An apology for absence was received from Councillor Rhead.

1. **Appointment of Chairman**

2. **Declarations of Interest**

There were no declarations of interest.

3. **Minutes**

The minutes of the meeting held on 25 March 2015 were agreed and signed by the Chairman as a correct record.

4. **Amendments to Officer Employment Procedure Rules**

The Committee considered a report from the Democratic Services Manager and Deputy Monitoring Officer that brought forward proposals to amend parts of the Council's Constitution to ensure it was brought in line with the Local Authorities (Standing Orders) (England) (Amendment) Regulations 2015.

The proposed changes related to the processes required before notice of dismissal could be given for the posts of the Head of Paid Service, Monitoring Officer or the Chief Finance Officer. In essence the regulations-

- Required full Council approval before a notice of dismissal could be given to the Monitoring Officer or Chief Finance Officer;
- Abolish the requirement for a designated independent person (DIP) to investigate allegations of misconduct;
- Replaced the DIP scheme with a requirement to have two independent persons on the disciplinary panel;
- Independent persons were those persons appointed for the purposes of the member code of conduct regime; and
- Fixed the maximum amount of remuneration payable to independent persons

The Regulations provided new arrangements for taking disciplinary action against the most senior Council staff, to be given effect by councils modifying their standing orders. Provision was made for councils to make

EMPLOYMENT COMMITTEE MINUTES (Continued)

this modification no later than at the first ordinary Council meeting held after the 7 May 2015 elections (for Warwick District Council this was 24 June 2015). The Regulations came into force on 11 May 2015.

The Committee was informed at the meeting that a letter from the Local Authorities Association of Chief Executives (LACE) had been received after the agenda and report had been published. This letter set out an objection to the recommendations since the Association's position was that negotiations were ongoing about the new procedures and these had not yet been concluded. The Council had sought legal opinion on the letter from LACE and this advised that the procedure must be adopted irrespective of negotiations and was a statutory requirement.

It was explained that the adoption of this regulation could result in a "twin hatted" approach should a situation covered by the procedures arise then investigations may need to be conducted by a person independent of the Council and the panel formed to include two independent persons from the Standards Committee. In addition, if one of the statutory officers left and had been replaced, their replacement would be subject to different conditions from the remaining most statutory officers.

The Democratic Services Manager clarified that these amended procedures did not cover the role of the Deputy Chief Executive (BH) because his role was not a statutory post.

The Committee discussed the recruitment aspect of the Officer Employment Procedure Rules and, on advice from officers, asked that these be looked at as part of the review of HR procedures. Specifically, they asked officers to provide consideration to paragraphs 1 (a) (i) and 2 (a) and (b) in Appendix 2 of the report, to check that they were correct; and the definition of an interviewing panel as described in Appendix 2, paragraph 4, required better clarity as to if it was the full committee.

Recommended to Council that:

- (1) it amends the Constitution to reflect:
 - (i) the revised Responsibilities of Employment Committee, as set out at Appendix 1 to the minutes;
 - (ii) the revised Officer Employment Procedure Rules, as set out at Appendix 2 to the minutes;
 - (iii) the revision to the Scheme of Delegation, as set out at Appendix 3 to the minutes; and
- (2) the Recruitment and Disciplinary Procedures relating to the Head of Paid Service, Monitoring Officer and Chief Financial Officer be updated.

EMPLOYMENT COMMITTEE MINUTES (Continued)

5. People Strategy Update

The Committee considered a report from Human Resources giving an update on progress made on the People Strategy Action Plan, which was discussed at the People Strategy Steering Group (PSSG) in March 2015.

The Interim Human Resources Manager informed the Committee that the new plan for 2015-2018 was a work-in-progress.

The Committee requested that Succession Planning continued to be a topic of discussion for the PSSG, just as it had been under the previous membership pre-council elections May 2015.

It was agreed that the results of a staff survey be brought to Committee in December following review by the PSSG. Councillor Butler queried what measurement was used for determining the success of response to the survey and pointed out that there should be an expectation of what response was required. He was informed that Staff Voice would have to decide the level. The Interim Head of Human Resources would report this figure back along with the results of the survey.

Resolved that the report is noted.

