2. **RECOMMENDATIONS**

2.1 That the Employment Committee recommends that Council approves the Pay Policy Statement for the 2019-20 financial year, as set out at Appendix A, for publication.

3. **REASONS FOR THE RECOMMENDATIONS**

- 3.1 The Council is required to publish a Pay Policy Statement which is a requirement under the Localism Act 2011. The statement needs to be formally adopted by the Council each year.
- 3.2 The Pay Policy Statement gives a definition of chief officers and lowest paid employees. It covers different elements of remuneration and outlines the guidelines and policies that govern remuneration. It also sets out the authority's policies for the financial year relating to the remuneration of chief officers, the remuneration of the lowest paid employees and the relationship between the remuneration of its chief officers and its employees that are not chief officers.

4. **POLICY FRAMEWORK**

The way in which we lead and support our people is key to the successful delivery of quality services. Monitoring data related to pay and management information are key measurements aligned to the People Strategy.
- 4.3 **Changes to Existing Policies –** The report does not bring forward any changes to proposed Council Policies as this is a formal statement of pay made by the Council.

7. ALTERNATIVE OPTION(S) CONSIDERED

7.1 None considered – it is required by law

8. **BACKGROUND**

- 8.1 Agreeing and publishing the Pay Policy is a legal requirement. This is the seventh year this has been in place.
- 8.2. The Pay Policy Statement must be prepared on an annual basis beginning with 2012-2013 financial year and each subsequent year as set out in the Localism Act 2011.
- 8.3 The statement must contain details of the authority's policies in relation to remuneration for its chief officers
- 8.4 It must also include a definition of its lowest paid workers and the policy in relation to their remuneration.
- 8.5 It must include the relationship in remuneration between chief officers and lowest paid workers; this has been illustrated by ratios.
- 8.6 The statement also includes levels and elements of remuneration for chief officers, remuneration for the recruitment of chief officers, increases and additions to chief officers, performance related or other bonuses for chief officers, the approach to chief officer remuneration if they cease to hold office or cease employment and the publication of and access to information relating to chief officer remuneration.
- 8.7 The statement must be published once it has been approved, this will be on the Council's website.
- 8.8 Pay Policy Reporting It is positive to note that the measures that Warwick District Council has undertaken to combat low pay has resulted in an incrementally decreasing ratio of highest to lowest earnings that is well within the tolerances recommended by the Hutton report (20x).
