I am objecting to the renewal of the Shades SEV Licence on the following grounds:

1. The proximity of places of worship;

The Shree Krishna Mandir is in the next street in a cul de sac and cannot be reached except from the High Street about 50 yds away from the Shades Entrance. It is unacceptable to have a SEV licence in such proximity to a place of worship.

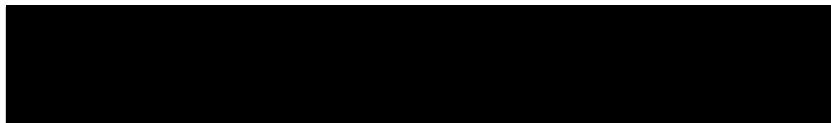

2. Planned regeneration of the area

Old Town has been the subject of regeneration plans for the past 20 years and is on going and supported by Warwick District Council, and recently won Mary Portas funding to support the many local businesses. It is clearly an area that has planned regeneration ongoing.

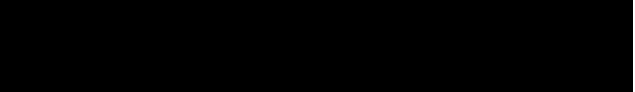

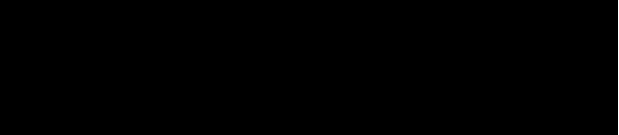

3. Access routes to and from schools, play areas, children's nurseries, children's centres or similar premises in proximity to the premises;

The Shree Krishna Community Centre located next door to the Temple has a variety of classes running for Children including the Young Peoples Group and also Hindi Reading and Writing Classes. The route for anyone arriving by train runs directly past the licenced premises.

I am objecting to the renewal of the Shades SEV Licence on the following grounds:

1. The proximity of places of worship;

The Shree Krishna Mandir is in the next street in a cul de sac and cannot be reached except from the High Street about 50 yds away from the Shades Entrance. It is unacceptable to have a SEV licence in such proximity to a place of worship.

2. Planned regeneration of the area

Old Town has been the subject of regeneration plans for the past 20 years and is on going and supported by Warwick District Council, and recently won Mary Portas funding to support the many local businesses. It is clearly an area that has planned regeneration ongoing.

3. Access routes to and from schools, play areas, children's nurseries, children's centres or similar premises in proximity to the premises;

The Shree Krishna Community Centre located next door to the Temple has a variety of classes running for Children including the Young Peoples Group and also Hindi Reading and Writing Classes. The route for anyone arriving by train runs directly past the licenced premises.

*We come to the temple regularly to worship.*

I am objecting to the renewal of the Shades SEV Licence on the following grounds:

1. The proximity of places of worship;

The Shree Krishna Mandir is in the next street in a cul de sac and cannot be reached except from the High Street about 50 yds away from the Shades Entrance. It is unacceptable to have a SEV licence in such proximity to a place of worship.

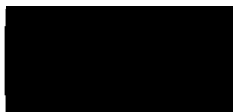

2. Planned regeneration of the area

Old Town has been the subject of regeneration plans for the past 20 years and is on going and supported by Warwick District Council, and recently won Mary Portas funding to support the many local businesses. It is clearly an area that has planned regeneration ongoing.

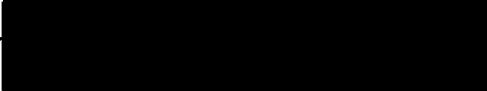

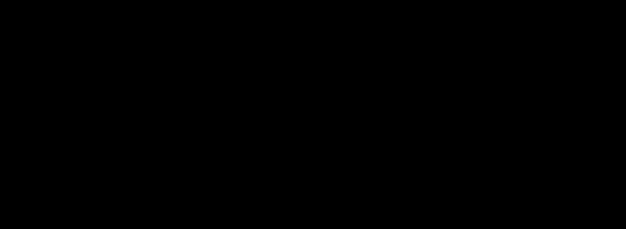

3. Access routes to and from schools, play areas, children's nurseries, children's centres or similar premises in proximity to the premises;

The Shree Krishna Community Centre located next door to the Temple has a variety of classes running for Children including the Young Peoples Group and also Hindi Reading and Writing Classes. The route for anyone arriving by train runs directly past the licenced premises.

Local women are afraid to go near this area at night due to inappropriate behaviour from sexually aroused men leaving this sex club.

With many local residences and because it is a route from town to Kingsway estate, it is hard for local women to avoid the area.

There are many local businesses that would benefit if the image of the area was less seedy — rejecting this application would help this.

I object to this application as it is bad for the local area.