6. Sports & Leisure – conversion of casual hours to contracted posts

The Committee considered a report from Cultural Services which outlined a proposal to convert 264 hours covered by casual staff each week, within the Sports and Leisure service, into established contracted posts. This was to improve the resilience of the service by removing the reliance on a small number of casual workers. As a result of this change, the service would benefit from a sustained, more consistent staffing structure that would allow for better customer engagement, improved customer satisfaction levels, improved service delivery and a more secure and committed workforce, proficient in delivering the service.

Members were informed that as a result of the recommendation in the report, casual workers would only be required for situations that could not be reasonably planned for, such as a period of prolonged good weather, which would significantly increase demand on swimming pools and leisure centres for example.

Resolved that the addition of new part-time Leisure Attendant posts to the establishment be approved with immediate effect:

Newbold Comyn Leisure Centre - 10 posts
equalling a total of 74.34 hours

St Nicholas Park Leisure Centre - 6 posts
equalling a total of 42.9 hours

Abbey Fields Pool - 3 posts
equalling a total of 22.98 hours

EMPLOYMENT COMMITTEE MINUTES (Continued)

Castle Farm Recreation Centre equalling a total of 31.94 hours	- 2 posts

Combined post across all sites total of 13 hours	- 1 post at a total of 13 hours
Lillington Library total of 10 hours	- 1 post at a total of 10 hours

7. Public and Press

Resolved that under Section 100A of the Local Government Act 1972, the public and press be excluded from the meeting for the following item, by reason of the likely disclosure of exempt information within paragraphs 1 and 2 of Schedule 12A of the Local Government Act 1972, following the Local Government (Access to Information) (Variation) Order 2006, as set out below.

Minute Nos.	Para Nos.	Reason

9. Minutes

Employment Committee

Minutes of the meeting held on Wednesday 16 September 2015 at the Town Hall, Royal Leamington Spa at 4.30 pm.

PRESENT: Councillors Mrs Bunker, D'Arcy, Mrs Evetts, Heath, Mobbs, Naimo, and Rhead.

Apologies for absence were received from Councillors Butler, Day and Murphy.

13. **Substitutes**

There were no substitutes.

14. **Declarations of Interest**

Minute Number 17 – Regulatory Services within Health & Community Protection Redesign

Councillor Heath declared a personal and prejudicial interest and left the room whilst the item was discussed.

15. **Minutes**

The minutes of the meeting held on 17 June 2015 were unavailable and would be submitted to a future meeting.

16. **Extension of Sustainability Officer's contract period**

The Committee considered a report from Health and Community Protection which requested authority to extend the contract period of the Sustainability Officer post for a further twelve months beyond March 2016.

The post currently had funding until March 2016 and the request for future funding was due to be considered by the Executive on 30 September 2015.

Approval was previously given for a two year contract period however the work to deliver against the aims and objectives of the Sustainable Communities Strategy was ongoing and could not be resourced from existing staff or budgets.

The report advised that extending the contract by one year would allow time for the impact of any decisions to be assessed, particularly in terms of how the sustainability agenda could be dealt with in the future.

Members could choose not to extend the contract however this would result in little progress in coordinating the sustainability theme across the Council. In addition, it would reduce the opportunity to identify funding of carbon reduction and renewable energy schemes to the benefit of the Council and the wider community.

EMPLOYMENT COMMITTEE MINUTES (Continued)

The Committee asked for clarity on the work already undertaken by the post holder and how the renewable energy targets were being met.

The Head of Health and Community Protection, gave examples of future projects and advised the Committee that this work would not move forward unless the officer was in post.

The Committee noted the concerns raised regarding the implementation of the sustainability policies within the Local Plan and hoped the post holder would be able to look at the objectives of renewable energies.

Resolved that approval be given for the Sustainability Officer contract to be extended for a period of one year from 1st April 2016 – 31st March 2017, subject to Executive approving the funding for the post.

17. Temporary Building Surveyor – Housing Stock Condition Survey & Strategic Asset Management

The Committee considered a report from Housing and Property Services which set out the proposal to recruit an additional Building Surveyor on a temporary basis for a period of two years.

On 3 September 2015, the Executive approved the recommendations in the Housing Stock Condition & Strategic Asset Management Report which set out the need to undertake a condition survey of 100% of Housing Revenue Account Residential Assets.

The post would support the effective completion of a survey of the condition of HRA assets and would be temporary post for a period of up to two years.

The report highlighted that the survey work was fundamental to the development of robust asset management data and, once completed, would form the foundation for the analysis, planning and implementation of future programmes of planned maintenance and investment works.

