### 1 Purpose of the Services Provided

Purpose – To protect individuals and the community from harm, improving their health & wellbeing and the quality of the environment.

I want protection from practices, nuisance, infection and pollution which could have an adverse effect; and support for the disadvantaged in the community towards improving health & wellbeing. This includes:-

- Effective and fast response to environmental health, nuisance, animal welfare and public protection issues.
- Effective use of regulatory and licensing controls to ensure business practices are appropriate and comply with legislation and guidance
- To provide high quality services which support sustainable development, mitigate flood risk, maintains safety & security in the public domain and delivers effective solutions to meet the customer's needs.
- Support for local community and voluntary sector engagement, in particular for the most disadvantaged communities.
- Making my neighbourhood feel safer.
- In the event of Civil Emergencies, a quick and co-ordinated incident response with recovery, help & assistance to the community, whilst still being able to access Council services.
- Prompt and professional advice for businesses on legislative issues related to food safety, health & safety and environmental emissions; and to individuals across a wide range issues affecting health & wellbeing
- A dog warden service providing effective control over stray dogs and dog fouling
- A pest control service providing prompt and effective response to pest infestations having a public health significance, at low or no cost to those on low income
