

**Summary of Comments made on the Executive Agenda for
Thursday 1 October 2020**

3. Risk Management Annual Report 2019/20 and Strategy

The Finance & Audit Scrutiny Committee was satisfied with the proposals as set out in the report.

4. Joint Local Plan Review

The Overview & Scrutiny Committee felt that a clear distinction was required to make it apparent that the working party was not a scrutiny function. It also felt that the term "Programme Advisory Board" should be avoided because of the very specific meaning it had at Warwick District Council and the confusion that could arise.

It was noted that concerns raised about the potential impact of the Local Government review and on potential differing needs for affordable and other housing allocations would be addressed through the proposed officer work and member review.

5. Trees for our Future – Project Framework and Start-up

The Overview & Scrutiny Committee thanked officers for their work and welcomed this initial plan which was felt to be a good foundation to determine the final plan details. It looked forward to information on the both the final number of trees and the amount of woodland established. The community involvement was noted as a very positive aspect of the project.
