

## **Proposed operating schedule**

### **General:**

Attention to:

Vigilance in preventing the use and/or sale of illegal drugs or activity in premises.

No violent and anti-social behaviour. If any children in shop to be vigilant to any harm to children.

### **The Prevention of Crime and Disorder**

Most of the sales will be through deliveries to the customers.

Staff will be vigilant in asking customers to use premises and outside in orderly and respectful manner.

Vigilance in prevention of any illegal activity.

### **Public Safety**

Well lit shop inside and outside.

There is already a Police camera next to the shop on Brunswick Street.

Well trained staff adherence to Environmental Health requirement.

### **The Prevention of Public Nuisance**

Deliveries of goods to the premises will done in the daytime.

Vigilance and give notice to any customers who are noisy to respect the neighbourhood.

### **The Protection of Children from Harm**

Normally children will be served first and served with care so that they can be back as soon as possible and prevent and be vigilant regarding their safety.

**Tayyibah Daud**

**Subject:** Casa Rica , Brunswick Street Leamington- Application for Late Night Refreshment

Dear Licensing,

**Casa Rica , Brunswick Street Leamington- Application for Late Night Refreshment Licence**

I write in response to your recent consultation

Environmental Health object to the hours applied for as this is likely to give rise to nuisance from noise in the early hours of the morning.

Residents close by are likely to be disturbed by operation of the kitchen ,cooking and ventilation equipment at times when the area would otherwise be quiet. Take- away sales are likely to cause people to loiter around the premises who would otherwise pass by ,with noise of conversation and raised voices of customers going in and out during the small hours the street would otherwise be quiet.

For Information there is a condition attached to the Planning Consent W901381 for the hot food takeaway which prohibits opening to the public after 11.30pm and prohibits opening on Sunday to protect the amenity of surrounding properties. Were Mr Bijannejad to apply for relaxation of the Planning condition, Environmental Health would oppose such application for the reasons set out above.

Kind Regards

<b>X</b>	I object to the application being granted at all
	I object to the application being granted in it's current form (If you choose this option remember to tell us in the next section what changes you would like to see)

Our objection is based on the following:

I am objecting to the application because of the impact that it is likely to have on residents in the immediate area. Specifically, noise and anti-social behaviour late at night and the early hours of the morning.

Every year local residents are subjected to a great deal of noise along Clements street, Brunswick street and Tatchbrook road. All neighbouring roads are also affected by late night noise. This noise is caused in the main by many young people heading home from late clubs and bars, they are often drunk and rowdy and very likely to stop at Casa Rica for refreshments and general congregation. As an example of the problem in the autumn term of 2018 I counted 100 young people moving along Charlotte street in both large and small groups in the period 12am – 1pm. In every case they were chattering, shouting and screaming as if it were Saturday lunchtime. This is very disruptive and is not an unusual occurrence south of the river. Unfortunately it is very clear that the rise in student numbers exacerbates the problem. Each September we see the population of Leamington rise considerably with the arrival of so many young people who frankly, are here to party at the expense of the settled community.

Actual and projected figures for student numbers are;

2018/19 – **6004**

2019/20 – **6314**

2020/21 – **6501**

2021/22 – **6607**

Police reports for our area state that in the period August 2018 to July 2019 Leamington South experience **785** incidents of ASB, **135** Public Order offences, **693** Violence and sexual offences.

We (see residents who are supporting this application below) believe that if CASA RICA is allowed a late night license so that they can serve on premises and apparently Monday through Thursday 11pm – 2am and Friday through Sunday 11pm to 3am. It can only be said that this is a cynical attempt to create money out of students at the expense of residents.

The applicant has provided no statement on how prevention of crime, disorder and public safety and the prevention of noise nuisance will be addressed and frankly does not address the questions raised at all indeed on the comment regarding

The applicant has provided no statement on how prevention of crime, disorder and public safety and the prevention of noise nuisance will be addressed and frankly does not address the questions raised at all indeed, on the comment regarding protection of children, the response is "children will be served first and served with care"? Is this at 3am in the morning? What do they mean "served first and with care"?

