4. Work Programme, Forward Plan & Comments from Cabinet

Question from Councillor Cullinan:

Appendix 1. Item 4, p9. Under private sector housing minimum energy efficiency standards enforcement process. The written report requested in August 20 is still to appear. When might we expect it?

Response from Lisa Barker:

The team have been flat out being a post down for a considerable time, dealing with Covid and then in developing work on Additional licencing and latterly on Homes for Ukraine.

Given their work programme can I suggest something in the spring?