In response to a question from Councillor Rhead, the Deputy Chief Executive, (BH), advised that the post was for a period of up to two years as detailed in paragraph 3.2 of the report. He assured Members that this was a maximum time frame and the post would be reviewed after 18 months if necessary.

Resolved that the recruitment of a temporary Building Surveyor is approved.

18. Additional Temporary Staffing Resource

The Committee considered a report from the Deputy Chief Executive (BH) and Housing and Property Services which set out proposals to address capacity issues within the Assets Team of Housing & Property Services that were currently impacting on service delivery and workforce development.

EMPLOYMENT COMMITTEE MINUTES (Continued)

On 27 January 2015 the previous Employment Committee approved a significant redesign of the Asset Management Team within Housing & Property Services. A copy of the report was attached as an appendix to the report.

Overall, the recruitment process, both internal and external had proved to be more protracted than anticipated, with the final vacant post due to be filled shortly, subject to satisfactory interviews. Whilst the process was underway, there had been significant internal staff movement which had proved disruptive, particularly in respect of the Energy and Plant Management Team, where the two staff previously undertaking the Contract Administrator roles secured new positions within the Housing and Void Repairs Team.

The protracted and disruptive recruitment process and the relatively high proportion of new starters within the teams had several consequences: planned work needed to be rescheduled; managers had been unable to delegate work until staff had been appointed and settled into their (new) role; and managers had been unable to progress staff training and development as quickly as desirable because they lacked the resources to do so.

In addition, these issues had been compounded by long term sickness issues within the Building Surveying Team. The net result was a backlog of work, delays to the commencement of projects and an inability for the teams to effectively support colleagues working on key corporate and strategic initiatives.

The report therefore proposed to recruit a Project Manager for 24 months, reporting directly to the Asset Manager, to concentrate on the Open Book contracts review, process changes to the existing contract in advance of the review's completion and to assist with the co-ordination of a new approach to corporate asset management.

An additional Property Maintenance Officer (PMO) was also proposed for the period ending 31 March 2017. The funding for these posts would be considered by Executive on 30 September 2015.

The Deputy Chief Executive (BH), presented the report and explained the difficulties the service area had been experiencing. He advised that this was not a change to the structure but stated that the short term capacity issue needed addressing.

Resolved that

- (1) the recruitment of the following posts is approved:
 - one temporary Project Manager post at salary grade E1 for 24 months; and
 - one temporary Property Maintenance Officer at salary grade F for the period ending March 31st 2017; and

EMPLOYMENT COMMITTEE MINUTES (Continued)

- (2) the funding for these temporary posts will be considered by Executive on September 30 2015.

19. Public and Press

Resolved that under Section 100A of the Local Government Act 1972, the public and press be excluded from the meeting for the following items, by reason of the likely disclosure of exempt information within paragraphs 1 and 2 of Schedule 12A of the Local Government Act 1972, following the Local Government (Access to Information) (Variation) Order 2006, as set out below.

Minute Nos.	Para Nos.	Reason
17 to 19	1	Information relating to an individual
17 to 19	2	Information which is likely to reveal the identity of an individual.

The full text of Minutes 17 and 18 were recorded in a confidential minute which would be considered for publication following implementation of the relevant decisions. A summary is as follows:

20. Regulatory Services within Health & Community Protection Redesign

The Committee approved the recommendations in the report.

21. Neighbourhood and Estates Team

The Committee approved the recommendations in the report.

22. Minutes

The confidential minutes of the meeting held on 17 June 2015 were not available and would be submitted to a future meeting.

The Committee returned to public session.

23. Dignity at Work Policy and Procedure

The Committee considered a report from Human Resources which presented the Council's Dignity at Work Policy and Procedure, attached as an appendix to the report. It also set out the Authority's policy to support procedures that highlighted both informal and formal approaches to maintain all employees' dignity at work.

The report summarised the need for the Dignity at Work Policy and Procedure to be more explicit in the area of employee dignity in and outside of work, whilst representing the Council.

EMPLOYMENT COMMITTEE MINUTES (Continued)

As part of an ongoing review of Council policies and their application, the Dignity at Work Policy and Procedure was supplementary to the existing Disciplinary Procedure. This would allow for a more robust approach as to how the Council supported staff and managers in relation to bullying and harassment.