Myself and other residents are also concerned that even more rubbish will be generated if this application goes ahead and this will be strewn about the area.

Please, this is a residential area and not the town centre. Please refuse this application.

I am away on holiday until 25<sup>th</sup> September and therefore unable to attend a hearing before this date.

Signed..........

If you represent residents or businesses please complete the boxes below

Organisation name if applicable	Ourselves as individuals, and Solar (South Leamington residents)
Please state nature of representation: Members of group. Willing to put forward their objection with ours	

Section - Objection Details	
<p><b>My objection is relevant to the following licensing objective:</b></p> <p><i>You can tick more than one box</i></p>	<p><input checked="" type="checkbox"/> Prevention of crime and disorder.</p> <p><input type="checkbox"/> Prevention of public nuisance.</p> <p><input type="checkbox"/> Protection of children from harm.</p> <p><input checked="" type="checkbox"/> Public safety</p>

<input type="checkbox"/>	I object to the application being granted at all
<input checked="" type="checkbox"/>	I object to the application being granted in it's current form (If you choose this option remember to tell us in the next section what changes you would like to see)

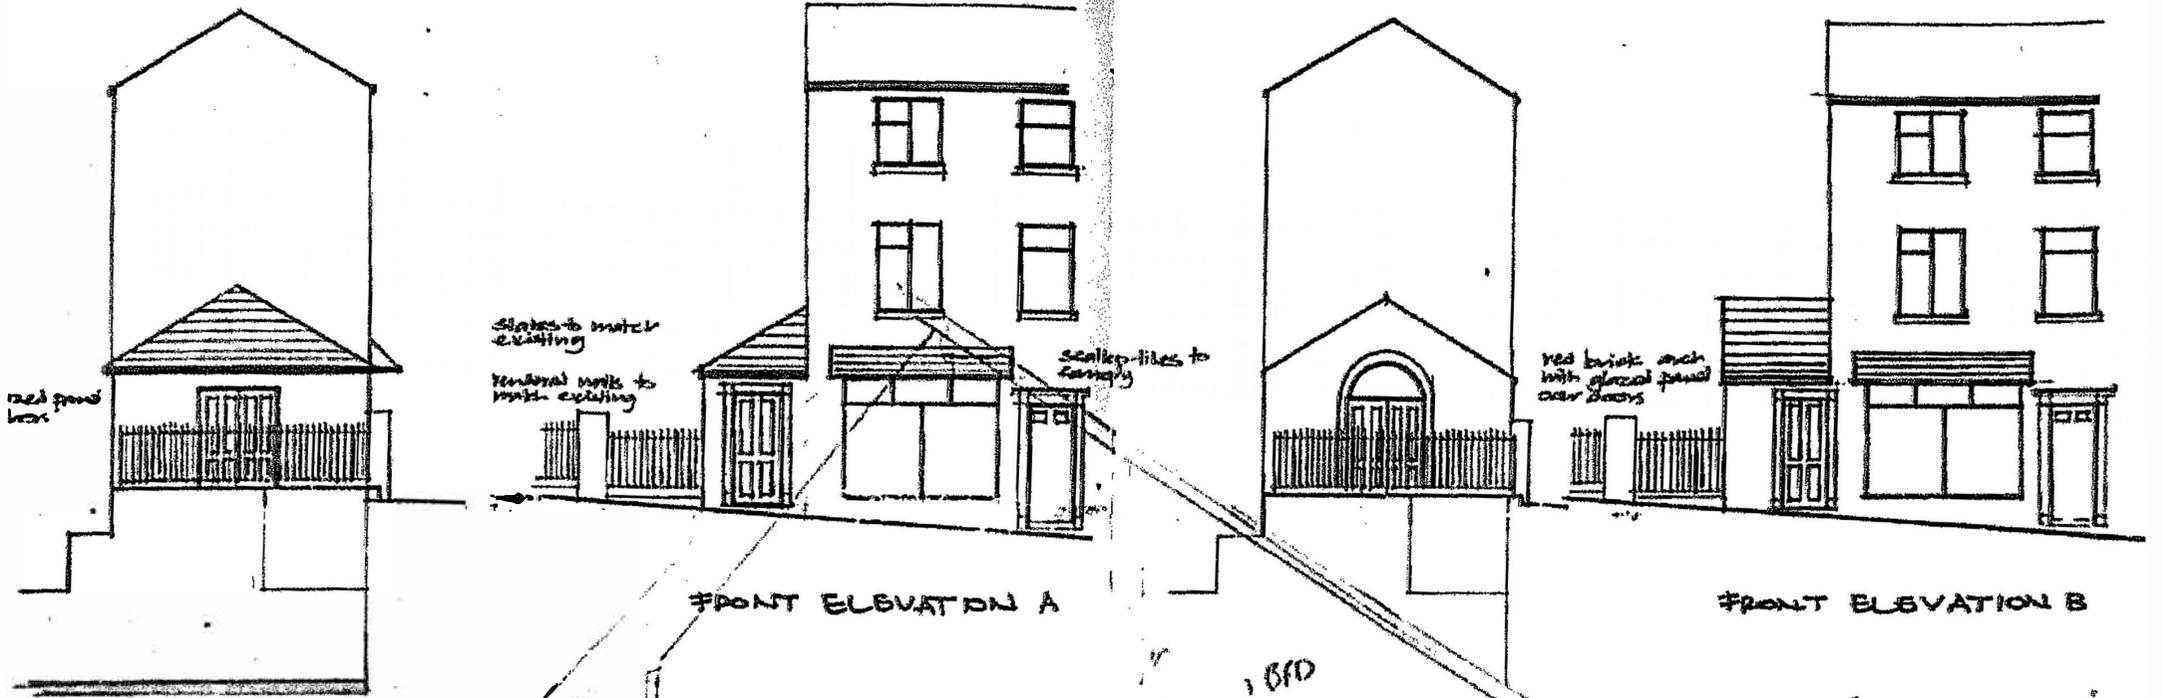

Our objection is based on the following:
--

1. We fully support the existing objection by Len Mackin on behalf of Solar, and Solar has agreed that we may speak on their behalf. (Email chain exists)
2. Additionally, we wish to make the point that Leamington south of the canal bridge is very largely residential. The few business premises that exist maintain normal shop closing hours. (Brunswick stores: 10pm; dry cleaners and funeral directors etc: 5-5.30). Casa Rica itself abuts directly onto thirteen residential flats, with addresses on Ranelagh Street. It is directly on the walking route into south Leamington from the pubs and clubs uptown.
