

Additional Report for Employment Committee Monday 26 April 2021

Dear Councillors

The statutory deadline for publishing the agenda for the Employment Committee 26 April is this Friday coming. We published the agenda yesterday because at that stage only one report was coming to the meeting plus minutes to approve from the last meeting, and we had received these so there was no need to wait until Friday. It allowed us to get ahead on a day when we were fully staffed as opposed to Friday when we will not be fully staffed.

However, this morning, we were informed by Human Resources that if possible, they wished to include another report on Pension Banding. Human Resources sought and obtained authority from the Employment Committee Chairman, so the decision was made to include this additional report and thus avoid calling yet another meeting.

We decided to add this report as an additional report because by the time we became aware of the report, all printing for the agenda published late yesterday had taken place, so it would have been wasteful to scrap these and start over.

So on Monday 26 April 2021, the meeting will cover:

1. Apologies and Substitutes
2. Declarations of Interest
3. Minutes of the meeting 23 March 2021 for confirmation
4. Warwick District Council and Stratford District Council Joint Policies
5. Pension Banding (the additional report)
