

### **Additional Item for the agenda**

#### **Item 18a – Land at Wasperton Lane, Barford, Warwick**

Due to a clerical error, this planning application was missed off the planning agenda 8 December 2015 that was published earlier this week.

The report falls under Part B of the agenda and therefore people are entitled to register to speak under the usual terms operated by this Council.

Apologies for the oversight.

Lesley Dury  
Committee Services Officer
