

**Executive  
1 November 2017  
Addendum**

**Item 3 - Revisions to the Constitution.**

The report proposes to transfer delegation HS(99) "Grant new leases on vacant properties, excluding HRA properties" from the Head of Housing to the Deputy Chief Executive (BH).

However, following further discussions this delegation needs to be available to the Head of Development Services because of the work of the Business Enterprise Team.

Therefore, it is proposed that current delegation HS(99) instead of becoming DCE(5) becomes A(11) delegated to both the Deputy Chief Executive (BH) and Head of Development individually.
