busy place of worship so close to the Sex Club.

I wish to add my Objection to the Shades Application for renewal of their Sexual Entertainment Licence in support of the above statements.

I am against this idea as well. I use the bus stop near wide street a lot. I go shopping to Morrison and other stores at shires. I don't like people bumping into me because I am old. With shades in this area will have the pavements full. I am religious minded as well.

I am objecting to the renewal of the Shades SEV Licence on the following grounds:

Many people wishing to attend the Gurdwara have to pass the Sex Club on their way from the residential area in other areas of Leamington Spa.

Many of the elderly people travel by bus and have to use the bus stop outside the Sex Club and feel very uncomfortable standing there.

We believe that the character of Leamington Spa is changed by having a Sex Club in one of the most important routes into the town.

Many of our members attend the Hindu Community Centre and their activities are curtailed by the presence of the Sex Club so close to them because people choose to avoid the area.

When members of our community use the railway station they find it distasteful to have to pass the Sex Club and are very unhappy to welcome visitors to Royal Leamington Spa with one of the first buildings visible from the station is a Sex Club.

We have supported the regeneration of Old Town over many years, and we believe that the presence of the Sex Club is holding this back.

We wish to support the Hindu Religious Association in their campaign to have the Sex Club closed down because it is affecting their place of worship.

I wish to add my Objection to the Shades Application for renewal of their Sexual Entertainment Licence in support of the above statements.

The character of Royal Leamington Spa is changed by having a Sex Club in one of the most important routes into the town.

When people go to the railway station they find it distasteful to have to pass the Sex Club and it is most unfortunate that one of the first buildings visitors to Royal Leamington Spa on arriving at the station is a Sex Club.

Many people these days travel by bus and have to use the bus stop outside the Sex Club and feel very uncomfortable standing there.

People who walk home up Tachbrook Road to Kennan Avenue, Bury Road and Kingsway do not like having to pass a Sex Club on their way from the centre of town and in the evenings some people decide to walk the long way round in order to avoid the people standing outside smoking or coming out of the Sex Club.

The Old Town has been the subject of regeneration for the past many years, and the presence of the Sex Club is definitely holding this back.

Businesses in Old Town are suffering, despite the efforts of the Mary Portas funding, because a lot of people will not visit an area where there is a Sex Club.

It is unacceptable that the Hindu Religious Association has their very busy place of worship so close to the Sex Club.

I wish to add my Objection to the Shades Application for renewal of their Sexual Entertainment Licence in support of the above statements.

I have young children & grandchildren, I don't walk down to High St or Beeth St anymore or its only sometimes. But I enjoy it.

If you grant a sex licence I will stop taking my family completely.

This area needs "attraction" not "DISTRACTION"

The proximity of residential premises

The Student accomadtion is very close. The ~~the~~ students in need of finance, may be tempted by potential earnings from a 'proffession' that endangers not only their physical wellbeing, but their mental health, future regrets etc.

There are also a number of religious sites nearby.

I am worried for the reputation of Leamington Spa, when one of the first things you see when coming into Leamington by train is a Strip Club / lap dancing club. I believe it is detrimental to other business's in the area.

I have got grand-children
growing up in this town
I am totally against these
kind of places. I use
the bus stop near shades
to go shopping to shires
and other new stores.
I cannot think about
places like shades
coming into existence.