Section 7 of the report summarised the main points from the policy and procedure including addressing bullying and harassment and issues directly related to the Equality Act 2010. The document also focused on early intervention actions, mediation and the benefits this could achieve and how HR would continue to provide support, advice and guidance throughout.

The Chairman, addressed the Committee and advised that this document had been looked at in detail by the People Strategy Steering Group. It was hoped that this policy would help to support staff before issues escalated to a formal stage.

Officers confirmed that the Unions had been involved at the consultation stage and their input had been welcomed. It was also confirmed that this policy would now form part of employees' Terms and Conditions and HR would be holding workshops to brief managers on the new policy and procedures.

Resolved that the Dignity at Work Policy and Procedure, attached as Appendix 1 to the report, is approved.

24. Shared Parental Leave

The Committee considered a report from Human Resources which presented the Council's guide to Shared Parental Leave and the legislative requirements of the Council to support parents following the birth or adoption of children born on or after 5th April 2015.

Following the introduction of employment regulations from Central Government, the Council needed to formally adopt the Shared Parental Leave Policy (SPL), which was attached as Appendix 1 to the report and publishing the Shared Parental Leave Statement was a legal requirement.

Section 8 of the report summarised the main points from the policy which explained that eligible parents would be able to choose how to share the care of their child during the first year after birth or following adoption.

The total amount of SPL that could be taken was 50 weeks and could only be taken during the 12 months following the birth or placement of the child.

Officers assured Members that, although it could often prove complicated, the HR team would continue to work with employees to ensure SPL was utilised wherever possible.

EMPLOYMENT COMMITTEE MINUTES (Continued)

In response to a query from Members, Officers advised that this policy had been adopted from Warwickshire County Council's legal policy.

Resolved that the Shared Parental Leave (SPL) Policy, attached as Appendix 1 to the report, is approved in line with legislation.

1. **SUMMARY**

- 1.1 The report sets out the proposal to employ a Financial Inclusion Project Officer to provide money and debt advice to our tenants in financial difficulty. The role will also include providing project support for the Council's Financial Inclusion Strategy along with the management of the Re-settlement Service and associated budgets.

2. **RECOMMENDATION**

- 2.1 The Employment Committee approves the establishment of the post of Financial Inclusion Project Officer

3. **REASONS FOR THE RECOMMENDATION**

- 3.1 On 4th November 2015, the Executive approved the termination of the Tenants Incentive Grant Scheme (TIGS).
- 3.2 At the same time, the Executive approved that, subject to approval by Employment Committee, £14,000 in 2015/16, and £28,000 ongoing of the savings created by ending the TIGS, should be used to fund the recruitment of a permanent Financial Inclusion Project Officer.
- 3.3 At the same time as helping people downsize which in itself can help people reduce their housing costs, there is increasingly an apparent need to help people be better able to manage their finances.
- 3.3 When the first tranche of Welfare Reforms were announced in 2012 the Council supported the introduction of a temporary Financial Inclusion Officer. Working alongside the Income Recovery Team this officer worked closely with tenants affected by either the under-occupation charge or the benefit cap.
- 3.4 To continue to provide a service that has allowed the Council to maintain control of the rent arrears, reduced the number of evictions carried out and avoided the waiting period that clients of other advice agencies are currently experiencing, additional capacity is needed to both deliver these day-to-day services and to encourage the provision of additional complementary services.
- 3.5 The changes to social security and housing policy that will begin in April 2016 are expected to present more challenges to low and middle income households managing their incomes. These changes include the Local Housing Allowance cap limits applying for Housing Benefit which may present particular challenges to tenants aged under 35, Pay to Stay which may impact on households with an income just above the average for the district and the potential increase in tenancy turnover brought about by proposals to make short term tenancies mandatory for social landlords. The Council will need to be able to manage a greater number of risks to its ability to collect sufficient income to maintain investment in housing repairs, maintenance and estate management.
- 3.6 At the same time the Council is faced with additional financial pressures that will reduce the income to and increase the expenditure of its landlord service. These are arise from local housing authorities being required to fund the extension of Right-to-Buy to housing association tenants, the reduction from April 2016 in rental income by 1% per year for four years and if current

proposals are followed through by the Government, the administrative costs of managing short term rather than secure tenancies.

