4360-5999	5,300	Pete Cutts	To provide Anti-Social Behaviour Intervention Teams to tackle deliberate small fires and anti-social behaviour in known hot-spots across the district (particularly in Kenilworth at present). Delays occurred because of uncertainties over PCSO numbers and Fire and Rescue policy in relation to the scheme across the county. Assurances have now been received and 63 sessions are planned between now and November (Bonfire night).
4360-5999	7,200	Pete Cutts	Street Marshalling for taxi drivers and their customers at taxi ranks, plus a wider role in responding to developing incidents of anti-social behaviour and providing support to venerable individuals, particularly lone females. This was delayed due to uncertainty over partnership funding. Assurances have now been received and it is planned to run during peak periods particularly Friday and Saturday evenings and into the early hours.
<u>WDC Highways</u>			
4780-2999	38,200	Roger Jewsbury / Ian Coker (?)	Rural footway lighting - EU requirement to replace mercury filament lighting with modern efficient sodium units. After procurement and receipt of tenders it was decided to make changes to the schedules and technical information to complete an ICE Contract Document and Procurement Contract. These documents are currently being completed in order that they can be registered with "Delta".

1640-4999	300	Alison Williams	Delay in the development of the Integrated Grants Scheme has meant that not all funding of the Small Grants Fund were able to be made.
			<u>ICT Services</u>
3500-4999	45,900	Ty Walter	Upgrade of the Council's IPT telephony system. The project is in progress with the planning phase and hardware and software schedules complete. Orders have been placed and we are now awaiting delivery to schedule implementation.
<u>DEVELOPMENT</u>			
			<u>Credit Crunch</u>
			Several initiatives were developed over the last year. However, two projects have slipped due to staff shortages due to prolonged sickness and to the impact of Lean Systems Thinking over last summer and did not start until quarter 4:
3610-4999	1,800	Joe Baconnet	Business Seminar Programme - launched January 2011 and programmed marketing activity will now run to December 2011.
3610-4999	6,000	Joe Baconnet	Unemployed Person Enterprise Grant Scheme was launched in January 2011 and a number of potential new start up businesses are likely to take up the support on offer. To ensure we only support only genuine new start ups the grant will not be paid until the business is up and running.

3550-4999	2,700	Joe Baconnet	<u>Tourism</u> The March meeting of the Executive agreed to make a contribution towards the redevelopment of the Court House, Warwick. This was to be financed from the Warwick Renaissance Earmarked Reserve and £2,700 from the 2010/11 Tourism Budget.
3550-4999	57,300	Joe Baconnet	<u>Warwick Renaissance</u> The March meeting of the Executive agreed to make a contribution towards the redevelopment of the Court House, Warwick. This was to be financed from the Warwick Renaissance Earmarked Reserve and £2,700 from the 2010/11 Tourism Budget.
4577-4999	3,400	Gary Stephens	<u>Climate Control</u> A report to the March 2011 Executive detailed the progress on this work to date and approval was given to carry the unspent balance forward to 2011/12.
4578-5999	19,100	Gary Stephens	<u>Warwick Town Centre Plan</u> Past reports to the Executive have highlighted delays in the project due to staff capacity and also delays in the Local Plan and the consequent delays in appointing consultants. The work is now back on track.

ENVIRONMENT

4210-5999	6,800	Richard Hall	<u>Environmental Health Core</u> Consultants Fees: Money has been retained in this budget to assist with the development of the APP / Civica software system. Due to the nature of the development it is not easy to predict as it depends on a number of factors. The work needed is to roll-out the mobile technology which will enable greater efficiencies and for consultancy advice to achieve data capture.
4270-5999	101,300	Rob Chapleo	<u>Food and Occupational Health and Safety</u> The Council is prosecuting a local employer under health and safety legislation. Due to the nature of the case it is a long process. A preliminary hearing has resulted in the case being sent for court proceedings, which is still pending. In April 2010 the Executive approved a transfer of £100,000 from the Contingency budget to supplement existing budgets. As the court case is still pending there is still a requirement to meet potential legal costs.
