------------------------	-----

1. **SUMMARY**

2. **RECOMMENDATION**

- 2.1 That members consider the Environmental Health Officer concerns and discuss their views with him.

3. **REASONS FOR THE RECOMMENDATION**

- 3.1 The Council's Environmental Health Officer feels that it is difficult to decide on occasions whether he should recommend a refusal of an application outright, or whether he should recommend a refusal, but add suggested conditions should the panel be minded to grant a licence. He feels that the latter method can appear to water down his initial suggestion that the licence is not granted.