3. Noise and litter nuisance is well documented in this area of Brunswick, Charlotte Street, Ranelagh Street, Clarence Street, and (crucially) the public footpath that runs from Brunswick street down to the Eagle Rec. Much of the litter already involves fast food boxes and wrappings. Noise nuisance is not confined to university terms, though it is most extreme and persistent then. It is difficult to report, as neither WDC nor the police have useful channels for reportage. I personally am frequently woken by persistent noise from passers by between midnight and two am. Len Mackin has kept a log of noise nuisance on charlotte street, and I am preparing one in relation to eagle street. I have recorded late night voice noise after midnight on specific dates in May and June.
4. Jill Barker has repeatedly reported revolting piles of litter on Ranelagh Terrace during her term as town Councillor for Brunswick, and afterwards. WDC Have been cooperative in clearing them up, but it is a persistent problem.
5. Prevention of public nuisance. Late night roistering, and often fighting and bad language is a public nuisance. The late hours suggested will only make an existing problem worse by encouraging people to linger on their way home.
6. Public safety is not enhanced, rather it is endangered by encouraging party goers to linger on the streets.
7. This encourages crime, both in terms of fights and assaults, but also in terms of individuals who readily become victims of thefts when they are not in full control of themselves late at night.

8. Litter is a public nuisance. It is already a problem, and will only get worse with longer hours. Food litter encourages rats and other vermin.
9. Lastly, we wish to suggest that Casa Rica be instructed to provide litter bins. We also wish to suggest that they post prominent notices explaining that customers should leave quietly, and not litter, because they are in a residential area.

Signed  .....