3.7 Warwickshire County Council (WCC) has approved a restructure plan for Housing Related Support which it funds through its Supported People Grant. This means that WCC will stop funding the specialist floating housing related support services, which include work that support financial inclusion, and from which many of our tenants benefit. The Financial Inclusion Project Officer, will work alongside the Housing Support Team to provide, where required, a money and debt advice service

3.8 Employing a dedicated Financial Inclusion Project Officer would:

- Provide practical support for the work of the Financial Inclusion Group
- Support the implementation of financial inclusion projects
- Work with other agencies to maximise employment opportunities
- Manage the Re-settlement service and manage the associated budget
- Provide additional day to day capacity to ensure the current levels of money and debt advice are maintained
- Help tenants manage the transition to Universal Credit
- Raise awareness of benefits sanctions to tenants and community services in order to reduce the risk of their benefit being reduced

3.9 In- house analysis of the existing role Tenancy Support Officer role indicates that for every £1 spent on the post, the community benefits by £5. Expanding this type of service will help reduce the risk to the Council of these changes detailed above impacting adversely on the Housing Revenue Account (HRA) Business Plan.

4. **POLICY FRAMEWORK**

4.1 Fit for the Future

4.1.1 The recommendations in this report are designed to support the vision of making Warwick District a great place to live, work and visit as set out in the Sustainable Community Strategy.

4.1.2 The post of the Financial Inclusion Project Officer will provide additional support to tenants and their families by helping them better manage their financial situation to remain in their homes and to take advantage of the opportunities that will arise as the district grows.

4.2 Impact Assessment

4.2.1 This appointment will not have a negative impact in respect of Equalities and Fairness.

5. BUDGETARY FRAMEWORK

- 5.1 The Executive has approved that the role will be financed through the savings made by ending the TIGS scheme agreed by the Executive on 4th November 2015 detailed below:

Current Annual Budget	2015/16	Ongoing
Carried forward from 2014/15	£19,500	£0
TIGS	£95,000	£95,000
Re-settlement scheme	£5,000	£5,000
Financial Inclusion Project Officer	£0	£0
Total Current Annual Budget	£119,500	£100,000

Proposed Annual Budget	2015/16	Ongoing
TIGS paid 2015/16 to date	£35,000	£0
Outstanding TIGS agreed for applicants	£55,000	£0
Re-settlement scheme	£12,500	£25,000
Financial Inclusion Project Officer	£14,000	£28,000
Total Current Annual Budget	£116,000	£53,000

Summary of changes (- = saving)	2015/16	Ongoing
Savings on TIGS budget	-£24,000	-£95,000
Increase in Re-settlement Budget	+£7,500	+£20,000
New Financial Inclusion Officer Budget	+£14,000	+£28,000
Overall Proposed Annual Saving	-£3,000	-£47,000

- 5.2 To recruit to this post there would incur no additional costs by the HRA.

6. RISKS

- 6.1 Failing to help tenants manage changes to their income represents increases risks to the viability of the HRA Business Plan and to tenants' ability to sustain their tenancies, which will incur additional costs for the Council in managing the fall-out from failed tenancies. The Financial Inclusion Project Officer represents a positive response to these changes and risks.

7. ALTERNATIVE OPTION(S) CONSIDERED

- 7.1 Resources saved by ending the Tenant Incentive Grants Scheme and not creating the post of Financial Inclusion Project Officer could allow for additional funds to be retained within the HRA for alternative investment. However by deploying a portion of these resources to fund the Financial Inclusion Project Officer, the Council will be in a better position to help manage the effects of the Welfare Reform changes for our tenants and so improve the resilience of the HRA Business Plan
- 7.2 The option of appointing to the post of Financial Inclusion Project Officer on a fix-term temporary position was considered; however there has been a steady increase in demand for assistance since 2012. Further changes to social security such as Pay to Stay, the Local Housing Allowance limits applying to Housing Benefit and tenancy terms coupled with the reduction of Housing Related Support services in the district will increase pressure on tenants on low incomes. The increase in service demand is likely to increase.

8.2 The Steering Group meets quarterly prior to the Employment Committee and reviews successful work completion, plans in progress and areas to highlight for discussion.

8.3 Areas of Success/Highlights within the agreed People Strategy themes for the period July – October are:

8.3.1 **Leadership and Organisational Development**

The People Strategy Action Plan is being updated as part of our Investors in People review highlighting the priorities against resources; this has been discussed at the PSSG meeting December 2015 with actions identified for the next meeting March 2016.

