Subject: Premises Licence Application for Bar Angeli 5 Livery Street, Leamington Spa, Warwickshire, CV32 4NP

Follow Up Flag: Follow up
Flag Status: Flagged

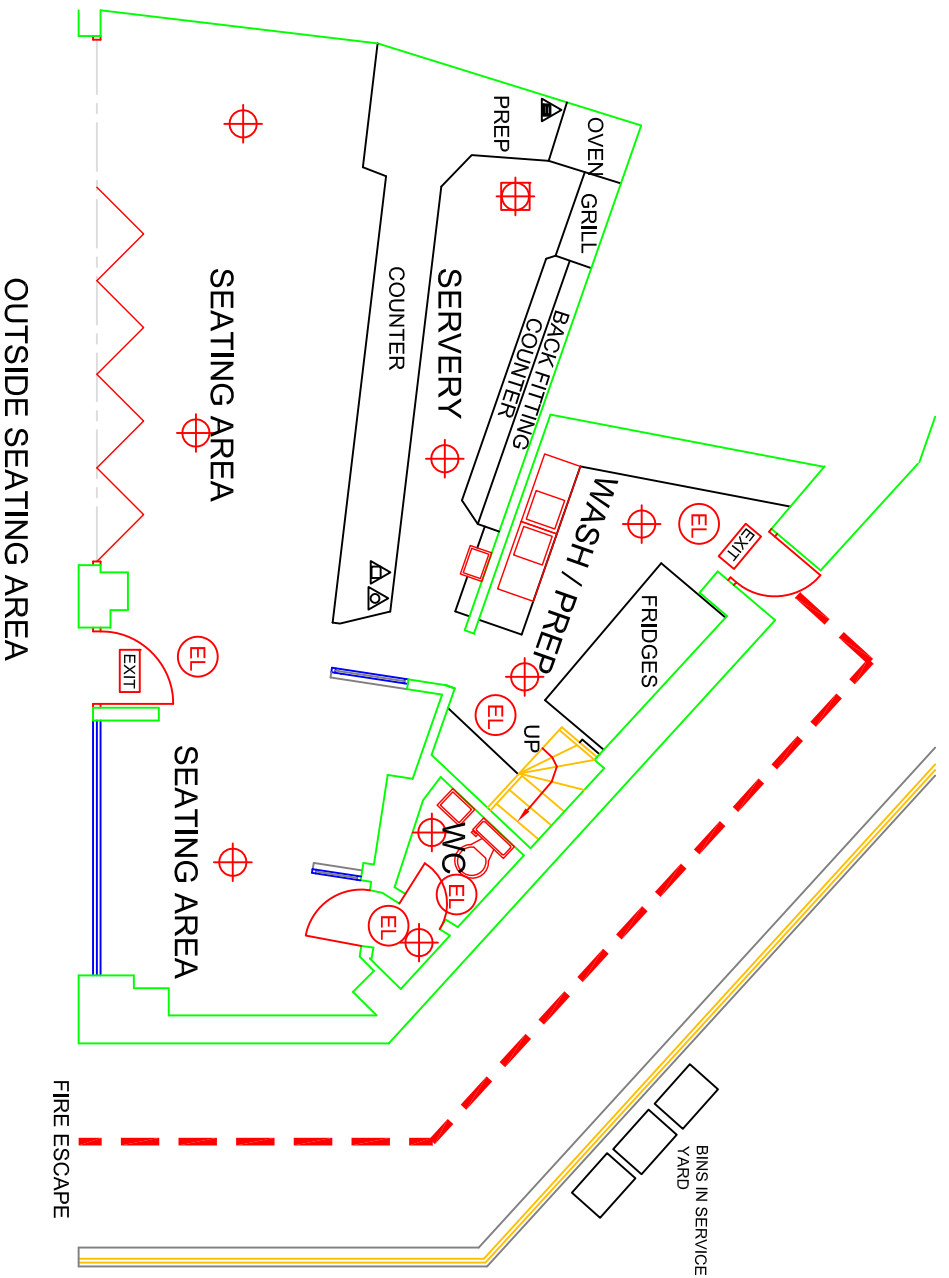

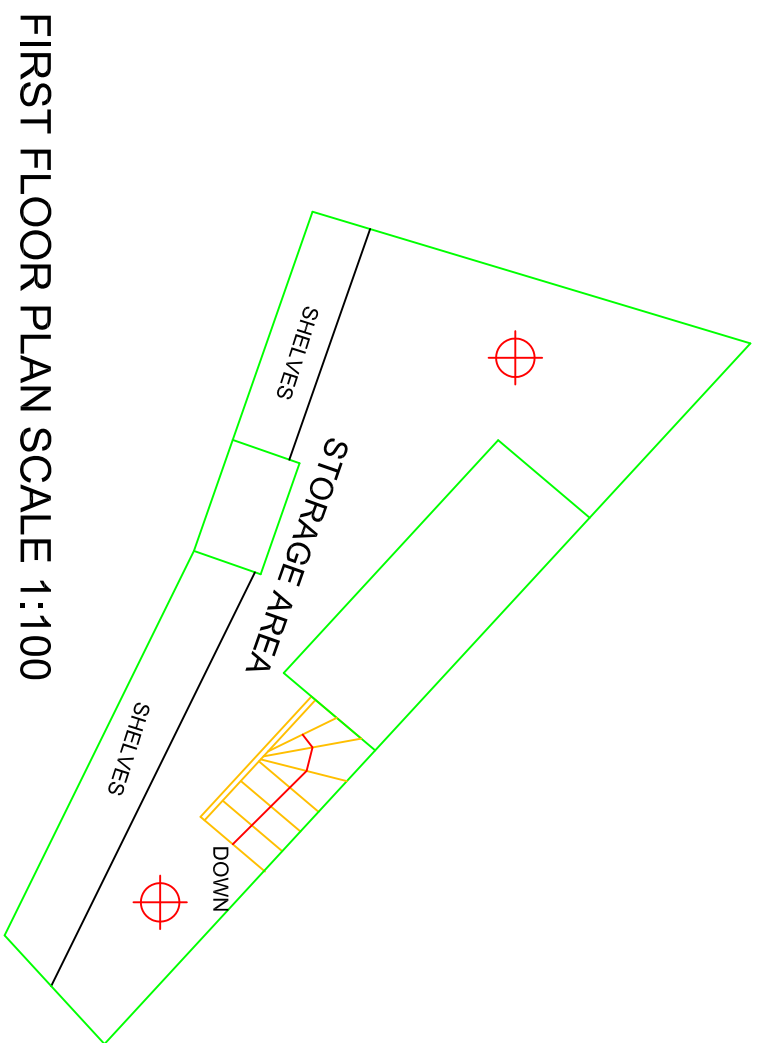

Dear Licensing,

As an interested party under the Licensing Act 2003 I would like to object to the issue of a premises licence for Bar Angeli 5 Livery Street, Leamington Spa, Warwickshire, CV32 4NP. Bar Angeli is currently described as a Coffee Shop on TripAdvisor. The application is for an additional bar within in the towns saturation zone.

The grounds for my objection relate to WDC's Special Policy regarding cumulative impact as the premise fall within the saturation zone, and also to the lack of promotion by the applicant of the four licensing objectives, particularly the prevention of crime and disorder, public safety, and the prevention of public nuisance, particularly the potential nuisance that might be caused by smokers outside the premises.

Many thanks,
Andrew Cave
