30. Community Governance Reviews

The Committee considered a report from Democratic Services asking to bring forward the recommendations for the Community Governance Reviews following initial consultation as requested by the Committee at its meeting on 8 October 2018.

The 8 October 2018 meeting of the Committee considered and approved the recommendations for the three Community Governance Reviews, under the Local Government and Public Involvement in Health Act 2007, for the following:

- (i) amending the boundary of Whitnash and Royal Leamington Spa that ran through Campion School;
- (ii) subdividing the Kenilworth Town Council Wards of St John's and Park Hill; and
- (iii) increasing the size of Norton Lindsey Parish Council from five to seven Councillors.

The recommendations were duly consulted on from 12 October to 16 November 2018 with the relevant Town/Parish Council, Ward Councillors and Warwickshire County Council being notified. In addition, these were advertised on the District Council's website, published at Riverside House and in the Leamington & Warwick Couriers/Kenilworth Weekly News.

There were three responses to the consultation. These were from Warwick District Council Labour Group, Royal Leamington Spa Town Council and Whitnash Town Council. Warwick District Council Labour Group and Royal Leamington Town Council raised no objection to the proposals and Whitnash Town Council supported the proposal in respect of the boundary between themselves and Royal Leamington Spa. Therefore officers considered that the Orders should be made.

The Committee were reminded that the boundaries in respect of Kenilworth, Royal Leamington Spa and Whitnash had been amended within the last five years and therefore approval for the Council to make the proposed Orders would be required from the Local Government Boundary Commission for England (LGBCE). If the response was positive, consent would be given after 5 December when the Ward Boundaries would be established in the Parliament and most likely by 12 December 2018. If rejected, an answer would be given after mid-January

The recommendations in the report provided authority for Officers to notify the relevant parties once the Orders were made.

No alternative options were considered for recommendations in this report because the responses received to the consultation raised no objections and therefore it was considered appropriate to make the orders.

Councillor Illingworth raised a question to do with the map included as Plan 5. The boundaries were clarified by the Democratic Services Manager & Deputy Monitoring Officer.

The Committee therefore

Resolved that

- (1) subject to agreement from the Local Government Boundary Commission for England (LGBCE), makes the following Community Governance Orders as follows:

- (i) that Norton Lindsey Parish Council be increased in size to seven Councillors;
 - (ii) that Kenilworth Town St. John's Ward and Kenilworth Town Park Hill Ward are sub divided as defined by Plans 1 to 3 of the report and comprised of St John's Ward (four Councillors), Borrowell Ward (three Councillors), Park Hill Ward (four Councillors) and Dalehouse Ward (four Councillors); and
 - (iii) that the boundary between Whitnash and Leamington Sydenham in the Campion School area, be as set out as in Plan 5 to the report; and
- (2) subject to approval of recommendation (1) in accordance with the Local Government and Public Involvement in Health Act 2007 the above Orders be published (on the District Council website, at Riverside House and in local newspapers). Notify Warwickshire County Council (WCC) the affected Town/ Parish Council's and District Ward Councillors, as well as other relevant agencies of the Orders.