Representatives of the Senior Management Team have already considered how the People Strategy Steering Group can operate effectively and efficiently by considering key themes impacting on the Council, for example: Staff Morale and Development; Staff Engagement; Succession Planning.

8.3.2 **Workforce Planning and Performance**

- Restructures throughout the organisation continue to be supported by HR.

 - The Senior Management Team supports Equality and Diversity priorities and utilising the Staff Voice as E&D representation for service areas to ensure key messages are cascaded.
 - Employees will be supported by the new 'Dignity at Work' policy, which links to the E&D agenda.

forefront of our agenda, this will include E&D training and mental health awareness to name just a few. We will work with Managers to highlight those who are priority.

8.3.4 Learning & Development

- Continued roll out of Self-Service training to all managers as part of 'Different Ways of Working' initiative to help managers 'manage' their areas more effectively. This system has now been embedded in the majority of service areas to reduce the paper based timesheets and expenses and allow managers to monitor more effectively all absence within their areas via the absence planner.
- 99.22% of Appraisals undertaken with managers and staff (2014 – 2015), having a documented conversation with staff regarding 'How's Work'.
- Personal Development Plans received are being reviewed and used to build the 2016 Corporate Training Plan together with planned meetings with Heads of Service relating to the Staff Voice Survey. A subset of PSSG will also review training budget allocation correlating with the plan and priorities of the Council to progress. This will be evaluated at Alt SMT to ensure there is a match of resources to needs.
- Safeguarding Children priorities established and being actioned as part of the overall Safeguarding action plan. Proposed training planned for Jan 2016.
- Mental Health & Wellbeing awareness sessions planned for all Managers Feb - April 2016, these will be prioritised based on need.

- Staff Voice has reached its first year anniversary, the group continues to evolve and is now being utilised further with Health & Well-being and Equality & Diversity initiatives.
- Senior Officers meetings have evolved into the 'Manager's Forum'; these will continue with a more engaging format which has proved successful. This change is aimed to improve communication from managers through their teams across the council.

- Positive use of Rumour Mill continues with appropriate questions being posed.

- 'Making every contact Count' - most Health Champions have had MECC training and this continues with further awareness sessions being planned for later in the year.
- An assessment of WDC against the national Health and Wellbeing Charter has now been completed, results expected January 2016.
- Staff briefings on dementia completed earlier this year Well Person Drop-in Sessions have been held, and more are planned. Flu Vaccinations have been administered again this year.
- Sporting activities have been encouraged and there were successes in a regional bowls tournament; the Global Corporate Challenge was also well received by staff.
- The Health Champions Network is now working jointly with Staff Voice to promote health initiatives; the intranet continues to be used as a medium to communicate health information.

9. POLICY UPDATE

- 9.1 Following the ICT Downtime earlier this year, guidelines on how to manage similar circumstances have been established and presented at Joint Communication Forum Nov 2015. All managers will follow the guidance for ICT Downtime to ensure employees are given fair and reasonable opportunity to attend work. This has been approved by all Union Representation. (Appendix 1)
- 9.2 The Absence Policy has been updated and renamed as 'Managing Attendance' Policy. This has been developed to provide managers and employees with additional guidance on how to manage attendance and sickness consistently across the Council and offers additional tools and techniques than in the previous policy to manage employee attendance within the workplace positively. The additional guidance within the policy will assist managers to monitor employee absence triggers (these have not changed) within set timescales and clarify the actions and outcomes. This has been approved by all Union representation. (Appendix 2)

Attendance at Work During ICT Downtime - Guidelines

These guidelines should be used when staff are unable to access ICT systems during their normal working day due to planned or unplanned system maintenance, security incidents or any circumstances beyond the council's control. For clarification, these guidelines do not apply when staff are unable to access council ICT systems because personal equipment on which they are reliant fails. For example, when working from home and their personal broadband connection does not work.

The Chief Executive will hold the authority for deciding on the severity of circumstances preventing employees accessing ICT systems as an extreme cause of action.

- It is expected that every member of staff will attend work, unless leave is requested or agreed.
- Staff who work from home should come into the office unless leave is requested or agreed.

Line Managers should review their staff cover based on the above and agree what the work priorities are and allocate them based on needs of the service.

If staff are unable to attend work after considering the above then the time off must be taken as flexi, unpaid leave or annual leave as agreed with the line manager.

Line managers must agree with any staff that are not at their normal place of work – how they will maintain communication during the disruption and how 'business as usual' can be maintained and restored.
