## 1. Summary

1.1 This report informs the Committee of its work programme for 2015/16 (Appendix 1) and the current Forward Plan (Appendix 2).

#### 2. Recommendation

- 2.1 Members consider the work programme and agree any changes as appropriate.
- 2.2 The Committee to; identify any Executive items on the Forward Plan which it wishes to have an input before the Executive makes its decision; and to nominate a Member to investigate that future decision and report back to the Committee.

### 3. Reasons for the Recommendation

- 3.1 The work programme should be updated at each meeting to accurately reflect the workload of the Committee.
- 3.2 If the Committee has an interest in a future decision to be made by the Executive it is within the Committee's remit to feed into the process.
- 3.3 The Forward Plan is the Executive's future work programme. If any non-Executive Member or Members highlight items which are to be taken by the Executive which they would like to be involved in, those Members can then provide useful background to the Committee when the report is submitted to the Executive and when the Committee passes comment on it.

# 4. Policy Framework

4.1 The work carried out by the Committee helps the Council to improve in line with its priority to manage services openly, efficiently and effectively.

## 5. Budgetary Framework

5.1 All work for the Committee has to be carried out within existing resources. Therefore, there is a limit to the time available that officers will have to assist Members, so the Committee may wish to prioritise areas of investigation.

#### 6. Risks

6.1 This Committee contributes to the effective minimisation of risk by fulfilling its duties in a timely manner and scrutinising the work undertaken by the Executive.

# 7. Alternative Option(s) Considered

7.1 The only alternative option is not to undertake this aspect of the overview and scrutiny function.

### 8. Background

8.1 The five main roles of overview and scrutiny in local government are: holding to account; performance management; policy review; policy development; and external scrutiny.

- 8.2 The pre-decision scrutiny of Executive decisions falls within the role of 'holding to account'. To feed into the pre-decision scrutiny of Executive decisions, the Committee needs to examine the Council's Forward Plan and identify items which it would like to have an impact upon.
- 8.3 The Council's Forward Plan is published on a monthly basis and sets out the key decisions to be taken by the Council in the next twelve months. The Council only has a statutory duty to publish key decisions to be taken in the next four months. However, the Forward Plan was expanded to a twelve month period to give a clearer picture of how and when the Council will be making important decisions.
- 8.4 A key decision is a decision which has a significant impact or effect on two or more wards and/or a budgetary effect of £50,000 or more.
- 8.5 The Forward Plan also identifies non-key decisions to be made by the Council in the next twelve months, and the Committee, if it wishes, may also prescrutinise these decisions.
- 8.6 The Committee should be mindful that any work it wishes to undertake would need to be undertaken without the need to change the timescales as set out within the Forward Plan. The Committee may wish to give greater consideration to the reports in Section 2 of Appendix 1, to maximise the time available for Members to input into the process.
